Dear Mr. Queensland and Mr. Blazel:

I am pleased to submit to the Legislature information regarding Environmental Impact Statements in accordance with Wis. Stat. § 1.11(2)(j). The Department of Health Services reports that no Environmental Impact Statements and two Environmental Assessments were conducted during the reporting period of July 1, 2022 through June 30, 2023. An Environmental Assessment was conducted for the Sandridge Secure Treatment Center Skilled Care Unit Remodeling Project. An Environmental Assessment was also conducted for the Winnebago Mental Health Institute Sherman Hall Patient Admissions Area Project. It was determined that these projects will not have a significant negative effect on the environment.

Sincerely,
