

When Should You Contact OBVI?

OBVI staff help people with any level of vision loss. Having vision loss does not usually mean that you can't see anything. Some signs of vision loss include:

- Having trouble reading mail, the newspaper, books, or street signs.
- Straining to see the lines on your checkbook.
- Being unable to see the numbers on your phone or remote control.
- Faces or playing cards looking blurred.

Where Can You Learn More?

Local OBVI Offices are located across Wisconsin. OBVI serves all Wisconsin counties and tribes.
