## **Your Health Care Benefits Are On Hold**

As of MM/DD/YYYY, your BadgerCare Plus benefits have been put on hold because you are in jail or prison.

While you are in jail or prison, BadgerCare Plus will only cover your health care services when you are not in jail or prison for 24 hours or more, such as if you are admitted to a hospital as an inpatient. If you need health care services while you are in jail or prison, you will need to follow the jail's or prison's process for getting health care services.

To keep your BadgerCare Plus benefits while you are in jail or prison, you still need to complete your annual renewal.

When you are released from jail or prison, make sure you report this to your agency so that BadgerCare Plus will cover your health care services again, if you meet the requirements. You may be asked for information about any other changes to your situation.

If you have questions about your BadgerCare Plus benefits being on hold during your time in jail or prison, call your agency at 1-987-654-3210.
