

**Healthiest Wisconsin 2020
Strategic Leadership Team Meeting
August 21, 2009**

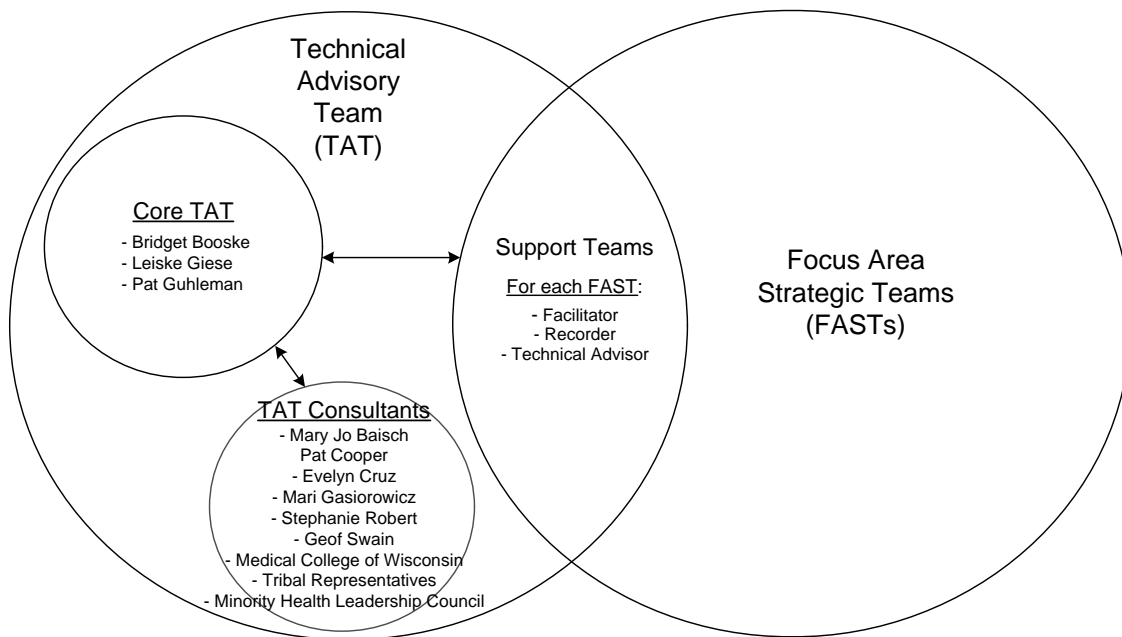

Charges and Expectations

Charge: Focus Area Strategic Team (FAST)

The charge to each Focus Area Strategic Team is to identify two objectives that reflect the most important policy change, system alignment, or program action to be achieved by 2020 that will improve health across the lifespan and achieve health equity.

Charge: HW2020 Support Team (ST)

The charge to the HW2020 Support Team is to provide technical and functional support to the Focus Area Strategic Team through infrastructure support, information management, and collaborative leadership. The Support Team will be engaged throughout the planning and implementation phases of HW2020.

**Expectations: Strategic Leadership Team Members who
Serve on Focus Area Strategic Teams**

As invested partners of HW2020, the Strategic Leadership Team will participate as experts, stand behind the objectives, provide a leadership voice of the Strategic Leadership Team, and champion HW2020.
