

FORWARDHEALTH PRIOR AUTHORIZATION / PREFERRED DRUG LIST (PA/PDL) FOR MIGRAINE AGENTS COMPLETION INSTRUCTIONS

ForwardHealth requires certain information to enable the programs to authorize and pay for medical services provided to eligible members.

Members of ForwardHealth are required to give providers full, correct, and truthful information for the submission of correct and complete claims for reimbursement. This information should include, but is not limited to, information concerning enrollment status, accurate name, address, and member identification number (DHS 104.02[4], Wis. Admin. Code).

Stats., personally identifiable information about program applicants and members is confidential and is used for purposes directly related to ForwardHealth administration such as determining eligibility of the applicant, processing prior authorization (PA) requests, or processing provider claims for reimbursement. Failure to supply the information requested by the form may result in denial of PA or payment for the services.

The use of this form is mandatory when requesting PA for certain drugs. Refer to the Pharmacy page of the ForwardHealth Online Handbook for service restrictions and additional documentation requirements. Provide enough information for ForwardHealth medical consultants to make a determination about the request.
