## You Will Be Getting Benefits on Your QUEST Card in Place of School Meals

You are getting this letter because you have a child or children who usually get free or reduced price meals through their school. Because schools are closed as a result of the COVID-19 pandemic, you will get benefits on your QUEST card in place of school meals. These benefits are also called Pandemic EBT or P-EBT.

The benefit amount for March and April together was \$176.70 for each child who gets free or reduced price school meals. We put these benefits on your QUEST card on April 27. The benefit amount for May and June together is \$148.20 for each child who gets free or reduced price school meals. We will put those benefits on your QUEST card at the end of May.

You must use the benefits within one year of their being put on your QUEST card. They will be automatically removed from your QUEST card after one year.

You can use these benefits to buy the same food you would with your FoodShare benefits. For more information on what you can buy, go to [www.dhs.wisconsin.gov/foodshare/fsspending.htm](http://www.dhs.wisconsin.gov/foodshare/fsspending.htm).

You can check the balance on your QUEST card at any time by going to [ebtedge.com](http://ebtedge.com) or using the ebtEDGE mobile app.
