

SPF-SIG Capacity: Thumbnails of Power Point Slides

Slide 1

Capacity- Why is it important?

To "build capacity" means to increase the resources, people, partnerships, coalitions, and skills that are essential to the successful implementation of prevention plans.

Slide 2

Wisconsin SPF SIG: Capacity

Topics
Identifying and Recruiting Coalition Members
Coalition Infrastructure
Sustainability
Community Readiness
Coalition Readiness

Slide 3

Wisconsin SPF SIG: Capacity

Identifying and Recruiting Coalition Members
 Community Mapping
 Recruitment Ideas

Slide 4

Wisconsin SPF SIG: Capacity

Community Mapping
 Why want each sector?
 What does each offer?
 Articulate this to the sectors-
 What are your talking points for each?

Slide 5

Wisconsin SPF SIG: Capacity

Recruitment Ideas
Member Packets
Coalition Interest Survey

Slide 6

Wisconsin SPF SIG: Capacity

Identify tools that may be of interest to your coalition:

- Have you done community mapping? When?
- Do you have Member Packets?
- Do you utilize Coalition Interest Surveys?

Slide 7

Wisconsin SPF SIG: Capacity

Coalition Infrastructure
 Organizational Chart
 By-laws and Guiding Principles
 Levels of Commitment: Individual & Organizations

 Committees: Types of Committees and Roles/Responsibilities

Slide 8

Wisconsin SPF SIG: Capacity

Sustainability
 Develop a Plan for Sustainability
 Leadership
 Develop a Vision Statement
 Develop a Mission Statement
 Cultural Competence

Slide 9

Wisconsin SPF SIG: Capacity

**Vision Statements:
The Dream**

9

Slide 10

Dare To Dream!

Two years from now, your coalition makes
the front headlines in the local newspaper.
What does the headline say?
What great achievement has your coalition
made that makes front page news?
*What steps would it take for
your coalition to get there?*
