### Rose Kleman Named Division Administrator

I am pleased to announce Rose Kleman has accepted the position as administrator of the Division of Care and Treatment Services (DCTS). Her appointment was effective March 17, 2019.

Kleman has been a public servant for 17 years. She worked at the Department of Corrections before joining DHS in 2015 as deputy administrator of the Division of Mental Health and Substance Abuse Services, which is now known as DCTS. In her time at DHS, she has provided valuable leadership on the operations of DCTS. She will continue to work with DCTS bureau, facility, and office directors to set the direction for the entire division.

Kleman holds a doctorate in psychology and a master's in public administration. Her clinical and administrative experience will help us achieve our shared vision for a healthy Wisconsin.

The recruitment for a new DCTS deputy administrator will begin soon.
