## AIE Comments from the Month of September

- I can not get Insurance at work because I did not get when I started. That is the only time you can get Insurance. To get Insurance elsewhere it is too much money. Income for availability should go up. Thanks for nothing!
- I WAS GETTING FOOD STAMPS PREVIOUSLY BUT I HAD AN INCREASE IN MY INCOME FOR A SHORT TIME AND MY BENEFITS GOT DROPPED. WHEN MY INCOME DECREASED I PUT IN MY CHANGES IMMEDIATELY, AS I ALWAYS DO, BUT I DIDNT SEE ANY CHANGE IN MY FOOD STAMP STATUS. I WAS NEVER TOLD THAT I HAD TO REAPPLY IF I HAD A LAPSE IN BENEFITS. I AM VERY DISCOURAGED AT THE LACK OF COMMUNICATION AND THE LENGTH OF TIME IT TAKES FOR MY WORKER TO RESPOND TO MY CHANGES. I ALWAYS WAIT WAY PAST THE TEN DAYS TO GIVE MY WORKER AMPLE TIME TO RESPOND AS I UNDERSTAND THEY ARE BUSY, HOWEVER WHEN I CALL OR EMAIL HER ABOUT HER LACK OF COMMUNICATION, SHE CLAIMS SHE NEEDS MORE PAPER WORK. I THOUGHT THAT A REQUEST WAS SUPPOSED TO COME IN THE MAIL? I NORMALLY DONT COMPLAIN, BUT I AM IN FINANCIAL STRAIN AND MY HUSBAND AND I ARE ON THE VERGE OF LOSING OUR HOME. WE COULD DEFINATELY USE ANY HELP WE CAN GET. WE ARE DOING OUR BEST TO GET OUT OF OUR BIND HOWEVER MY HUSBAND IS WORKING VERY FEW HOURS AND THINGS ARE TOUGH!!
- Website is very easy to use. I wish that you could post what the new limits for various programs will be when they will be changed. Thank you for your help.
- It was very easy to use-Thank You!
- excellent web site for easy to find help., this was very helpful in finding very needed resources for low income help, without wasting time applying for services you are not eligable for.I think it also helps keep down costs and wasted time for, the administrators of these programs thank you.
- The site wasn't very helpful. Too many questions left hanging. The survey mostly focused on my 86 year old mother, and barely seemed interested in me. It didn't even bother to ask me if I had any savings (not much) and indicates that just because I had "access" to health insurance at a job (couldn't afford the premiums, so didn't take it), I may not be eligible to get any other health insurance.
- Very disappointed in this site. Not enough insight given into things. I know that in many cases, if you have too high combined income and savings, you can't get anything. I know that from a few years ago when we went for heating help, and under the guidelines, just missed out. However, because Gov. Doyle had implemented a supplemental plan, we were able to qualify.
- We're some of those "falling through the cracks" people. We know there is little out there for us and will continue to freeze in winter, and wonder where the help is for us in all aspects, food and everything else.
- Great help...very easy to understand and fill out info. Thanks
- I think the Wisconsin site is very user friendly. The statements are clear and give adequate time to edit or completely remove an answer. The summary of what we said at the end of each section is a perfect idea. It helped me realize "Oh ! I should have answered that in a different way"

## AIE Comments from the Month of September (Continued)

- In years past the system was so quick and we had agent contact much sooner & easier.
- Considering how swamped every agency is, the system is "AMAZING". I have told several people that they should realize how lucky we really are. The system works perfectly, if you give correct answers and do not wait to long to follow through. The State of Wisconsin has the entire process really "down pat". Thank you all so much
- You ask about Health Insurance but not how it is paid for. Because I am High Risk - I pay out of pocket \$1419.00 per quarter. It is not offered through my job. Plus co-pays for drugs and high deductible so I cannot afford to go to the doctor. That should be taken into consideration.
- This is an awesome website. It's written for a layperson to understand and easy to follow. Thanks to whomever created it!
- I thought the program was very easy to use. However, the first time I looked at it, I thought that by completing the questions, I was actually apply even though I was just completing it out of curiosity to see if I was eligible for anything.
- I have a college friend who is no longer eligible for Badgercare because she turned 19. I think it would be good to have a link available to the new Badgercare plus program for young adults who do not have children that I heard about on your Badgercare 1-800 number.
- I am unemployed waiting on a decision from unemployment. Why would sharon qualify for health and not me?
- The application does not ask certain questions. For instance, we are applying for badgercare plus for my son who is 31 and bi-polar with no insurance. He is living with me (his mother) as he has no means to support himself on the amount of money he earns. He is also on medication for his disease and needs dental work as well. I work as a childcare provider and make only enough money to support myself and take care of the bills I have at present. I also have a dependent daughter who goes to college (but does not live here at home now). I "assumed" this application was based on HIS income and not mine as he cannot be on my insurance and my income should not have to reflect his need for medication and medical needs! How are we to answer these questions? We do not combine our income simply because he is living here with me and unable to afford a place of his own. He is my SON not a spouse!! If anyone truly answers these comments I can be reached at xxxxxxxx.
- This site is very informative. Thanks!
- why does this application for Badgercare Plus differ from the other onlin applications?
- This system of fact finding, fact assessment, and information sharing is terrific! It is programs like this that need to be brought to the attention of the general public, so as to reduce overall costs to the taxpayers.
- Thank You
- This was extremely helpful in planning my future. Thanks!

## AIE Comments from the Month of September (Continued)

- I'm not real sure how this site figures hourly wages. I put my wages at \$14.75/hour @ 32 hours/week. 32 hours times 4 weeks in a month is NOT the \$2,029.60 the website calculates it as. I figured it as \$14.75/week = \$472/week gross(this is NOT what I bring home). \$472/week gross times 4 weeks = \$1,888/ 4 weeks/month.
- NO I DONT APPLY FOR THIS PROGRAM. MY NAME IS PHOUKHONG I NEED TO RENEW FORWARD HEALTH. HOW CAN I RENEW THEM. I HAVE DOCTOR APPOINTMENT ON MONDAY SEPTEMBER 21, 2009. PLEASE HELP ME HOW CAN I RENEW MY FORWARD HEALTH. PLEASE ME KNOW HOW .
- I like to know how you can cut an elderly from 35 dollars a month down to 19.00 a month when she only gets ssi for an income..and how do you figure she is making over 2000.00 a month she only gets 1069.00 a month.
- I am so impressed with this service. I just entered in all my family's information and it was easy, clear and quick. Thank you so much; I will follow up with some service opportunities.
- I just finished researching this program. I understand that it must be broad-based in order to serve all people in need who have varying circumstances. However, I was surprised that I was ineligible for free or low-cost health care due to my being age 64. I understand that I cannot receive Medicare yet due to my being younger than age 65 and had been insured previously this year through my employment and health insurance. However, I lost my job through outsourcing the position to India and, therefore, lost my insurance eligibility at the same time. Being unemployed, I was unable to afford the COBRA payment. My immediate problem is that I am insulin-dependent diabetic and am also a lupus patient. So, being denied health care and prescription coverage is a dangerous situation in which to be. It would be better (at least for me) to have a few questions about current health conditions which make a difference in such cases. Thank you.
- no questions were asked about anyone's medical expenses except over age 65. what about taking into consideration those of us(age 53) without a job for a year, and paying out of pocket for health insurance that has thousands of dollars of deductibles and pays for no prescriptions or dr visits?
- I like using this tool. It is helpful because I am considering relocating from TN to WI. I am able to get a view of what my family could qualify for.
- I am in need of emergence dental care. Where can I get some help. Please contact me at xxxxxxxxxx. I am also in need of more dental care. Patty
- Very good, thank you
- It's amazing how the more you pay in taxes, the less benefits you have to show for it.
- I thought this website is one of the easiest and most informational I have used to date. Thank You
- This website was very helpful. Thank You! I still have some questions and will call, unless someone can call me. (xxx) xxx-xxxx
- I am off of work due to short-term disability since 8/3/09 and this ends on 9/28/09. My checks vary from week to week and end on 9/28/09. I am in the process of applying for long-term disability through work. If this is approved, it would not start until day 91 which is November 1, 2009. If I don't go back to work, I will lose my position and the only way I can get insurance is through COBRA which I can't afford. For the month of October, I will have no income. I was not able to print that anywhere on your form. I have applied for SSI disability, but understand that this can take some time.

## AIE Comments from the Month of September (Continued)

- Very helpful and easy to use!
- It looks like a good idea that you have, but you did not take into account as for real expenses in life, just because a gross income is stated, you did not require amounts to come out for food, the heating bill, insurance costs, school loans or car payments, so it would be a real good idea to enable a few more screens and show what people on limited budgets pay for a few real expenses. Gross income does not state the whole picture, as I lost my 30+ year job 2 years ago and I went from \$3200 a month to \$0 a month, I was not eligible for unemployment as my employer refused to pay it, so now I get \$330 a week from unemployment, quite a drop, we sold our house and condensed into a 1 bedroom condo from 3 bedroom ranch, so I believe that you need to what peoples real life expenses are, I cannot find work, have to pay almost \$300 a month for insurance, because the govt. has been kind enough to help us get "low cost" health insurance which disappears ,that we will hget to drop after December
- Easy to use and painless. Answered a lot of my questions
- I really like the option to see what or if you qualify for any benefits however, I was especially looking to see if I was also eligible for daycare subsidy, or did I miss something?
- thank you
- I think it is ridiculous that the government wants you to NOT work to get any type assistance. For people such as myself, who wants to make a living is denied for any type of help. And they call our system good.
- When the family income is mentioned in the health care section, it should specify if this is monthly.
- This process was incredibly easy to use and helpful with understanding my eligibility for assistance at this difficult time in my life. Thank you for making the determination process easy and quick!
- I just want to say thank you for being able to get an idea of what benefits I may qualify and the cost. I know older people have a hard time with the computer, but this was nice so I didn't have to run over to Juneau or wait for paperwork in the mail.
