[Numbered memos, the Financial Management and the Allowable Cost Policy Manuals can be viewed on the Department's Internet web site at <http://dhs.wisconsin.gov>] If the Department proposes a change to the requirements after January 1, 2012, in the functions performed and services provided or purchased by the county which is not the result of implementation of State and Federal Statutes, Rules and Regulations, court orders or settlement agreements arising from litigation, the county, using a single statewide point of contact, will have thirty (30) days to comment on the fiscal impact of the change to the Department before the requirement takes effect. The single statewide point of contact may request an extension of the comment period of up to 15 days. The Department shall consider the fiscal impact on the county before implementing the change in requirements. It is not the Department's intent to unilaterally impose any new and previously unbudgeted programs on the county.

If the County is of the opinion that any directive of the Department conflicts with a mandate contained in a federal statute or regulation, the County shall nevertheless follow the directive of the Department. The County shall be held harmless from claims alleging a conflict between any departmental directive and a mandate contained in a federal statute or regulation to the extent that the County has followed the department directive alleged to be in conflict with the mandate.

- 2.02 (1) Except as provided in state and federal statutes, the county shall perform the functions and provide the services within the limits of state and county appropriations and county appropriations used to match state and federal funds.
- (2) Nothing in this contract shall be construed to require the expenditure of County funds, except as specifically provided herein and authorized by the County board.

The law requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age 18. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.
- 2.06 The County agrees to comply with the federal regulations implementing the Health Insurance Portability and Accountability Act of 1996 (HIPAA) to the extent those regulations apply to the services the County provides or purchases with funds provided under this contract.

Certain programs included in this agreement are defined as "Health Plans" within HIPAA rules. As such the Department must comply with all provisions of the law and has deemed that

Counties are "Business Associates" within the context of the law. As a result, the Department requires Counties to sign and return with this contract the Business Associate Agreement included at sec 12.04 of this contract.

3.01 Subject to the terms and conditions set forth in this contract, the Department shall reimburse the County for the functions it performs and services it provides or purchases as set forth in Articles 2 and 9. In addition, any funding restrictions in the appendices apply.

A final cash adjustment will be done after reconciliation of the Contract amounts to actual final reported expenses.

3.05 The Department may increase or decrease or delay the monthly payment under one of the following conditions. No state audit adjustment for failure to meet the requirements of Article 2, Section 2.01 shall be imposed for 60 days after the date the County receives written notice of the requirement. The 60 day hold-harmless period is not required if (a) the state has been assessed a federal fiscal penalty because federal law and regulations or court order mandated the requirement and held the State to a more restrictive time period, or (b) the requirement is the result of state law and administrative or court order that imposes a more restrictive time period and the imposition of a state fiscal penalty.
