## You Will Be Getting Food Benefits in Place of School Meals

You are getting this letter because you have a child or children who usually get free or reduced price meals through their school. Because schools are closed as a result of the COVID-19 pandemic, you will get food benefits in place of school meals. These benefits are also called Pandemic EBT or P-EBT. To see the food you can buy with these benefits, go to [www.dhs.wisconsin.gov/foodshare/fsspending.htm](http://www.dhs.wisconsin.gov/foodshare/fsspending.htm).

The benefit amount for March and April together is \$176.70 for each child who gets free or reduced price school meals. The benefit amount for May and June together is \$148.20 for each child who gets free or reduced price school meals.

You will get a P-EBT card in the mail. This is a white plastic card you can use like a debit card to buy food. You will have to activate the card when you get it. The March and April benefits will already be on the card. The May and June benefits will be put on the card at the end of May. You must use the benefits within one year of their being put on your P-EBT card. They will be automatically removed from your P-EBT card after one year.

You can check the balance on your card at any time by going to [ebtedge.com](http://ebtedge.com) or using the ebtEDGE mobile app.

If you do not want these benefits, you can cut the card up and securely dispose of it. Make sure you cut through the magnetic stripe on the card.
