This letter contains information about the FoodShare Employment and Training (FSET) program. If you need this material in a different format because of a disability or if you need this letter translated or explained in your own language, please call the telephone number shown above. These services are free.

### You Are No Longer Getting Services through the FoodShare Employment and Training (FSET) Program

When?	Why?
As of >F cvg@	Incarcerated

You may get services through the FSET program again if you are able to get FoodShare benefits. Certain adults need to meet a work requirement to get FoodShare benefits. See your Enrollment and Benefits Handbook for more information.

If you have any questions, contact your FSET worker listed at the top of this page.

This institution is an equal opportunity provider.
