Meaningful Participation – The Next Steps with
Person Centered Planning
Teleconference

*Presented by Wendy Warren – DMHSAS, DeeAnne Petersen-Meyer,
and Joann Stephens*

Objectives:

- What is Person Centered Planning training for Consumers?
 - How can providers support the shift toward Person Centered Planning within the system and with the individuals they work with?
-
1. What do consumers need to know?
 2. Choosing Team Members and Choosing where and when to have meetings
 3. Exploring and planning for services; both formal and informal
 4. The Recovery Plan
 5. Quality Assurance
 6. Working through areas of disagreement
