

# Inter-County Placement Agreement Addendum

This agreement is drafted as an addendum to our mutual contract to assure clarity of fiscal obligation for care services provided to individuals placed by Purchaser at the Kitty Rhoades Dementia Care Facility. “Kitty Rhoades Memorial Memory Care Center, providing Dementia Care” includes all facilities under control of the St. Croix Health Center administration including, but not limited to, the skilled nursing facility, community-based residential facilities, dementia crisis stabilization unit, and the rehabilitation facility.

Purchaser agrees to accept the financial responsibility for individuals it places at the Kitty Rhoades Dementia Care Facility, as per contract, including any costs incurred by St. Croix County as a result of any emergency protective placement that may be necessary pursuant to chapter 55 of the Wisconsin Statutes. Notwithstanding sec. 51.42(1)(b), Wis. Stats., this provision specifically redirects county liability for emergency services to the placing county.

In the event that any protective placement order under chapter 55 of Wisconsin Statutes expires or otherwise terminates, and the individual continues to reside or remain in St. Croix County following such expiration/termination, Purchaser agrees to pay for any care, treatment, and/or services needed by the subject, including any emergency detention or placement, for a period of one hundred eighty (180) days following the date the protective placement order expires/terminates or following the date when the individual leaves the St. Croix health Campus, whichever is later.

Once an individual’s protective placement order expires or terminates, Purchaser agrees to make reasonable and good faith efforts to assist such individual in returning to Purchaser’s County or assist such individual to obtain housing in Purchaser’s County. Such individual maintains the freedom to choose to reside where they wish, however, Purchaser’s County shall not assist such individual in obtaining housing in St. Croix County, unless St. Croix County and Purchaser mutually agree that such assistance would be appropriate.

This addendum is noted as agreed to via the signatures hereinafter.
