**SUBJECT: Wisconsin Uniform Patch Vendor**

The Wisconsin Division of Public Health, EMS Unit promotes a standard EMS uniform patch with a system of rockers to identify the licensure level of the wearer. Over the decades, the EMS Unit has worked with several vendors to sell and distribute these patches. We are pleased to announce that we have identified a new vendor supply the standard Wisconsin EMS patch. This vendor is Lark Uniform Outfitters, based in Milwaukee.

Lark Uniform Outfitters will have the standard patch and rockers that can be custom embroidered with your EMS license or certification number. Lark Uniform Outfitters can accept orders by phone, website, or in person at their retail outlet. They can be found on the web at: [www.larkuniform.com](http://www.larkuniform.com) or contacted by phone, toll free, at 1-800-879-5275. Their retail store is located at 3960 South Howell Avenue, Milwaukee. Their retail store hours are Monday through Friday, 8:30 AM to 5:00 PM, and Saturday 9:00 AM to 1:00 PM.

As Lark Uniform Outfitters is now the authorized source for the Wisconsin standard patch and rockers, please contact them directly with any questions regarding cost and availability of the patch.

The Wisconsin EMS Unit does not directly stock or distribute the Wisconsin EMS patch.
