

Testing Update

- All skilled nursing facilities have been partnered with a lab to begin state funded, routine bi-weekly testing
- If you have not been contacted by the state regarding partnership with a lab, please notify testing team at: WICOVIDTest@Wisconsin.gov
- Please register with your lab as soon as possible to begin testing
- Goal is to provide all CMS required testing by **mid-Oct**
- The state will contact you when your lab can support all CMS required testing
- State will provide guidance via email for return of unused Exact Science Kits
