The purpose of this meeting is to conduct the governmental business outlined in the agenda above. The minutes from this meeting will be presented for approval at the next CPD Emergency Preparedness Committee meeting.

About the CPD

The CPD was created by the Wisconsin Legislature, [WI State Statute 46.29](#), in 1989 and is administratively attached to the Wisconsin Department of Health Services (DHS). CPD works to improve the lives of people with physical disabilities in WI through public awareness, advice to agencies, and policy recommendations. We believe all people with physical disabilities should have the same choices and opportunities as everyone else in Wisconsin.
