

**Family Care, Family Care Partnership and PACE Enrollment Data  
Monthly snapshot as of August 1, 2014**

**SUMMARY**

The methodology used to sort members into target groups has changed as of this reporting period. This report includes any person with an intellectual or development disability in the I/DD target group, regardless of age. Any person with a physical disability is grouped in the physical disability (PD) category regardless of age. Any person age 65 or older, who is not in either the I/DD or PD category, falls into the frail elder (FE) category. In prior reports, any person age 65 or older was reported as a frail elder. In order to allow for comparison with earlier reports, a column was added to report members age
