

BadgerCare Plus Transitional Childless Adults Statistics
1/14/09

Below are the statistics for the number of persons successfully transitioned from Milwaukee County GAMP and other counties General Assistance Programs. There may be additional people added during the month of January pending resolution of inquiries we've received from members about their eligibility. We will issue an updated count if the numbers below change.

The numbers were compiled by Kevin Clough of the Bureau of Enrollment Management and Deloitte staff.

Also about 55 of the people below will be terminated from TCLA effective February 1, 2009 because they are eligible for Medicaid, BadgerCare Plus or Medicare. Each month, CARES will check eligibility of TCLA members and will terminate the TCLA eligibility of persons who become eligible for Medicaid, BadgerCare Plus, or Medicare.
