Heat Awareness

The purpose of this memo is to share a recent press release issued by the Wisconsin Department of Military Affairs, Division of Emergency Management and information issued by the Wisconsin Department of Health Services identifying the dangers associated with extreme heat and humidity and ways to promote safety.

Attached is information identifying individuals who are at high risk for heat related illness and precautions that can reduce the effects of the extreme heat and humidity.

For more information on heat-related health concerns, contact your [Local Public Health Department](#).
