## Wisconsin EMS WARDS Training Courses

The Wisconsin EMS Section is happy to announce multiple opportunities to participate in the WARDS Training Course. The purpose of the course is to educate service directors and interested individuals on how to use WARDS database effectively. Successful completion of this course will provide four hours of continuing education.

The course will run for from 6:00 p.m. to 10:00 p.m., with registration starting at 5:30 p.m.

The courses dates and locations are as follows:

- |                      |  |                |
|----------------------|--|----------------|
| - September 2, 2015  | Gateway Technical College              | Burlington, WI |
| - September 10, 2015 | Fox Valley Technical College           | Appleton, WI   |
| - September 15, 2015 | Nicolet Technical College              | Rhineland, WI  |
| - September 21, 2015 | Wisconsin Indianhead Technical College | Rice Lake, WI  |
| - September 24, 2015 | Southwest Technical College            | Fennimore, WI  |

Pre-registration and specific location information will be disseminated as soon as the details are finalized.

In addition, updates to this information will be posted on the Wisconsin EMS home page:
