

**Authorization to Allocate Elder Benefit Specialist Funding  
to the Aging and Disability Resource Center**

This agreement authorizes the Wisconsin Department of Health Services to directly issue the following sources of elder benefit specialist (EBS) program funding to the Aging and Disability Resource Center (ADRC) of \_\_\_\_\_:

- Funding from the appropriation in [Wis. Stat. 20.435\(1\) \(dh\)](#) that is allocated to aging units according to [Wis. Stat. 46.81\(2\)](#) to support benefit specialist services for older individuals.
- Funding from the Office for Commissioner of Insurance to support counseling on state pharmaceutical assistance and Medicare Part D drug coverage options.

This arrangement is authorized in order to support claiming of federal Medicaid Administrative (MA) funds for eligible EBS activities at the ADRC.

I understand that this agreement applies to funding for activities conducted between January 1 and December 31, 2020.
