## WI EMS Service Director Courses

The Wisconsin EMS Section is happy to announce multiple opportunities to participate in the Wisconsin EMS Service Directors Training Course. This two-evening program has been developed with the assistance of the Wisconsin EMS Advisory Board. The purpose of the course is to educate service directors and interested individuals to provide a foundation of knowledge for operating a Wisconsin EMS service. Successful completion of this course will provide eight hours of continuing education.

The course will run both evenings from 6:00 PM to 10:00 PM with registration starting at 5:00 PM.

The courses dates and locations for 2015 are as follows:

April 29 & 30	Fox Valley Technical College	Appleton, WI
