

Wisconsin State-Level HIE Services

State-Level HIE Service Questions

In your opinion, do any factors exist that are unique to Wisconsin that could influence the selection of the HIE services?

What criteria should be used to prioritize the services by level of importance?

Wisconsin State-Level HIE Services

How would you prioritize the following potential Wisconsin state-level HIE services? Please rate their relative importance from “Critical” to “Low.”

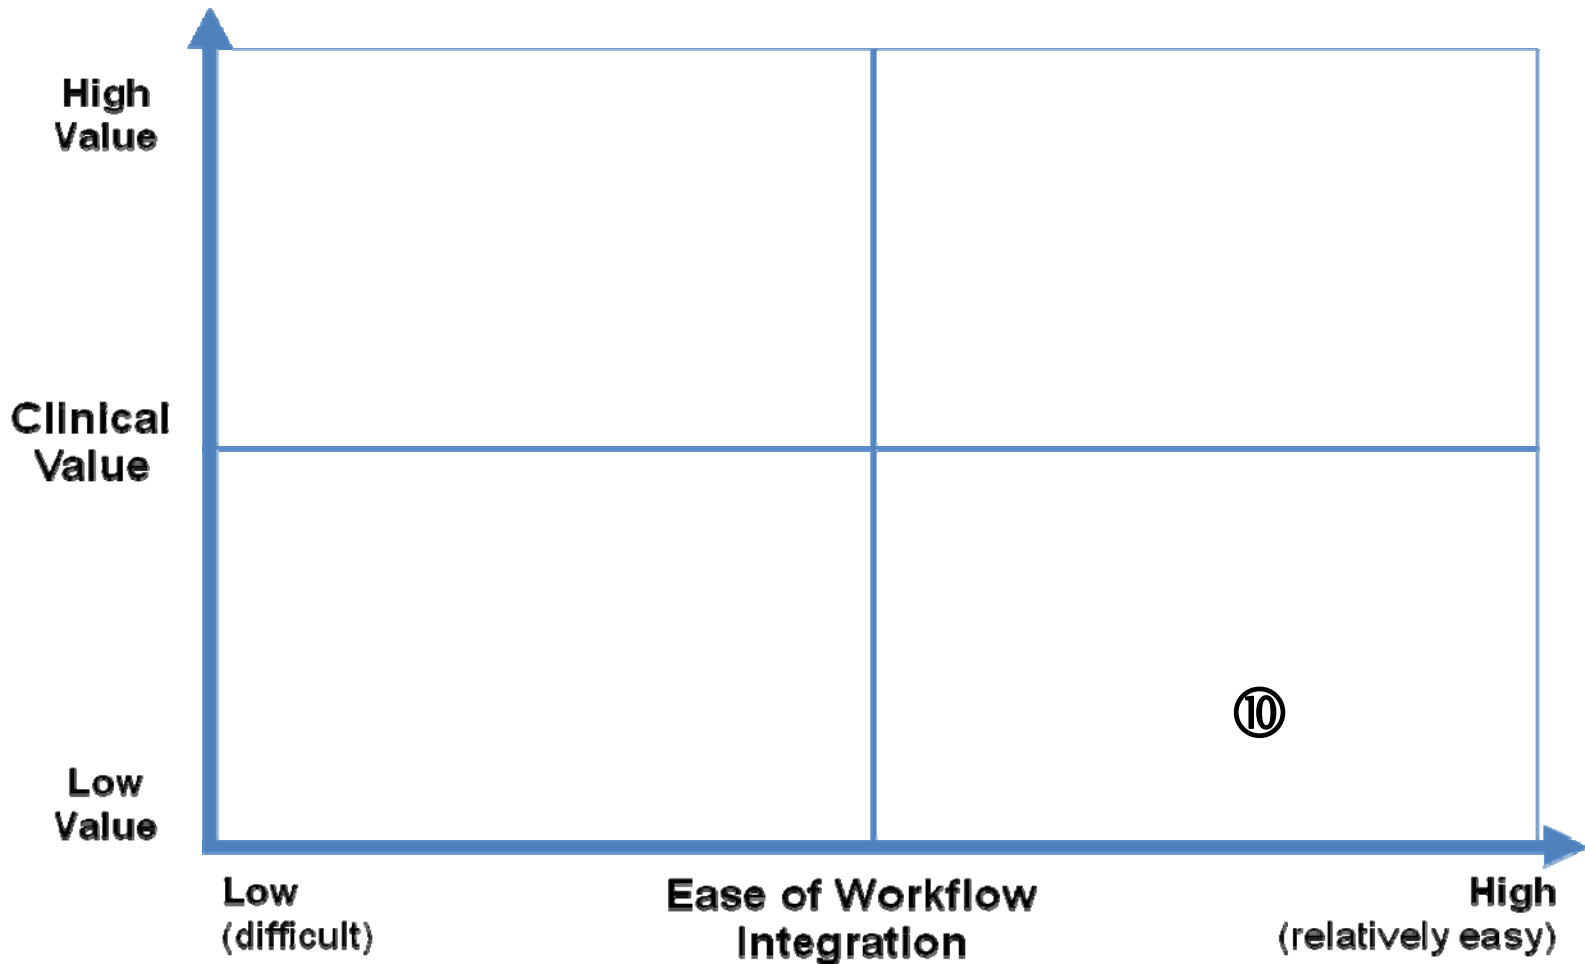

Services and Relative Importance							
①	②	③	④	⑤	⑥	⑦	⑧
Diagnostic Results Reporting	Medication Management	Transfer of Care	Quality Reporting	Research	Public Health	Community Resource Management	Consumer Empowerment
Critical	Critical	Critical	Critical	Critical	Critical	Critical	Critical
High	High	High	High	High	High	High	High
Medium	Medium	Medium	Medium	Medium	Medium	Medium	Medium
Low	Low	Low	Low	Low	Low	Low	Low

If there are any additional services that you think are not addressed by the eight above, please add them below and rate their relative importance from “Critical” to “Low.”

Service A	Service B	Service C	Service D	Service E	Service F
Critical	Critical	Critical	Critical	Critical	Critical
High	High	High	High	High	High
Medium	Medium	Medium	Medium	Medium	Medium
Low	Low	Low	Low	Low	Low

Wisconsin State-Level HIE Services

Assess each of the nine potential HIE services individually based on their clinical value and relative ease of implementation by placing its corresponding circled number on the grid below. As an example, the placement of “Service 10” (⑩) on the grid indicates that it has low clinical value but would be relatively easy to implement. Mark the grid with the nine services on the prior page.

Conduct outreach and education	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	

Wisconsin State-Level HIE Participation

State-Level HIE Participation Questions

What are the potential “deal breakers,” “landmines,” or risks for your organization’s participation in a state-level HIE?

What is the value proposition for you or your organization to participate?

Governance Structure

Structure

1. Who is better suited to govern statewide HIE in Wisconsin (State government or a state-designated entity)? Why?

Board of Directors

1. How many members should be represented on the Board?
2. How should the Board members be selected? Why?
3. What do you see as the distribution of public to private stakeholder types should be represented (e.g. provider, payer, purchaser, state, consumer, others)?
4. How long should board members serve?

Advisory Council

1. Which committees do you think need to be included as part of the governance structure?
2. What should be the relationship between the Board and the Council?
3. What should the Council's stakeholder composition include?
