

PERSONAL MAIL

THE LAW

Each patient shall... "Have the rights specified under subd. 1. to **send sealed mail** and **receive sealed mail**, subject to the limitations specified under subd. 2.

1. ...to...have **reasonable access to letter writing materials** including **postage stamps**.
A patient shall also have a right to **send sealed mail** and **receive sealed mail** to or from **other persons**, subject to **physical examination** in the **patient's presence** if there is **reason to believe** that such communication contains **contraband materials** or **objects** which **threaten** the **security** of patients, prisoners or staff. Such **reasons** shall be **written** in the individual's treatment record. The officers and staff of a facility **may not read any mail** covered by this paragraph.
2. The rights of patients detained or committed under **ch. 980** to send and receive sealed mail are subject to the following limitations..."
§ 51.61(1)(cm), Wis. Stats. [Emphasis added.]

"(1) Each **inpatient** shall be allowed to **send and receive sealed mail** in accordance with s. 51.61(1)(cm), Stats., and this section.

(2) Any **inpatient** who has been determined **indigent** under the facility's operating policies shall, upon request, be provided with **up to 2 stamped non-letterhead envelopes each week and with non-letterhead stationery and other letter-writing materials**.

(3) Mail shall be **delivered to inpatients promptly** by the facility's normal distribution procedures.

(4) **Upon request** of an inpatient or his or her guardian, mail shall be **opened by a facility staff member and read to him or her**. The initial request shall be **documented** in the treatment record."
DHS 94.19, Wis. Admin. Code [Emphasis added.]
