

## **RFP #1684-DHCAA-SM**

### **Southeast Wisconsin Medicaid Managed Care Organizations**

#### **NOTICE REGARDING WRITTEN QUESTIONS AND ANSWERS**

**PLEASE NOTE:** The Department of Health Services will be posting answers to the pre- and post-vendor conference questions as completed up until the estimated posting date of December 4, 2009 noted on the RFP timeline. We anticipate two to three different postings for the questions and answers. This is being done to facilitate getting answers to Vendors as soon as they are available.

Each time a group of questions and answers is posted, an automated notice will be sent to the email addresses listed for vendors who are registered or subscribed to Vendornet in the commodity/service codes for this RFP. There will also be a posting at the DHS website: <http://dhs.wisconsin.gov/rfp/> It is the vendor's responsibility to make sure they periodically, and in a timely manner, check the Wisconsin Vendornet System webpage under RFP 1684-DHCAA-SM and the DHS website for the questions and answers and any other information/amendments/addendums that may be posted relating to this solicitation prior to the due date.

The deadline date of November 20, 2009 remains unchanged for DHS receipt of any post-conference written questions.
