On-line Recertification Application Forms for Mental Health and Substance Abuse Providers

The purpose of this memo is to provide notice that a complete list of application forms for mental health and substance abuse providers is now available on the Division of Quality Assurance (DQA) website. All DQA forms are listed numerically by form number at: <http://www.dhs.wisconsin.gov/forms/DQAnum.asp>.

The DQA Bureau of Health Services, Behavioral Health Certification Section is in the process of updating applications for mental health and substance abuse treatment programs/services; therefore, future notices will be provided for updates.

Please refer to the attachment for a complete list of *recertification application forms*. We hope the bold headings will provide guidance for forms that must be submitted for onsite reviews or alternate year desk reviews in the recertification process.

If you have questions about these applications, feel free to contact the Behavioral Health Certification Section at (608) 261-0656.
