

# Wisconsin Well Woman Program Reporting Instructions for Ductograms and Galactograms

## How to report the results of a mammary ductogram or galactogram

**CPT Code 77053:** Mammary ductogram or galactogram, single duct

1. **Report** CPT Code 77053 on the Breast Cancer Diagnostic and Follow-Up Report (DRF) F-44724.
  - a. The result of a mammary ductogram or galactogram is to be reported by entering the result in space number 33.
  - b. Numbers 34-39 on the remainder of the form are to be completed based on the results of the procedure.
  - c. Submit the DRF to ForwardHealth the same way all other DRFs are submitted, either electronically through the portal or via U.S. mail.
  - d. Abnormal results must be communicated to the coordinating agency by sending a copy of the completed reporting form (DRF) as directed in the WWWP Policy and Procedures Manual, Chapter 1, under Provider Responsibilities for Reporting.

**Note:** Fax a copy of the Breast Cancer Diagnostic and Follow-up Report (DRF) F-44724 and a copy of the **radiology report** of the procedure to:

Nichole Peplinski BSN, RN  
WWWP Case Management Coordinator  
Fax: 608-261-6859

### 2. **Claim Payment**

- a. Submit the claim to Gainwell Technologies/ForwardHealth using the same process used for all other WWWP breast diagnostic procedures.
