

# BADGERCARE+ CORE PLAN— WAITLIST

We will no longer be enrolling new members in the Core Plan because the total number of applications we have received is greater than the number of slots available. A Core Plan waitlist was created and people on the waitlist will be able to enroll in the Core Plan as space becomes available.

**Applications for the FoodShare program and Family Planning Only Services are still being accepted and we encourage you to apply for these programs.**

If you want to enroll as space becomes available, go to [ACCESS.wi.gov](http://ACCESS.wi.gov) or call the Enrollment Services Center at 1-800-291-2002. We will ask you to answer some questions to see if you may be eligible for the Core Plan before putting you on the waitlist. **You will not be asked to pay the \$60 application fee until you are able to enroll in the Core Plan.**

If your name is added to the Core Plan waitlist, we will let you know when there is an opening and tell you what you have to do to get signed up. While you are on the waitlist, you should let us know if you have any changes in your contact information such as address and phone number so that we can reach you when there is an opening in the program.

If your name is added to the waitlist, please contact the Enrollment Services Center, if you:

- Become disabled,
- Turn age 65,
- Move out of Wisconsin,
- Become eligible for Medicare or Medicaid,
- Obtain health insurance,
- Start a job that offers health insurance coverage, or
- Have a related child under age 19 move into your home.

If any of the above changes, you may be able to enroll in another health care plan that does not have a waitlist.
