The IMM has been reorganized. The PDFs from the old paper IMM in chapter 5 have either been eliminated or incorporated elsewhere within the manual.

Information that was program specific and was already in policy handbooks (FoodShare, Medicaid Eligibility, BadgerCare Plus, W-2, or Child Care) was deleted from the IMM.

Some information that used to be in the paper version of the IMM has been placed on various DHS websites over the years. Instead of moving or duplicating the information, links to the websites were added to the IMM.

References to DHFS were changed to DHS.

Links to DHS forms and publications were updated to the new naming convention and links.
