Dear Mr. Renk and Mr. Fuller:

I am pleased to submit to the Legislators the 2019 report required by Wisconsin Stat. §55.14(12). The report pertains to any orders for the involuntary administration of psychotropic medications to individuals who are receiving protective services. Counties and their contract agencies are required to submit copies of these orders to the Department. Sections 55.14(3) and (8) establish criteria for issuance of court orders for these medications.

Last year only one county, Dane, provided a copy of a protective placement order for psychotropic medications.

Sincerely,
