Adult Functional Screen - Health Related Services Frequency Code Description Updated

The LTCare Adult Functional Screen Datamart Universe has been updated to include a new frequency code description object to 20 Adult Health Related Services areas. The new object combines the six frequency code description options into three categories - weekly or less, 2-6 times/week, and daily or more.

Functionality of the new objects:

As stated above, the Frequency Description Updated objects consolidate the six frequency code descriptions into three categories. The table below displays the frequency code and the previous description versus the updated description.

Frequency Code	Frequency Description	Frequency Description Updated
1	1-3/Month	Weekly or less
2	Weekly	Weekly or less
3	2-6/Week	2-6/Week
4	1-2/Day	Daily or more
5	3-4/Day	Daily or more
6	5+/Day	Daily or more
