Division Administrator

RE: Contract Supplement to the 2011 State/County Contract  
Title: Carryover of 2010 Community Aids Program Contract

The final year end reconciliation of the 2010 State and County Contract Covering Social Services and Community Programs has been completed. As a result, the Department has determined the amount of Community Aids Carryover those eligible counties have available for CY 2011. Therefore, the 2011 State and County Contract funding levels are increased as stated in the Schedule titled "Community Aids 3% Carry Over" for the counties listed. Adjustments will be made to the Community Aids Reporting System (CARS) based on this amendment.
