RE: 1684 DHCAA-SM, Southeast Wisconsin Medicaid Managed Care Organizations

Dear Mr. Scasny:

The Department of Health Services intends to pursue BadgerCare Plus managed care contracts with Abri Health Plan Inc., Children's Community Health Plan, CompCare Health Services Insurance Corporation dba CommunityConnect, and UnitedHealthcare. These contracts will allow for the provision of health care services to members enrolled in BadgerCare Plus Standard and Benchmark plans in Kenosha, Milwaukee, Ozaukee, Racine, Washington, and Waukesha counties.

If you would like to request a summary of the proposal scoring information, you may contact me at susan.mckercher@dhs.wi.gov or by telephone, (608) 267-7637.

This letter is the notice of intent to contract and does not constitute a contractual commitment. No expenditures may be incurred or authorized under this notice of intent until a contract is mutually agreed upon and signed by all parties.

Award of contracts will be contingent upon successful completion of the HMO certification process and negotiation of the final contract provisions. A representative from the Division of Health Care Access and Accountability will be in contact with the prospective awardees soon to discuss the next steps regarding this process.

Sincerely,

A handwritten signature in cursive script that reads "Susan McKercher".
