Important Update About Your Child's BadgerCare Plus

This letter is to provide information only. You do not need to do anything in response to this letter.

Because of temporary federal policy put into place because of COVID-19, BadgerCare Plus members have not been charged monthly premiums since 2020. The federal government has ended that temporary policy and you may be charged a premium for your child's BadgerCare Plus benefits after your next health care renewal.

If you are unable to pay this premium, your child will stay enrolled in BadgerCare Plus for a 12-month period until their next renewal.

Your next planned BadgerCare Plus renewal is Month Year. You will get a separate letter with instructions on how to complete this renewal. After your renewal has been processed, if you have a premium for your child's BadgerCare Plus benefits, you will get an "About Your Benefits" letter that tells you how much it is. You will also get a statement that tells you the premium amount, when it is due, and how you can pay.

A premium is a set amount of money we charge each month for your child's BadgerCare Plus benefits. Monthly premiums for children are based on household size and income. If you are unable to pay this premium, your child will stay enrolled in BadgerCare Plus for a 12-month period until their next renewal.

If you would like more information about your health care benefits, you can view the ForwardHealth Enrollment and Benefits Handbook at www.dhs.wi.gov/library/collection/p-00079.

If you have questions about this letter, please call your agency. You can find your agency's phone number at the top of this letter or at www.dhs.wisconsin.gov/forwardhealth/imagency. Call volumes may be high at this time which could lead to longer than usual wait times. We appreciate your patience.
