

AMENDMENT I*

RFP 1684-DHCAA-SM Southeast Wisconsin Medicaid Managed Care Organizations

Change in Calendar of Events

November 18, 2009

Due to the large volume of questions and inquiries the Department has received related to the Southeast Wisconsin Medicaid Managed Care Organizations RFP, and to allow time for review of the initial posting of answers to those questions, the Department has extended both the deadline for submission of written questions and the deadline for submitting the Letter of Intent to Propose.

The following sections are therefore amended as follows:

1.3 Clarification and/or Revisions to the Specifications and Requirements

(third sentence in first paragraph):

Post-Vendor Conference questions must be submitted on or before close of business November 30, 2009.

1.5 Letter of Intent to Propose

Vendors intending to submit a Proposal under the auspices of this RFP must notify the Department of such intent via email no later than close of business on Wednesday, November 25, 2009. Such notice must be submitted via the email protocol described in Section 1.3.

Vendors submitting a Letter of Intent to Propose will receive a CD containing an encounter data extract.
