Dear Mr. Queensland and Mr. Blazel:

I am pleased to submit this report regarding any orders for the involuntary administration of psychotropic medications to individuals who are receiving protective services, as required by Wisconsin Stat. § 55.14(12). Counties and their contract agencies are required to submit copies of these orders to the Department of Health Services. Sections 55.14(3) and (8) establish criteria for issuance of court orders for these medications.

No counties provided copies of protective placement orders for psychotropic medications last year.

Sincerely,

A handwritten signature in black ink, appearing to read "Karen E. Timberlake".
