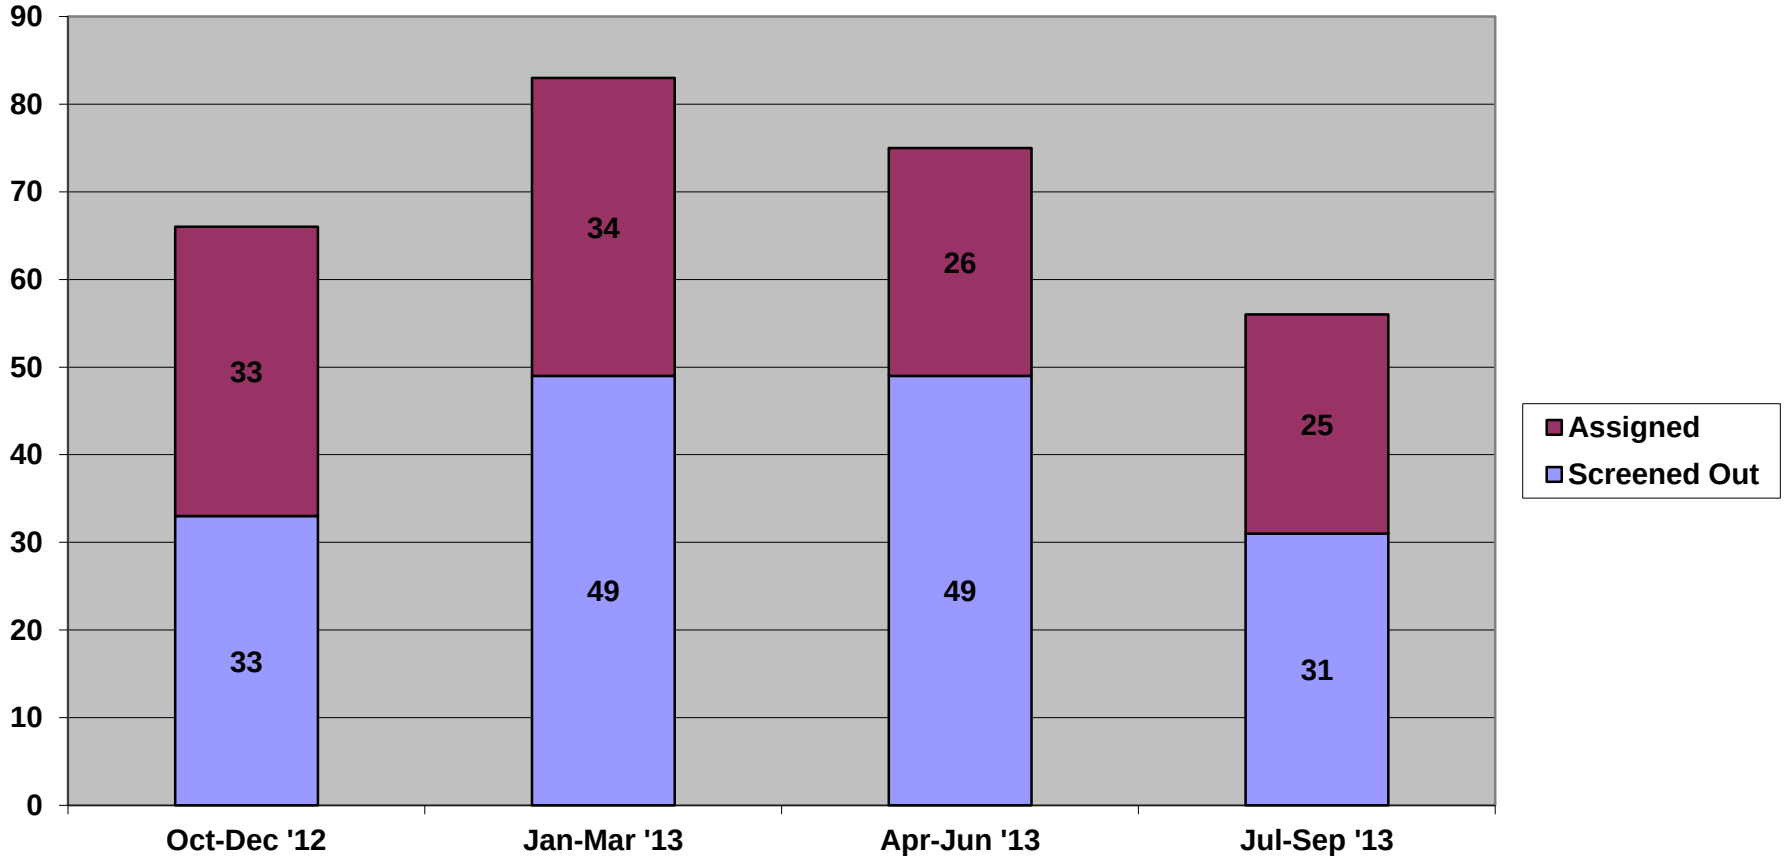
Department of Health Services,
State of Wisconsin: Hospital Complaints Received, 10/1/12 - 9/30/13

(Note: Report reflects only complaints screened out that were recorded in the ACTS data system. Many complaints that are screened out are not so recorded.)



The ACTS intake data system may be supplemented by complaints received during a given quarter but entered later under certain circumstances. As a result, successive generations of the same Complaints Received Report may show slightly differing counts for the same time periods. The counts above are current as of October 23, 2013.
