DHS does not allow AI software (example: read.ai) or other transcription features to be used in DHS-originated virtual meetings.

The purpose of this meeting is to conduct the governmental business outlined in the above agenda. The CCF Advisory Committee is established by [state statute](#) to support the development of a comprehensive service system of coordinated care for children who are involved in 2 or more systems of care.

Information about the CCF Advisory Committee may be found at:
