

# FS Clock - 2nd Saturday of Month

Step 1: For prior month, what is the Track Participation and Good Cause "Work Requirement Met?" response?

- If Yes, the System Status is set to 'Met FSET Requirement' for prior month.
- If No or Blank, the System Status will not be changed.

Step 2: Does a row already exist for the future month?

- If no, proceed to Step 3.
- If yes, no change or update is made to the future month.

Step 3: Is the System Status for the current month "Exempt", "Met Work Requirement" or "Ineligible"?

If yes, the System Status is carried forward to the future month. The case will not follow the Adverse Action Update flows.

If no, the System Status for the future month is set to "To Be Determined" and the case will be set to follow the Adverse Action Update flows.

## Adverse Action Update - Reasonably Anticipated to Participate

Is System Status "To Be Determined" for the future month and the current month is the 3rd TLB month, the 3rd Additional Month or any month after the 3rd Additional Month?

If yes, what is the FSET Tool's Track Participation and Good Cause "Anticipated to Meet Work Requirements?" response for the current month?

If no, the case will follow the Adverse Action Update - FS Clock flow.

If Yes, the System Status is set to "Active in FSET" for the current month and the case will follow the Adverse Action Update - FS Clock flow.

If No or Blank, the FS Clock is not changed and the case will follow the Adverse Action Update - FS Clock flow.

# Adverse Action Update - FS Clock

The System Status for the future month for all cases beginning the Adverse Action Update - FS Clock flow is "To Be Determined".

Step 1: Is the current month:

- the 3rd TLB Month, or
- the 3rd Additional Month, or
- a month after the 3rd Additional Month ?

If yes, proceed to step 2.

If no, the System Status for the future month will be updated as appropriate. The batch process will run eligibility and confirm FS benefits for the future month.

Step 2: If the current month is:

- the 3rd TLB Month, is the System Status "Active In FSET" for the current month?
- the 3rd Additional Month, is the System Status "Active in FSET" for the current month and "Met FSET Requirement" for the prior month?
- any month after the 3rd Additional Month is the System Status "Active in FSET" for the current month and "Met FSET Requirement" for the prior month?

If yes, the System Status for the future month will be updated as appropriate. The batch process will run eligibility and confirm FS benefits for the future month.

If no, the System Status for the future month will update to "Ineligible". The individual will be ineligible for future months FS benefits. A NOD will be sent.
