AIE Comments from the Month of May

- Thank you
- this site was very helpful and easy to use
- The site was very easy to use. But what about extenuating circumstances? Garnishment of wages for taxes owed...I don't deny the debt, just didn't have funds available....now they just take them. What about the \$32,000 in arrears I am due, haven't found anyone that can help my with that. Certainly don't have the money to hire an attorney.
- Si reciben la solicitud...mandenme un mensaje
- If you recieved our application filled, please send me a message at. saying that u received it. thanks!!
- I think it is not at all accurate at all. There was no option for SSDI and the program ASSUMED I was on medicade and I am NOT. I pay almost \$900 a month for medical for cobra each month. So there for it ASSUMED we were fine for everything else and did not ask if my son was a full time student which he pays for and I also have to help with that. So all my info is not accurate at all. DON'T like the computer program!
- I would love to be able to see reviews to be able to be done here on access so you don't have to wait for a review form that can get lost in the mail.
- how do i get child care
- This was a very usefull tool
- It saves the applicant a trip based on the results, it also alleviates the time case workers spend looking at applications that will be denied.
- I all in roll in badgercare and they told me that i was granted but told me that i have to complete your request but i do not know what they talking about as i know lots of ppl are looking for assistance and "handouts" I am just looking to get by every now and again. I just need food for my kids for a week. Is that too much to ask for?!?!?
- There are tons of ppl that lie about this stuff and take advantvage of these programs. Sometimes life takes a different course and your car breaks down and your pipes burst and you have to take the time and money to fix them and that take away from your kids and responsibilities. Take that into consideration the next time you loook at a mother and denyie her and her kids a weeks worth of food once every 6 months!
- the website was very easy to follow and understand, very user-friendly.

AIE Comments from the Month of May (Continued)

•THE PERSON I AM RENTING FROM HAS NOTHING WITH MY CLAIM.THIS IS THE AMOUNT MY CASE WORKER SAID I SHOULD PAY BASED ON HIS BILLS

•Thank you for providing this resource to help me determine if I should go in to ask for help. Losing my job has been traumatic and I can not find another one and am getting desperate. I only have unemployment and will be with no source for food, electricity and heating once it runs out. I will go get help when I absolutely need it. I already have quit taking my medicine as I can not pay for it even tho I do have COBRA health insurance. This site has allowed me to know I may get some food stamps. Thanks.

•Very helpful and easy to use. Thanks.

•It was easy to access what i needed to do

•Very nice so far - everything is very confusing and this site seems to be very easy to use

•This was easy to use and very helpful

•when I did the application to see if I was eligible for anything I was not able to enter my correct income. I am a teacher's aide and am only a 9 month employee. So I get paid 1066.00 every 2 weeks for 9 months only, then nothing for 3 months. We are not allowed to collect unemployment. So that would affect my total income greatly and could affect benefits I could receive. There should be a place on your application a person could adjust the income so it could be done accurately.

•very very very helpful

•Extremely helpful, thank you so much, you made it simple and easy to follow and had all the information I was looking for.

•Information on the web site in very helpful but it appears that it is easy to contact and deal with the count representative when, in fact, it is very difficult to meet with that person.

•Wish to find out if your access site would ever include low income housing places as well? Thanks for your time. Deanna

•GREAT!! Very easy to use.

•Nice web site. Easy to use and very informative. Thanks.

•Thank you so much for you web sight and information - it helped me to see if I'm eligible for Food Stamps and BadgerCare.

- The program was also easy to fill out and follow.
- Thank you so much for the online information - I called 1-800-362-3002 and talked to several girls and they were very helpful for the information I received - I even made an error in filling out your access form, I used the wrong county, so I re-entered my information for Dane County and now have the correct locations to fill for aid. Thank you again to everyone at that number for you help and understanding
- I don't think it should matter that I live with someone when it comes to help with medical assistance. I can not afford insurance on my own and it's not fair to include the person I live with in the amount of money THEY make. THEY don't pay MY bills, I DO.
- Easy to use. Very informative.
- Excellent site!!!! Easy to understand and complete. Thank you.
- not thing that is good
- Excellent site and easy to follow and understand.
- Why do you say people are not eligible if they had insurance 12 monthds prior to applying? That makes no sense! That insurance is expired and has no bearing on the present situation. I am on unemployment and barely making it. This program should be for single women between 45 and 65 as well. How come we fall through the cracks and get nothing? What did my taxes pay for? Then when I need help, I am told "To Bad" If it is free, why are we suppose to pay \$60.00 non-refundable fee????? Why is it non-refundable?
- What if you get payed salary what do you click on then?
- very helpful. thanks.
- I was looking for help with health insurance. My husband and I are in our 50's and need physicals.
- This program is extremely easy and helpful in obtaining information on current programs and potential eligibility! Thank you for making it quick and easy to find out if our family is eligible for programs!
- THE APPLICATION WAS EASY TO UNDERSTAND AND COMPLETE. THANKS!
- This wedsite is very good with much information I would not change anything.
- In my opinion, I feel that it's ridiculous that hardworking people hardly over the poverty limits are rejected for state funded health care. I pay these taxes every year yet am unable to benefit from them, I have to pay my way through college working several jobs at the same time. Migrant workers are cared for better than native citizens of this state.
- I been try to get hold of my case worker and about the caretaker supplement check
- The questionnaire did not have in questions in regards to if you share custody of a child.
- great, helpful site.
- I have difficlutly paying for a medical bill because I am a full time, out of state college student living in Wisconsin. However this process in no way, shape or form addresses college students like myself. There needs to be a way in which this process can address more people and not be so selective.
- very helpful. easy to use.
