Release Notes 1.10.0.0

Adult Functional Screen Employment Work Codes

In November 2009, certain changes were made to the content of the LTC-FS affecting the data collected around "Current Employment Status" and "If employed, where?" The objects in the LTCare Adult Functional Screen Datamart Universe have been fully updated to reflect these changes. The objects have been updated to reflect the current, actual content of the screen.

These were the changes in the LTC-FS application

Pre-November 2009	November 2009
A. Current Employment Status	A. Current Employment Status
1. Retired	1. Retired (does not include people under 65 who stopped working for health or disability reasons)
2. Not employed	2. Not working (no paid work)
3. Employed full time	3. Paid work averaging 30 or more hours per week
4. Employed part time	4. Paid work averaging fewer than 30 hours per week
B. If employed, where	B. If employed, where
1. Attends pre-vocational day activity/work activity program	1. Paid work where the environment and the work tasks are designed for people with disabilities (sheltered workshop)
2. Attends sheltered workshop	2. Paid work in other group situation for people with disabilities (e.g., work crew/enclave)
3. Has a paid job in the community	3. Paid work outside the home (situations other than those described in B1 and B2)
4. Works at home	4. Paid work at home

The "If Employed, Where" has been updated in the objects in the LTCare Adult Functional Screen Datamart Universe.

For screens submitted before November 17, 2009, these flags will be populated with data.
- "Workshop Employment Flag" (Y or N)
- "Vocational Employment Flag" (Y or N)
- "Home Employment Flag" (Y or N)
- "Community Employment Flag" (Y or N)

For screens submitted on or after November 17, 2009, these flags will be populated with data.
- "Workshop Employment Flag" (Y or N)
- "Work Crew Employment Flag" (Y or N)
- "Home Employment Flag" (Y or N)
- "Community Employment Flag" (Y or N)

NOTE:
The Vocational Employment flag is populated with screens before 11/17/2009 and is set to U (Unknown) after that date. The work crew employment flag is set to U (Unknown) before 11/17/2009, and is populated with data after 11/17/2009.
