

# Tableau Login Process

---

This guide is for both internal and external users looking to login to the Tableau application:

Inside the guide:

- External users – page 2
- Internal users – page 3
- Resources – page 4

WISCONSIN DEPARTMENT  
*of* HEALTH SERVICES

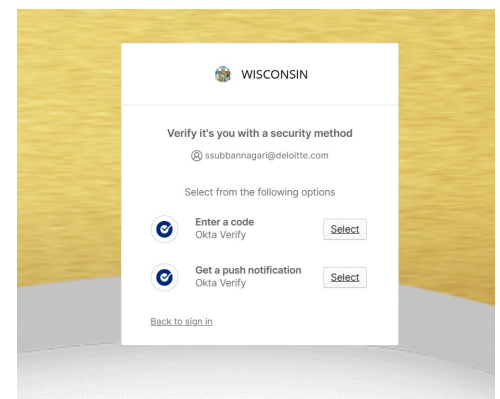

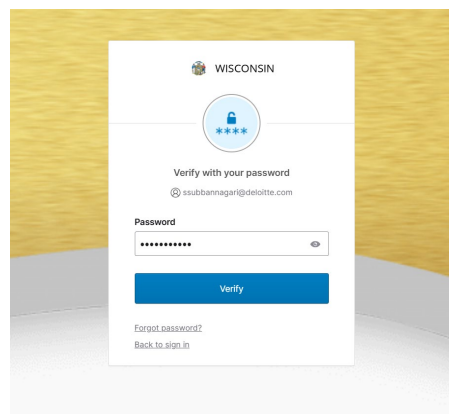

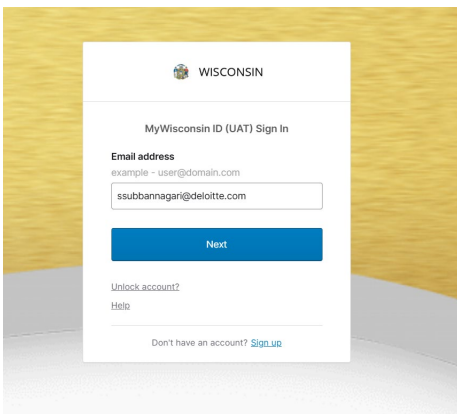

June | 2026

# Log In for External Users

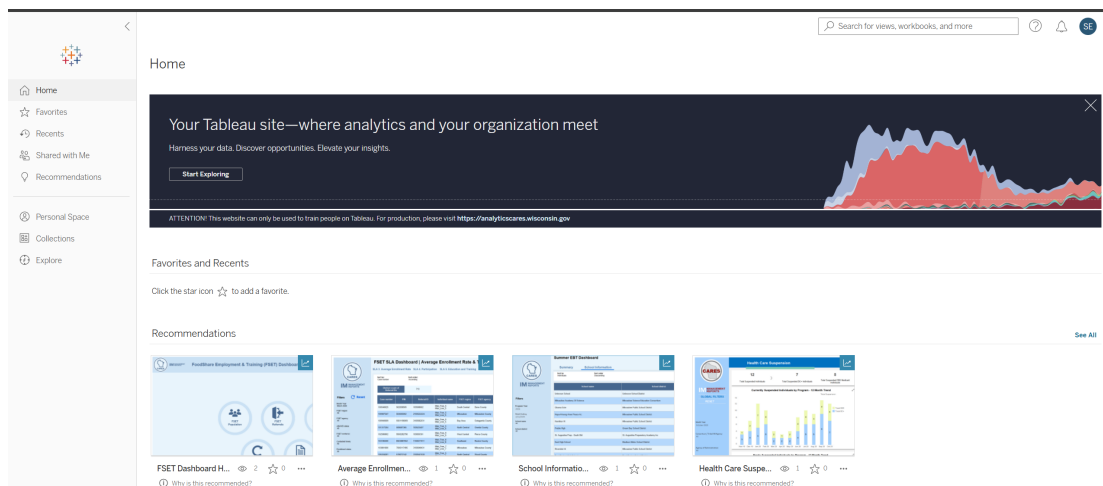

- 1 To access your application:
  1. Navigate to <https://analyticscare.wisconsin.gov/>
  2. Enter your username (which is the email you used to register for Tableau) and select "Sign In."

- 2
  1. You will be routed to the MyWisconsin ID log-in page. Re-enter your email address and select "Next."
  2. Enter your password and select "Verify."
  3. Select and confirm your MFA verification method.

- 3 Finally, you will be routed to the Tableau dashboard page.

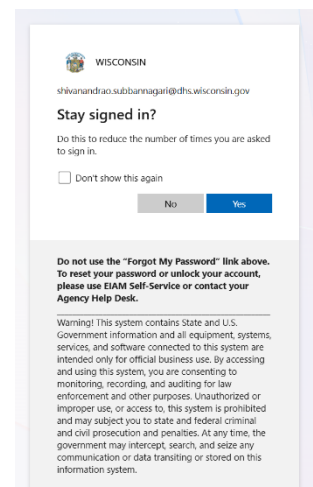

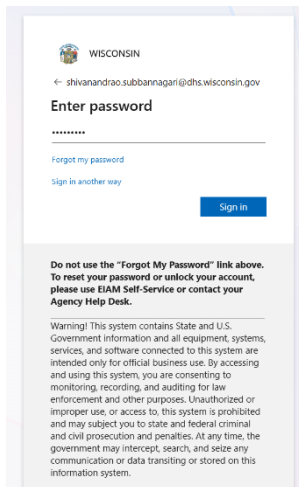

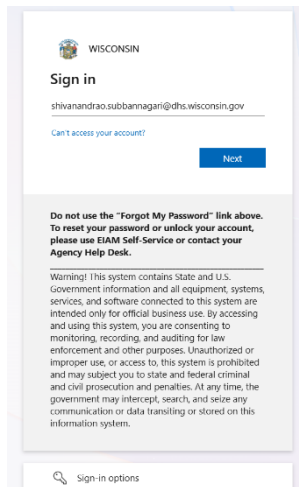

# Log In for Internal Users

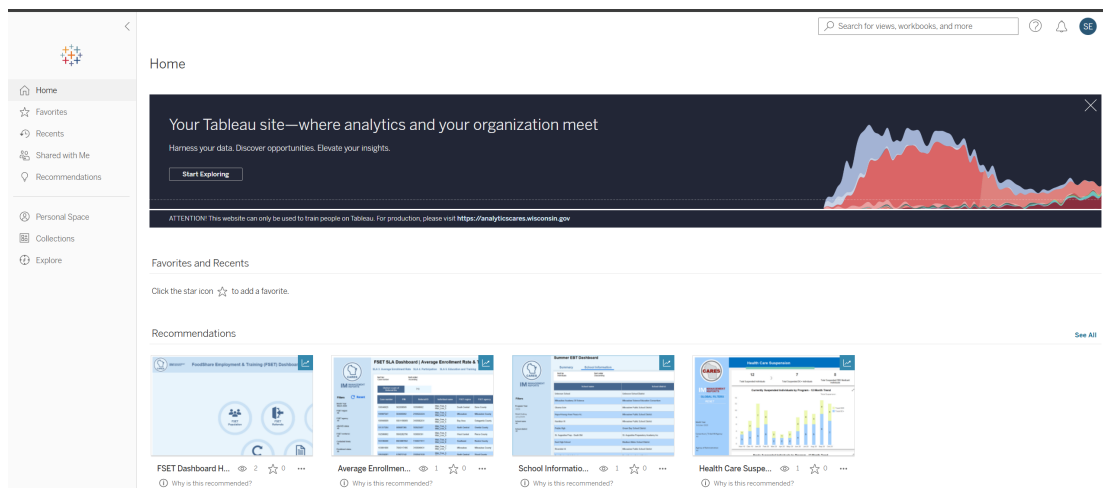

- 1 To access your application:
  1. Navigate to <https://analyticscare.wisconsin.gov/>
  2. Enter your username (which is the email you used to register for Tableau) and select "Sign In."

- 2
  1. You will be routed to the MS Entra ID log-in page. Re-enter your email address and select "Next."
  2. Enter your password and select "Sign In."
  3. Select and confirm your MFA verification method and select if you want to stay signed in.

- 3 Finally, you will be routed to the Tableau dashboard page.

# Resources

- For more information about MyWisconsin ID, visit [www.dhs.wisconsin.gov/dms/my-wi-id.htm](http://www.dhs.wisconsin.gov/dms/my-wi-id.htm)
- Call the MyWisconsin ID Account Service Desk at **608-471-6667** if you have any issues setting up your MyWisconsin ID and password.
- If you already have a MyWisconsin ID and are having issues logging into your application, please consult the [CARES Gateway help site](#). From here, find the specific application you are having trouble logging into and contact the relevant helpdesk.
