PREAMBLE

Per Section 5006(d) of the American Recovery and Reinvestment Act of 2009 (ARRA) and 42 CFR 438.14(b)(4), eligible Indian Family Care enrollees may receive care management, specified in Article IV, through an Indian Health Care Provider (IHCP). The purpose of this agreement is to specify the operational and administrative requirements for the delivery of care management when an Indian enrollee chooses to receive care management from an IHCP.

This agreement, the DHS-MCO contract and the MCO’s Member Handbook define the philosophy and basic methods for the Family Care program. It is the Department’s expectation under this agreement that benefits will be fully integrated and will afford options that foster opportunities for interaction and integration into the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community while supporting each member’s individual outcomes and recognizing each member’s preferences. The Department further expects that each member will have the opportunity to make informed choices about where he or she will live, how he or she will make or maintain connections to the community and whether he or she will seek competitive employment.

This agreement describes the standards of operation the Department expects to be met by the MCO and Indian Health Care Provider (IHCP). The IHCP is a sovereign government, and shall not by virtue of this agreement be considered a subcontractor of the MCO, nor shall it be considered a participating provider of the MCO.

This agreement is entered into between the State of Wisconsin represented by, Department of Health Services, whose principal business address is One West Wilson Street, P.O. Box 309, Madison, Wisconsin, 53701-0309; <<Name of MCO>>, Managed Care Organization, hereafter MCO, whose principal business address is <<Insert address>>; and <<Name of Tribal nation>>, Indian Health Care Provider (IHCP), whose principal business address is <<Insert address>>.
I. Definitions

Refer to Addendum IV, Benefit Package Services Definitions, for service definitions.

1. **Abuse**: as defined by Wis. Stats. s. 46.90(1)(a), means any of the following:
   a) Physical abuse: intentional or reckless infliction of physical pain or injury, illness, or any impairment of physical condition.
   b) Emotional abuse: language or behavior that serves no legitimate purpose and is intended to be intimidating, humiliating, threatening, frightening, or otherwise harassing, and that does or reasonably could intimidate, humiliate, threaten, frighten, or otherwise harass the individual to whom the conduct or language is directed.
   c) Sexual abuse: a violation of criminal assault law, Wis. Stats. §§ 940.225 (1), (2), (3), or (3m).
   d) Treatment without consent: the administration of medication to an individual who has not provided informed consent, or the performance of psychosurgery, electroconvulsive therapy, or experimental research on an individual who has not provided informed consent, with the knowledge that no lawful authority exists for the administration or performance.
   e) Unreasonable confinement or restraint: the intentional and unreasonable confinement of an individual in a locked room, involuntary separation of an individual from his/her living area, use on an individual of physical restraining devices, or the provision of unnecessary or excessive medication to an individual, but does not include the use of these methods or devices in entities regulated by the department if the methods or devices are employed in conformance with state and federal standards governing confinement and restraint.

2. **Accepted Referral**: the point at which the IHCP has 1) verified the member’s Indian status, 2) confirmed its capacity to perform care management, 3) and accepted the care management responsibility for the member. Upon accepted referred, the IHCP shall immediately assume all care management responsibilities for the Indian member.

3. **Activities of Daily Living** or **ADLs**: bathing, dressing, eating, mobility, transferring from one surface to another such as bed to chair and using the toilet.

4. **Adult Protective Services** or **APS**: as defined by Wis. Stat. § 55.01(6r), includes any of the following: (a) outreach, (b) identification of individuals in need of services, (c) counseling and referral for services, (d) coordination of services for individuals, (e) tracking and follow-up, (f) social services, (g) case management, (h) legal counseling or referral, (i) guardianship referral, (j) diagnostic evaluation, and (k) any services that, when provided to an individual with developmental disabilities, degenerative brain disorder, serious and persistent mental illness, or other like incapacity, keep the individual safe from abuse, financial exploitation,
neglect, or self-neglect or prevent the individual from experiencing deterioration or from inflicting harm on himself or herself or another person.

5. **Advance Directive:** a written instruction, such as a living will or durable power of attorney for health care, recognized under Wisconsin law (whether statutory or recognized by the courts of Wisconsin) and relating to the provision of such care when the individual is incapacitated.

6. **Aging and Disability Resource Center (ADRC) or Aging Resource Center or Disability Resource Center or Resource Center:** an entity that meets the standards for operation and is under contract with the Wisconsin Department of Health Services to provide services under Wis. Stat. § 46.283(3), or, if under contract to provide a portion of the services specified under Wis. Stat. § 46.283(3), meets the standards for operation with respect to those services.

7. **Assets:** any interest in real or personal property that can be used for support and maintenance. “Assets” includes motor vehicles, cash on hand, amounts in checking and savings accounts, certificates of deposit, money market accounts, marketable securities, other financial instruments and cash value of life insurance.

8. **Assistance:** cueing, supervision or partial or complete hands-on assistance from another person.

9. **Auxiliary Aids and Services:** includes qualified interpreters, screen readers, note takers, telephone headset amplifiers, telecommunications devices, qualified readers, audio recordings, large print or Braille materials, or other effective methods of making materials available to individuals with hearing or visual impairments.

10. **Behavior Modifying Medication:** a psychotropic medication (i.e., prescription medication within the classification of antipsychotic, mood stabilizer, anti-anxiety, antidepressant, or stimulant and/or medication outside of these classifications utilizing off-label use as a means to regulate behaviors).

11. **Benefit:** the package of services provided by the MCO or IHCP under this agreement to which a member has access if, within the benefit, a specific service is identified as a service necessary to support long term care outcomes. The benefit packages that may be contracted for under this contract are:

   a) **The Family Care Benefit Package**
      i. The home and community-based waiver services defined in Addendum IV, A.
      ii. The Medicaid State Plan Services identified in Addendum IV, B.; and
      iii. Any cost-effective health care services the MCO substitutes for a Medicaid State Plan service.

12. **Business Day:** Monday through Friday, except for state holidays.
13. **Care Management** (also known as Case Management or Service Coordination): individualized assessment and care planning, authorizing, arranging and coordinating services in the member-centered plan (MCP) and periodic reassessments and updates of the MCP. Care management also includes assistance in filing grievances and appeals, maintaining eligibility, accessing community resources and obtaining advocacy services.

14. **Centers for Medicare and Medicaid Services** (CMS): the federal agency responsible for oversight and federal administration of Medicare and Medicaid programs.

15. **Client Rights**: see Member Rights in this section.

16. **Community Supports**: supports and services that are not authorized or paid for by the MCO and that are readily available to the general population.

17. **Complex Medication Regime**: the member takes eight (8) or more scheduled prescription medications for three (3) or more chronic conditions. Chronic conditions include, but are not limited to, dementia or other cognitive impairment (including intellectual and/or developmental disability), heart failure, diabetes, end-stage renal disease, dyslipidemia, respiratory disease, arthritis or other bone disease, and mental health disorders such as schizophrenia, bipolar disorder, depression or other chronic and disabling mental health conditions. Medication classes of particular concern are: anticoagulants, antimicrobials, bronchodilators, cardiac medications, central nervous system (CNS) medications, and hormones.

18. **Comprehensive Assessment**: an initial and ongoing part of the member-centered planning process employed by the interdisciplinary team (IDT) to identify the member’s outcomes and the services and supports needed to help support those outcomes. It includes an ongoing process of using the knowledge and expertise of the member and caregivers to collect information about:
   a) The member’s needs, strengths and outcomes;
   b) The member’s resources, natural supports and community connections through significant others, family members and friends;
   c) Any ongoing conditions of the member or other risk factors that require a course of treatment or regular care monitoring; and
   d) The member’s preferences for the way in which the services and supports identified in the member-centered planning process will be delivered or coordinated by IDT staff.

19. **Confidential Information**: all tangible and intangible information and materials accessed or disclosed in connection with this agreement, transferred or maintained in any form or medium (and without regard to whether the information is owned by the Department or by a third party), that consist of:
   a) Personally Identifiable Information;
b) Individually Identifiable Health Information;

c) Non-public information related to the Department's employees, customers, technology (including databases, data processing, and communications networking systems), schematics, specifications, and all information or materials derived therefrom or based thereon; and

d) Information designated as confidential in writing by the Department.

20. **Conflict of Interest**: a situation where a person or entity other than the member is involved in planning or delivery of services to the member, and has an interest in, or the potential to benefit from, a particular decision, outcome or expenditure.

21. **Cost Share**: the contribution toward the cost of services required under 42 C.F.R. § 435.726 as a condition of eligibility for Medicaid for some members who do not otherwise meet Medicaid categorical or medically needy income limits. Also referred to as Post-Eligibility Treatment of Income.

22. **County Agency**: a county department of aging, social services or human services, an aging and disability resource center, a Long-Term Care District or a tribal agency that has been designated by the Department of Health Services to determine financial eligibility and cost sharing requirements.

23. **Crime**: conduct which is prohibited by state or federal law and punishable by fine or imprisonment or both. Conduct punishable only by forfeiture is not a crime.

24. **Days**: calendar days unless otherwise noted.

25. **Department**: the Wisconsin Department of Health Services (DHS) or its designee.

26. **Developmental Disability**: a disability attributable to brain injury, cerebral palsy, epilepsy, autism, or Prader-Willi syndrome. This also includes an intellectual disability diagnosed before age 18 and characterized by below-average general intellectual function and a lack of skills necessary for daily living, or another neurological condition closely related to such intellectual disability or requiring treatment similar to that required for such intellectual disability, that has continued or can be expected to continue indefinitely and constitutes a substantial handicap to the afflicted individual. “Developmental disability” does not include senility that is primarily caused by the process of aging or the infirmities of aging.

27. **DHS**: the Wisconsin Department of Health Services.

28. **Donation**: something of value voluntarily transferred by or on behalf of a member to the MCO without compensation.

   a) Something of value means cash or some other existing identifiable items that has a fair market value of more than $100.00.

   b) Voluntarily transferred means any of the following:
i. The member or another person on behalf of the member transferring the item of value has the intention to voluntarily give it without compensation;
ii. The member or other person on behalf of the member transferring the gift is legally competent (in order to have intention);
iii. The MCO receiving the gift is an eligible recipient (e.g., some entities have prohibitions against employees accepting gifts);
iv. The item of value is an existing identifiable thing (e.g., a promise to give something in the future is not a gift); or
v. The item of value is actually transferred.

29. Dual Eligible: refers to an individual who meets the requirements to receive benefits from both the Federal Medicare Program and the Wisconsin Medicaid Program. “Dual eligibility” does not guarantee “dual coverage.”

30. Elder Adult at Risk: as defined in Wis. Stat. § 46.90(br), means any person age 60 or older who has experienced, is currently experiencing, or is at risk of experiencing abuse, neglect, self-neglect, or financial exploitation.

31. Emergency Medical Condition: a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in the following:
   a) Placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy;
   b) Serious impairment to bodily functions; or
   c) Serious dysfunction of any bodily organ or part.

32. Emergency Services: covered inpatient and outpatient services that are:
   a) Furnished by a provider that is qualified to furnish these services under Title 19 of the Social Security Act; and
   b) Needed to evaluate or stabilize an emergency medical condition.

33. Enrollee: see Member in this section.

34. Enrollment Consultant: the individual who performs enrollment consulting activities to potential enrollees such as, answering questions and providing information in an unbiased manner on available delivery system options, including the option of enrolling in an MCO and advising on what factors to consider when choosing among these options.

35. Fair Hearing: a de novo proceeding under Wis. Admin. Code § HA 3, before an impartial administrative law judge in which the petitioner or the petitioner’s representative presents the reasons why an action or inaction by the Department of Health Services, a county agency, a
resource center, Indian Health Care Provider or an MCO in the petitioner’s case should be corrected.

36. **Family Care**: a capitated Medicaid managed care program for the delivery of all Medicaid long-term care services. Members enrolled in Family Care may be eligible at a Wisconsin Medicaid nursing home-certifiable level of care or at a non-nursing home level of care. One of these functional levels of care is required as a condition of eligibility.

37. **Family Care Benefit**: see Benefit in this section.

38. **Financial Eligibility** and **Cost-Sharing Screen**: a uniform screening tool prescribed by DHS that is used to determine financial eligibility and cost-sharing under Wis. Stat. §§ 46.286(1) (b) and (2) and Wis. Admin. Code §§ DHS 10.32 and 10.34.

39. **Financial Exploitation**: includes any of the following acts:
   a) Fraud, enticement or coercion;
   b) Theft;
   c) Misconduct by a fiscal agent;
   d) Identity theft;
   e) Unauthorized use of the identity of a company or agency;
   f) Forgery; or
   g) Unauthorized use of financial transaction cards including credit, debit, ATM and similar cards.

40. **Frail Elder**: an individual who is 65 years of age or older and has a physical disability or irreversible dementia that restricts the individual’s ability to perform normal daily tasks or that threatens the capacity of the individual to live independently.

41. **Fraud**: any intentional deception made for personal gain or to damage another individual, group, or entity. It includes any act that constitutes fraud under applicable federal or state law. Fraud is knowingly and willfully executing, or attempting to execute, a scheme or artifice to defraud any health care benefit program or to obtain (by means of false or fraudulent pretenses, representations, or promises) any of the money or property owned by, or under the custody or control of, any health care benefit program (18 U.S.C. 1347).

42. **Functional Capacity**: the skill to perform activities in an acceptable manner.

43. **Gift**: something of value voluntarily transferred by one person or entity to another person or entity without compensation.
   a) Something of value means cash or some other existing identifiable thing that has a fair market value of more than $100.00.
   b) Voluntarily transferred means:
i. The person or entity transferring the thing of value has the intention to voluntarily give it without compensation; and

ii. The person transferring the gift is competent (in order to have intention); and

iii. The person or entity receiving the gift is an eligible recipient (e.g., some entities have prohibitions against employees accepting gifts); and

iv. The thing of value is an existing identifiable thing (e.g., a promise to give something in the future is not a gift); and

v. The thing of value is actually transferred.

44. **Group A:** persons age 18 and over who are financially eligible for full-benefit Medicaid on a basis separate from qualifying to receive home-and-community-based waiver services.

45. **Group B:** persons age 18 and over who are not in Group A, meet the non-financial requirements to receive home and community-based waiver services and have a gross monthly income no greater than a special income limit equal to 300% of the SSI federal benefit rate for an individual.

46. **Group B+:** persons age 18 or over not in Group A, meeting all requirements for Group B except for income, whose monthly income after subtracting the cost of institutional care is at or below the medically needy income limit.

47. **Home:** a place of abode and lands used or operated in connection with the place of abode.

48. **Hospital:** has the meaning specified in Wis. Stat. § 50.33(2).

49. **Incident Management System:** a System which manages incidents occurring at the member and provider levels and includes the activities of incident discovery, report, response, investigation, remediation, and data collection and analysis in order to a) assure member health and safety; b) reduce member incident risk(s), and; c) enable development of strategies to prevent future incident occurrence(s).

50. **Income Maintenance Agency or IM Agency:** a subunit of a county, consortia, or tribal government responsible for administering IM Programs including Wisconsin Medicaid; formerly known as the Economic Support Agency.

51. **Indian:** an individual defined at 25 U.S.C. 1603(13), 1603(28), or 1679(a), or who has been determined eligible as an Indian, under 42 C.F.R. 136.12. This means the individual:

   a) Is a member of a Federally recognized Indian tribe; or

   b) Resides in an urban center and meets one or more of these four criteria:

      i. Is a member of a tribe, band, or other organized group of Indians, including those tribes, bands, or groups terminated since 1940 and those recognized now or in the future by the State in which they reside, or who is a descendant, in the first or second degree, of any such member;

      ii. Is an Eskimo or Aleut or other Alaska Native;
iii. Is considered by the Secretary of the Interior to be an Indian for any purpose;
iv. Is determined to be an Indian under regulations issued by the Secretary; or
c) Is considered by the Secretary of the Interior to be an Indian for any purpose; or
d) Is considered by the Secretary of Health and Human Services to be an Indian for purposes of eligibility for Indian health care services, including as a California Indian, Eskimo, Aleut, or other Alaska Native.

52. **Indian Health Care Provider (IHCP):** a health care program operated by the Indian Health Service (IHS) or by an Indian Tribe, Tribal Organization, or Urban Indian Organization (otherwise known as an I/T/U) as those terms are defined in section 4 of the Indian Health Care Improvement Act (25 U.S.C. § 1603).

53. **Individually Identifiable Health Information:** member demographic information, claims data, insurance information, diagnosis information, and any other information that relates to an individual’s past, present or future physical or mental health or condition, provision of health care, or payment for health care that identifies the individual or could reasonably be expected to lead to the identification of the individual.

54. **Institution for Mental Disease:** a hospital, nursing facility, or other institution of more than 16 beds that is primarily engaged in providing diagnosis, treatment, or care of persons with mental diseases.

55. **Instrumental Activities of Daily Living or IADLs:** management of medications and treatments, meal preparation and nutrition, money management, using the telephone, arranging and using transportation and the ability to function at a job site.

56. **Interdisciplinary Team or IDT:** the member and individuals identified by the MCO to provide care management services to members.

57. **Interdisciplinary Team Staff:** individual employees assigned to an IDT that shall have specialized knowledge of the conditions of the target populations served by the MCO, the full-range of long-term care resources and community alternatives.

58. **Legal Decision Maker:** a member’s or potential member’s legal decision maker is a person who has the legal authority to make certain decisions on behalf of a member or potential member. A legal decision maker may be a guardian of the person or estate (or both) appointed under Chapter 54 of the Wisconsin Statutes, a conservator appointed under Chapter 54 of the Wisconsin Statutes, a person designated power of attorney for health care under Chapter 155 of the Wisconsin Statutes or a person designated durable power of attorney under Chapter 244 of the Wisconsin Statutes. A legal decision maker may have legal authority to make certain kinds of decisions, but not other kinds of decisions. A member may have more than one legal decision maker authorized to make different kinds of decisions. In any provision of this agreement in which the term “legal decision maker” is used, it applies only to a person who possesses the legal authority relevant to that provision. A person designated by the member or potential member as an “authorized representative” under 42
C.F.R. § 435.923 for assisting with Medicaid application and renewal of eligibility is not a legal decision maker.

59. **Limited English Proficient (LEP):** potential members and members who do not speak English as their primary language and who have a limited ability to read, write, speak, or understand English may be LEP and may be eligible to receive language assistance for a particular type of service, benefit, or encounter.

60. **Long-Term Care Benefit Package/LTC Benefit Package:** the services identified in Addendum IV, Benefit Package Services Definitions, sections A and B.

61. **Long-Term Care District:** a special purpose district created under Wis. Stat. § 46.2895(1).

62. **Long-Term Care Facility:** a nursing home, adult family home, community-based residential facility or residential care apartment complex.

63. **Long-Term Care Functional Screen or LTC FS:** a uniform screening tool prescribed by DHS that is used to determine functional eligibility under Wis. Stat. §§ 46.286(1) (a) and (1m) and Wis. Admin. Code §§ DHS 10.32 and 10.33.

64. **Medicaid:** the Wisconsin Medical Assistance program operated by the Wisconsin Department of Health Services under Title XIX of the Federal Social Security Act, Wis. Stats. ch. 49 and related state and federal rules and regulations. The term “Medicaid” will be used consistently in this agreement. However, “Medicaid” is also known as “MA,” “Medical Assistance,” and “Wisconsin Medical Assistance Program” or “WMAP.”

65. **Medicaid Deductible:** a way of attaining full-benefit Medicaid financial eligibility in which an applicant is given a six-month deductible period in which incurred medical and remedial costs can be used to lower excess income to medically needy limits. The applicant's deductible amount is equal to six times the difference between net monthly income and the monthly medical needy limit. Once the applicant has met the deductible, the person becomes eligible for Medicaid for the remainder of the six-month period and may enroll in Family Care. A person can also pre-pay a deductible instead of incurring medical and remedial expenses.

66. **Medicaid Recipient:** any individual receiving benefits under Title XIX of the Social Security Act and the Medicaid State Plan as defined in Wis. Stats. ch. 49.

67. **Medically Necessary Services:** for the State plan services in Addendum IV.B, Benefit Package Service Definitions, medically necessary has the meaning in Wis. Admin. Code DHS §101.03(96m): Medicaid services (as defined under Wis. Stat. § 49.46 and Wis. Admin. Code § DHS 107) that are required to prevent, identify or treat a member’s illness, injury or disability; and that meet the following standards:

   a) Are consistent with the member’s symptoms or with prevention, diagnoses or treatment of the member’s illness, injury or disability;
b) Are provided consistent with standards of acceptable quality of care applicable to the type of service, the type of provider and the setting in which the service is provided;

c) Are appropriate with regard to generally accepted standards of medical practice;

d) Are not medically contraindicated with regard to the member’s diagnoses, symptoms, or other medically necessary services being provided to the member;

e) Are of proven medical value or usefulness and, consistent with Wis. Admin. Code § DHS 107.035 are not experimental in nature;

f) Are not duplicative with respect to other services being provided to the member;

 g) Are not solely for the convenience of the member, the member’s family or a provider;

h) With respect to prior authorization of a service and other prospective coverage determinations made by DHS, are cost-effective compared to an alternative medically necessary service which is reasonably accessible to the member; and

i) Is the most appropriate supply or level of service that can safely and effectively be provided to the member.

For the home and community-based waiver services in Addendum IV, section A medically necessary means that the service is reasonable, appropriate and cost-effectively addresses a member’s assessed long-term care need or outcome related to any of the following purposes:

a) The prevention, diagnosis, and treatment of a disease, condition, and/or disorder that results in health impairments and/or disability;

b) The ability to achieve age-appropriate growth and development;

c) The ability to attain, maintain, or regain functional capacity; and

d) The opportunity to have access to the benefits of community living, to achieve person-centered goals, and live and work in the setting of their choice.

68. Medication Review and Intervention: a comparison of medications prescribed by health care providers and medications taken by the member.

69. Member: a person who is currently enrolled in a Managed Care Organization (MCO).

70. Member-Centered Plan or MCP: a record that documents a process by which the member and the interdisciplinary team staff further identify, define and prioritize the member’s outcomes initially identified in the comprehensive assessment. The MCP also identifies the services and supports, paid or unpaid, provided or arranged by the MCO or IHCP including the frequency and duration of each service (e.g., start and stop date), and the provider(s) that will furnish each service. The MCP identifies long-term care outcomes, personal experience outcomes, and any risks.

71. Member Handbook/Evidence of Coverage: a document describing the program benefits and policies that is approved by the Department and distributed to members.
72. **Member Materials:** materials in all mediums to inform members of benefits, procedures, formularies and provider networks, including but not limited to, handbooks and brochures used to communicate with enrolled members.

73. **Member Rights:** the rights outlined in applicant information materials and the Member Handbook/Evidence of Coverage as approved by DHS consistent with Wis. Admin. Code § DHS 10.51.

74. **Member’s Home:** living quarters in which a member resides that is owned or leased by the member or member’s family.

75. **Memorandum of Understanding or MOU:** an agreement detailing the actions of two parties under circumstances specified in the agreement.

76. **Natural Supports:** individuals who are available to provide unpaid, voluntary assistance to the member in lieu of 1915(c) waiver and/or State Plan home and community-based services (HCBS). They are typically individuals from the member’s social network (family, friends, neighbors, etc.).

77. **Necessary Long-Term Care Services and Supports:** any service or support that is provided to assist a member to complete daily living activities, learn new skills, maintain a general sense of safety and well-being, or otherwise pursue a normal daily life rhythm, and that meets the following standards:
   a) Is consistent with the member’s comprehensive assessment and member-centered plan;
   b) Is provided consistent with standards of acceptable quality of care applicable to the type of service, the type of provider and the setting in which the service is provided;
   c) Is appropriate with regard to the Department’s generally accepted standards of long-term care and support;
   d) Is not duplicative with respect to other services being provided to the member;
   e) With respect to prior authorization of a service and other prospective coverage determinations made by the IHCP, is cost-effective and reasonably accessible to the member; and,
   f) Is the most appropriate supply or level of service that can safely and effectively be provided to the member.

78. **Neglect:** the failure of a caregiver, as evidenced by an act, omission, or course of conduct, to endeavor to secure or maintain adequate care, services, or supervision for an individual, including food, clothing, shelter, or physical or mental health care, and creating significant risk or danger to the individual’s physical or mental health. “Neglect” does not include a decision that is made to not seek medical care for an individual, if that decision is consistent with the individual’s previously executed declaration or do-not-resuscitate order under ch.
154, Wis. Stats., a power of attorney for health care under ch. 155, Wis. Stats., or as otherwise authorized by law. See, Wis. Stat. s.46.90(1)(f).

79. **Non-Nursing Home Level of Care**: a level of care in the Family Care program only, which is defined in s. 46.286(1)(a) 1.b., Wis. Stats.

80. **Nursing Home**: has the meaning specified in s. 50.01(3), Wis. Stats.

81. **Nursing Home Level of Care**: a level of care provided in a nursing facility and reimbursable under the Medicaid program.

82. **Outcome**: a desirable situation, condition, or circumstance in a member’s life that can be a result of the support provided by effective care management. Outcomes defined include:

   a) **Clinical outcome** is an identified need, condition or circumstance that relates to a member’s individual physical, mental, or emotional health, safety, or well-being. Clinical outcomes are objectively measurable by someone other than the member, and their presence or absence can be determined without knowing the member’s preferences regarding the condition or circumstance. Clinical outcomes, along with functional outcomes, are referred to as “long term care” outcomes on the Member Care Plan (MCP).

   b) **Functional outcome** is an identified need, condition or circumstance that results in limitations on the member’s ability to perform certain functions, tasks, or activities and require additional support to help the member maintain or achieve their highest level of independence. This includes, but is not limited to, assistance with Activities of Daily Living and Instrumental Activities of Daily Living. The presence, absence, or degree of functional outcomes can be objectively measurable by someone other than the member, and their presence or absence can be determined without knowing the member’s preferences regarding the functional ability. Functional outcomes, along with clinical outcomes, are referred to as “long term care” outcomes in the member’s MCP.

   c) **Personal-experience outcome** is a desirable situation, condition, or circumstance that a member identifies as important to him/her. A personal experience outcome is measurable primarily by the member.

   d) **Long term care outcome** is a situation, condition, or circumstance that a member, or IDT staff, identifies that maximizes a member’s highest level of independence. This outcome is based on the members identified clinical and functional outcomes.

Throughout this agreement the use of the term “outcomes” refers to both long term care outcomes (comprised of clinical and functional outcome identification) as well as personal experience outcomes, unless otherwise specified (e.g., health and safety outcomes, quality outcomes).

83. **Participant**: see Member in this section.
84. **Personally Identifiable Information:** an individual's last name and the individual's first name or first initial, in combination with and linked to any of the following elements, if the element is not publicly available information and is not encrypted, redacted, or altered in any manner that renders the element unreadable:

   a) The individual's Social Security number;

   b) The individual's driver's license number or state identification number;

   c) The individual's date of birth;

   d) The number of the individual's financial account, including a credit or debit card account number, or any security code, access code, or password that would permit access to the individual's financial account;

   e) The individual's DNA profile; or

   f) The individual's unique biometric data, including fingerprint, voice print, retina or iris image, or any other unique physical characteristic.

85. **Physical Abuse:** the willful or reckless infliction of bodily harm. Bodily harm means physical pain or injury, illness, or any impairment of physical condition.

86. **Physical Disability:** a physical condition, including an anatomical loss or musculoskeletal, neurological, respiratory or cardiovascular impairment, that results from injury, disease or congenital disorder and that significantly interferes with or significantly limits at least one major life activity of a person. In the context of physical disability, “major life activity” means self-care, performance of manual tasks unrelated to gainful employment, walking, receptive and expressive language, breathing, working, participating in educational programs, mobility other than walking and capacity for independent living.

87. **Post-Eligibility Treatment of Income:** see Cost Share in this section.

88. **Potential Enrollee** or **Potential Member:** a person who is or may be eligible to enroll in a managed care organization but is not yet a member.

89. **Primary Care:** health care provided by a medical professional with whom a patient has initial contact and by whom the patient may be referred to a specialist for further treatment. Services are provided to the patient with a goal of providing a broad spectrum of care, both preventive and curative, over a period of time. Activities include coordinating all of the care the patient receives and, ideally, the provision of continuity and integration of health care. Family practice and general practice physicians and most pediatricians, internists, and obstetricians/gynecologists are considered as primary care physicians.

90. **Provider:** any individual or entity that has a provider agreement with the MCO or a subcontractor and receives Medicaid funding directly or indirectly to order, refer or render covered services as a result of the Department's contract with an MCO.
91. Provider Agreement: a written agreement between a provider and the MCO or a subcontractor to provide services to the MCO's members.

92. Residential Care Apartment Complex or RCAC: a place where 5 or more adults reside that consists of independent apartments, each of which has an individual lockable entrance and exit, a kitchen, including a stove, and individual bathroom, sleeping and living areas, and that provides, to a person who resides in the place, not more than 28 hours per week of services that are supportive, personal and nursing services. “Residential care apartment complex” does not include a nursing home or a community-based residential facility, but may be physically part of a structure that is a nursing home or community-based residential facility.

94. Resource Center: see Aging and Disability Resource Center in this section.

95. Restrictive Measure: any type of restraint, isolation, seclusion, protective equipment, or medical restraint.

96. Secretary: means the secretary of the Wisconsin Department of Health Services.

97. Self-neglect: means a significant danger to an individual’s physical or mental health because the individual is responsible for his/her own care but fails to obtain adequate care, including food, shelter, clothing, or medical or dental care. See, Wis. Stat. s. 46.90(1)(g).

98. Service Area: the geographic area within which potential members must reside in order to enroll and remain enrolled in the MCO under this agreement.

99. Services Necessary to Support Outcomes: services necessary to support outcomes are identified in the member’s Member-Centered Plan and include both necessary long-term care services and medically necessary services.

100. Sexual Abuse: sexual conduct in the first through fourth degrees as defined in Wis. Stat. § 940.225.

101. Subcontract: a written agreement between the MCO or Indian Health Care Provider and a subcontractor to fulfill the administrative requirements of this agreement.

102. Subcontractor: any individual or entity that has a contract with the MCO or Indian Health Care Provider that relates directly or indirectly to the performance of the MCO’s or Indian Health Care Provider’s obligations under this agreement with the Department except for the provision of services to the MCO’s members.
103. **Target Population:** any of the following groups that a managed care organization has contracted with DHS to serve:
   a) Frail elderly.
   b) Adults with a physical disability.
   c) Adults with a developmental disability.

104. **Tribal Aging and Disability Resource Specialist (TADRS):** a position authorized under Wis. Stat. § 46.283(1) and under contract with the Wisconsin Department of Health Services to assure that tribal members receive culturally appropriate information on aging and disability services and benefits and receive support to access publicly funded long-term care programs.

105. **Voluntary Contributions, Payments or Repayments:** member choice to pay an amount to Medicaid to maintain Medicaid eligibility, prepay a Medicaid deductible, reduce potential claim in an estate, or in gratitude for Medicaid services that were provided. The payment is made to the State Medicaid program. A member cannot pay more than the amount Medicaid has paid for that individual.

106. **Vulnerable/High Risk Member (VHRM):** a member who is dependent on a single caregiver, or two or more caregivers all of whom are related, to provide or arrange for the provision of nutrition, fluids or medical treatment that is necessary to sustain life and to whom at least one of the following applies:
   a) Is nonverbal and unable to communicate feelings or preferences; or
   b) Is unable to make decisions independently; or
   c) Is clinically complex, requiring a variety of skilled services or high utilization of medical equipment; or
   d) Is medically frail.
II. Eligibility Information

A. Eligibility Requirements

1. Providing Information that May Affect Eligibility

Members have a responsibility to report certain changes in circumstances that may affect Medicaid eligibility to the income maintenance agency, as appropriate, within ten (10) calendar days of the change.

Notwithstanding the member’s reporting obligations, if the Indian Health Care Provider (IHCP) has information about a change in member circumstances (address, income, assets, need, or living arrangements) that may affect Medicaid eligibility, the Indian Health Care Provider (IHCP) is to provide that information to the MCO as soon as possible but in no event less than 3 business days.

Members who receive SSI benefits are required to report certain changes to the Social Security Administration rather than the local IM agency. Indian Health Care Provider (IHCP) should assist members in meeting these reporting requirements since loss of SSI has a direct impact on Medicaid eligibility.

Information that the IHCP must report to the MCO includes:

a. Information that may affect the member’s functional eligibility;

b. The average monthly amount of medical/remedial expenses the member pays for out-of-pocket;

c. The housing costs the member pays for out-of-pocket, either in the member’s own home or apartment or in a community-based residential care facility;

d. Non-payment of any required cost share (post eligibility treatment of income);

e. The member has died;

f. The member has been incarcerated;

g. The admission of a member who is age 21 or over and under age 65 to an Institute for Mental Disease;

h. The member has moved out of the county or MCO’s service area;

i. Any known changes in the member’s income or assets;

j. Changes in the member’s marital status.

B. Medicaid Deductibles or Cost Share

1. Deductibles

A member may attain full-benefit Medicaid financial eligibility through meeting a deductible (see Medicaid Eligibility Handbook Ch. 24.2, http://www.emhandbooks.wisconsin.gov/meh-ebd/meh.htm). Such members are eligible
in Group A without a cost share for the remainder of the deductible period. This will happen rarely in the Family Care Program, but can occur in the following situations:

a. Members who meet a nursing home level of care and who are newly enrolling in a home and community-based waiver program may have met a Medicaid deductible prior to enrollment and thereby become financially eligible for the remainder of the six-month deductible period (see MEH Ch.24.3). Such persons have no cost share. At the end of the deductible period the income maintenance agency will re-determine the member’s financial eligibility, which in almost all cases will be under the special Home and Community-Based Services (HCBS) waiver eligibility group (Group B or B+). The member will then not have to meet a deductible but may have to pay a cost share depending on income and allowable deductions. The IHCP shall explain these circumstances to the member and assist the member with the financial eligibility re-determination by the income maintenance agency at the end of the deductible period.

b. Members who meet a non-nursing home level of care may have met a Medicaid deductible prior to enrollment and thereby become financially eligible for the remainder of the six-month deductible period. At the end of the deductible period, the income maintenance agency will re-determine the member’s Medicaid eligibility.

   i. Prior to the end of the deductible period, the IHCP shall explain to the member that upon re-determination, unless the member will be eligible under a different Medicaid eligibility category or is able to prepay the deductible, the member will lose Medicaid eligibility and be disenrolled when the current deductible period ends until the member can meet the deductible in the next deductible period. The IHCP shall review with the member how to meet the new deductible amount, including the option to prepay it in order to avoid a period of ineligibility.

   ii. The income maintenance agency will determine if the person is eligible under a different category of full-benefit Medicaid. If not, the agency will determine the new deductible amount and monitor whether it’s met, including explaining the option to prepay the deductible.

2. **Cost Share or Patient Liability**

   a. Members may be required to pay a monthly cost share or patient liability in order to be eligible for Medicaid.

   b. Cost share, also called post eligibility treatment of income, applies to members who live in their own home, an adult family home, a community–based residential facility or a residential care apartment complex.

   c. Patient liability applies to members who reside in a nursing home or Intermediate Care Facilities for Individuals with Intellectual Disabilities (ICF-IID) for 30 or more consecutive days or are likely to reside there for 30 or more consecutive days.
d. The income maintenance agency is responsible for determining the member’s cost share or patient liability. Cost share is imposed on members in accordance with 42 C.F.R. § 435.726. Patient liability is imposed in accordance with 42 C.F.R. § 435.725. The Department will ensure that a member who has a cost share is not required to pay any amount in cost share which is in excess of the average cost, as determined by the Department, of waiver services in a given month for all MCO waiver participants.

e. The MCO is responsible for collecting the members’ monthly cost share or patient liability, subject to the following Department policies and procedures:

   i. The MCO will send a bill to any member who has a cost share or patient liability in advance of or as early as possible during the month in which the cost share or patient liability is due.

   ii. Cost share and patient liability are not prorated for partial months.

   iii. The MCO will not collect a patient liability for the current month from a member who enrolls in Family Care after the 1st of the month if the member is residing in a nursing home and receiving nursing home Medicaid benefits. The member will pay his or her patient liability to the nursing home for the current month and his or her patient liability to the MCO beginning the next month.

   iv. If a member fails to pay the cost share or patient liability as billed by the due date, the MCO, with the assistance of the IHCP, will:

      a) Contact the member to determine the reason for non-payment.

      b) Remind the member that non-payment may result in loss of eligibility and disenrollment.

      c) Attempt to convince the member to make payment or negotiate a payment plan.

      d) Offer the member assistance with financial management services or refer the member for establishment of a representative payee or legal decision maker if needed.

   v. If all efforts to assist the member to meet the financial obligation are unsuccessful, the MCO will refer the situation to the income maintenance agency for ongoing eligibility determination and the ADRC or TADRS for options counseling.

3. **Monitoring Cost Share or Patient Liability**

   The MCO is responsible for the ongoing monitoring of the cost share or patient liability amounts. The IHCP is responsible for reporting medical remedial expenses (MRE) information to the MCO. The MCO is responsible for knowing what the member’s ongoing medical/remedial expenses are and reporting changes in those amounts to the income maintenance agency.
The Indian Health Care Provider (IHCP) is responsible to report changes in other circumstances of members that may affect the amount of cost share or patient liability to the MCO within three (3) calendar days of the Indian Health Care Provider (IHCP) becoming aware of the change.

C. Room and Board

Indian members shall use their own income to pay for the cost of room and board. Any IHCP supplementation of member payment of room and board shall be reported as nonreimbursable expenditures on the IHCP’s cost report to the Department. For each member who resides in community-based residential care as defined in Addendum IV, Benefit Package Services Definitions.A.16, the Indian Health Care Provider (IHCP) is responsible for all of the following tasks:

1. **Determining Cost**
   
   The Indian Health Care Provider (IHCP) determines the cost of room and board in the facility in which the member resides. The Indian Health Care Provider (IHCP) shall use the MCO’s selected method for all Indian members.

2. **Determining Amount of Income Available**
   
   The MCO determines the amount of income the member has available to pay for the cost of room and board, using procedures approved by DHS, and provides that amount to the member and IHCP.

   Room and board is not pro-rated for partial months.

3. **Implementing Contingencies if the Member Lacks Funds for Room and Board**
   
   If the member lacks sufficient income available to pay room and board in the facility, the Indian Health Care Provider (IHCP) either:

   a. Develops an alternative plan of care to support the member’s needs and outcomes; or
   
   b. Determines if the IHCP will supplement the member’s payment to the facility with funds that cannot be claimed on the IHCP’s cost report to the Department to make up the shortfall.

4. **Collecting and Giving the Member’s Room and Board to the Residential Facility**
   
   The Indian Health Care Provider (IHCP) pays the residential facility for the cost of services and supervision if they are contracted with the provider. The Indian Health Care Provider (IHCP) shall also collect the income the member has available to pay for the cost of room and board and give it to the residential facility on behalf of the member.

   If the provider is contracted through the MCO then the MCO is responsible for collecting the member’s income and paying the room and board.

   a. If a member fails to pay the room and board as billed by the due date, the MCO will:
i. Contact the member and the IHCP to determine the reason for non-payment.

ii. The MCO and the IHCP will remind the member that non-payment may result in discharge from facility.

iii. The MCO and the IHCP will attempt to convince the member to make payment or negotiate a payment plan.

iv. The MCO or the IHCP will offer the member assistance with financial management services or refer the member for establishment of a representative payee or legal decision maker if needed.

v. If all efforts to assist the member to meet the financial obligation are unsuccessful, the member may be discharged from the facility.

5. *Sharing Information with Income Maintenance*

   The MCO informs the income maintenance agency of the amount of room costs in the facility in which the member will be living. That information may be used to determine any allowable excess housing costs that may reduce the income considered available for the member’s cost-sharing obligation.

D. *Monitoring and Coordination*

   The Indian Health Care Provider (IHCP) shall fully cooperate with other agencies and personnel with responsibilities for eligibility determination, eligibility re-determination, and enrollment in the MCO. This includes but is not limited to the MCO, resource center, income maintenance and the enrollment consultant if any.

   The Indian Health Care Provider (IHCP) shall support members in meeting Medicaid reporting requirements as defined in Wis. Admin. Code § DHS 104.02(6). Members are required to report changes in circumstances to income maintenance within ten (10) calendar days of the occurrence of the change.
III. Enrollment, Disenrollment and IHCP Care Management Selection

A. Process for Selecting a Care Management IHCP
   a. The Aging and Disability Resource Center (ADRC) or Tribal Aging and Disability Resource Specialist (TADRS) will describe the long term care options available to potential members. This includes the option to have care management provided through an IHCP. If the potential member is interested in enrolling in the MCO that is party to this agreement, if the potential member is an eligible Indian and if the IHCP has adequate service capacity, the following process applies.
   b. If there is service capacity, the ADRC or TADRS will enroll the individual in the MCO and inform the MCO and IHCP of the member’s interest in IHCP care management.
   c. If there is not service capacity and the potential member would like to be put on a wait list for IHCP care management, the ADRC or TADRS will notify the IHCP of the potential member’s interest in IHCP care management. The IHCP will place the potential member on the wait list.

B. IHCP Capacity and Wait List
   1. **IHCP Has Capacity**
      When the IHCP has capacity, it will
      a. Accept any Indian referral under Article I.A.b.
      b. Determine if the individual is an Indian within 24 hours of receiving the referral.
         i. If the individual is not an Indian, the IHCP will decline the referral and notify the MCO to continue with the initial assessment and service authorization.
         ii. If the IHCP is unable to make the determination within 24 hours of receiving the referral, the IHCP will:
            a) While the IHCP is making the determination of Indian status, conduct the initial assessment and develop the initial member care plan pursuant to Article IV.D.1. in order to ensure health, safety and well-being of the member.
            b) If Indian status cannot be confirmed after three calendar days, the IHCP will decline the referral and notify the MCO who shall proceed pursuant to Article IV.D.2.
   2. **IHCP Does Not Have Capacity**
      a. When the IHCP is at capacity, the IHCP will
i. Maintain a wait list in a system specified by DHS;

ii. Accept referrals from the ADRC/TADRS for individuals interested in IHCP care management;

iii. Determine Indian status; and

iv. Add interested individuals to the waitlist.

b. When IHCP capacity becomes available, the IHCP will contact the next individual or individual’s legal representative on the waitlist:

   i. If an individual declines IHCP services, the IHCP will document this on the wait list and contact the next individual or individual’s legal representative on the list.

   ii. If an individual accepts IHCP services, the IHCP will:

       a) For individuals enrolled in the MCO that is party to this agreement, immediately notify the MCO and update the wait list. The MCO and IHCP will jointly develop a care management transition plan for that individual.

       b) For individuals not enrolled in the MCO or enrolled in an MCO that is not a party to this agreement, instruct the individual to contact his/her ADRC or TADRS to discuss enrollment into an MCO that is party to an IHCP-State-MCO agreement and referral to the IHCP. The IHCP will maintain the available capacity for the individual until the individual enrolls in an MCO that is party to an IHCP-State-MCO agreement and is referred to the IHCP. If, during the enrollment process, the individual decides not to be referred to the IHCP, the ADRC or TADRS will notify the IHCP. The IHCP will immediately update the wait list upon either action.

C. Process for Deselecting an IHCP

   a. The IHCP must inform Family Care members at each required MCP review that they can deselect the IHCP care management option at any time. If the member informs the IHCP that he/she wishes to receive care management from the MCO instead of the IHCP, the IHCP shall immediately notify the MCO. The IHCP shall cooperate with the MCO in developing a case management transition plan. Only the MCO can request a disenrollment and must follow the requirements under section E. of this Article.

D. Prohibited Influence

   a. The Indian Health Care Provider (IHCP) shall not counsel or otherwise influence a member due to his/her life situation (e.g., homelessness, increased need for supervision) or acuity/condition in such a way as to encourage disenrollment or not choose the IHCP for case management.
b. These instances should be reported to DHS who will take the necessary action.

E. Limiting Service

If the IHCP is considering limiting IHCP care management to only their Tribal members, it must notify the Department in writing in advance. The IHCP shall not limit the provision of care management service other Indians in advance of this notification and consideration by the Department.

For other Indians currently receiving IHCP care management, The IHCP must continue to provide this service to these members until an appropriate alternative is arranged.

F. Disenrollment

1. Types of Disenrollment
   
a. Member Requested Disenrollment
      
      All members shall have the right to disenroll from the MCO without cause at any time. If a member expresses a desire to disenroll from the MCO, the Indian Health Care Provider (IHCP) shall immediately refer the member to the ADRC or TADRS.

b. Disenrollment Due to Loss of Eligibility
   
i. The member will be disenrolled if he/she loses eligibility. The Indian Health Care Provider (IHCP) is required to notify the MCO when it becomes aware of a change in a member’s situation or condition that might result in loss of eligibility.

      Members lose eligibility when the member:
   
a) Fails to meet functional eligibility requirements;
   
b) Fails to meet financial eligibility requirements;
   
c) Fails to pay, or to make satisfactory arrangements to pay, any cost share amount due the MCO after a thirty (30) calendar day grace period;

      1) The MCO shall specify the cost share due date. That is the date by which any payment received shall be considered timely.
   
      2) If cost share is paid for calendar months, the due date shall be the end of the calendar month for which payment is due. If cost share is paid for a period other than calendar months, it shall be the 30th day of that period.

      3) The MCO shall inform members and IHCP of this date in member materials and through oral and written communications.
4) The thirty (30) day grace period begins on the day after the payment due date and ends on the 30th calendar day after the payment due date.

d) Initiates a move out of the MCO’s service area as defined in Article IV, section L;

e) Dies;

f) Is incarcerated as an inmate in a public institution; or

g) A member age 21-64 is admitted to an Institution for Mental Disease (IMD) and is no longer eligible for Medicaid coverage of services.

ii. The MCO shall immediately notify the IHCP when a member served by the IHCP loses eligibility.

iii. The IHCP and MCO are responsible for covered services it has authorized, provided, or contracted for through the date of disenrollment.
IV. Care Management

Functions of the IHCP should support and enhance member-centered care. Designing member-centered plans that effectively and efficiently identify the personal experience outcomes and meet the needs and support the long term care outcomes of members and monitor the health, safety, and well-being of members are the primary functions of care management. Member-centered planning supports: 1) the success of each individual member in maintaining health, independence and quality of life; 2) the success of the MCO and IHCP in meeting the long-term care needs and supporting member outcomes while maintaining the financial health of the MCO and IHCP; and 3) the overall success of the Family Care program in providing eligible persons with access to and choices among high quality, cost-effective services.

A. Member Participation

1. The IHCP is required to ensure that each member has a meaningful opportunity to participate in the initial development of, and updating of, his/her member-centered plan (MCP). The IHCP is required to encourage members to take an active role in decision-making regarding the long-term care and health care services they need to live as independently as possible.

The IHCP is expected to ensure that the member, the member’s legal decision maker and any other persons identified by the member will be included in the care management processes of assessment, member outcomes identification, member-centered plan development, and reassessment. This process must reflect cultural considerations of the individual and must be conducted by providing information in plain language and in a manner that is accessible to individuals with disabilities through the provision of auxiliary aids and services at no cost to the individual and for persons who are limited English proficient through the provision of language services at no cost to the member. The IHCP shall provide information, education and other reasonable support as requested and needed by members, other persons identified by the member or legal decision makers in order to make informed long-term care and health care service decisions.

2. Members shall receive clear explanations of:
   a. His/her health conditions and functional limitations;
   b. Available treatment options, supports and/or alternative courses of care;
   c. The member’s role as part of the interdisciplinary care team;
   d. The full range of residential options, including in-home care, residential care and nursing home care when applicable;
   e. The benefits, drawbacks and likelihood of success of each option;
   f. Risks involved in specific member preferences;
   g. The possible consequences of refusal to follow the recommended course of care; and
Article IV, Care Management

h. His/her available choices regarding the services and supports he/she receives and from whom.

3. The IHCP shall inform members of specific conditions that require follow-up, and if appropriate, provide training and education in self-care. If there are factors that hinder full participation with recommended treatments or interventions, then these factors will be identified and explained in the member-centered planning process.

B. Interdisciplinary Team Composition

The interdisciplinary team (IDT) is the vehicle for providing member-centered care management. The full IDT always includes the member and other people specified by the member, as well as IDT staff. Throughout this article the term “IDT staff” refers to the social service coordinator, licensed registered nurse and any other staff who are assigned or contracted by the IHCP to participate in the IDT and is meant to distinguish those staff from the full IDT.

1. The member receives care management through designated IDT staff, which at a minimum must include a social service coordinator and a licensed registered nurse. The team may include additional persons with specialized expertise for assessment, consultation, ongoing coordination efforts and other assistance as needed.

A “social service coordinator” is required to be a certified social worker or have a minimum of a four-year bachelor’s degree in the human services area or a four-year bachelor’s degree in any other area with a minimum of three (3) years’ experience in social service care management or related social service experience with persons in the Family Care target population.

2. The IDT staff shall have knowledge of community alternatives for the target populations served by the Family Care program and the full range of long-term care resources. IDT staff shall also have specialized knowledge of the conditions and functional limitations of the target populations served by the Family Care program, and of the individual members to whom they are assigned.

The IHCP shall establish a means that ensures ease of access and a reasonable level of responsiveness for each member to their IDT staff during regular business hours.

C. Assessment and Member-Centered Planning Process

Member-centered planning is an ongoing process and the member-centered plan (MCP) is a dynamic document that must reflect significant changes experienced in members’ lives. Information is captured through the initial comprehensive assessment and changes are reflected through ongoing re-assessments.

Member-centered planning reflects understanding between the member and the IDT staff and will demonstrate changes that occur with the member’s outcomes and health status. The member is always central to the member centered planning and comprehensive assessment process. The IDT staff will ensure that the member is at the center of the member centered planning process. The member will actively participate in the planning
process, in particular, in the identification of personal outcomes and preferences. All aspects of the member centered planning and comprehensive assessment process involving the participation of the member must be timely and occur at times and locations consistent with the requirements of Article IV.D and H. The member centered plan incorporates the following processes:

1. **Comprehensive Assessment**
   
a. **Purpose**
   
i. The purpose of the comprehensive assessment is to provide a unique description of the member to assist the IDT staff, the member, a service provider or other authorized party to have a clear understanding of the member, including their strengths, the natural and community supports available to the member, and the services and items necessary to support the member’s individual long term care outcomes, needs and preferences.

   ii. The comprehensive assessment is essential in order for IDT staff to comprehensively identify the member’s personal experience outcomes (as defined in Addendum III), long term care outcomes, strengths, needs for support, preferences, natural supports, and ongoing clinical or functional conditions that require long-term care, a course of treatment or regular care monitoring.

   b. **Procedures**

   i. The IHCP shall use the MCO’s electronic case management system, policies and procedures. The MCO shall ensure that the IHCP only has access to member records for members receiving IHCP case management.

   ii. The IHCP shall use the MCO’s assessment protocol, which has been approved by DHS, that includes a face-to-face interview in the member’s current residence by the IDT social service coordinator and registered nurse every twelve (12) months (or every six (6) months for a vulnerable/high risk member) with the member and other people identified by the member as important in the member’s life.

   iii. As a part of the comprehensive assessment, the IDT staff shall review the functional screen, all available medical records of the member and any other available background information.

   iv. The IDT staff shall encourage the active involvement of any other supports the member identifies at the initial contact to ensure the initial assessment as described in Section D.1.c. of this article is member-centered and strength-based. The IDT staff, member and other supports shall jointly participate in completing an initial assessment.

   v. The IHCP shall use the MCO’s standard format developed or approved by the Department for documenting the information collected during the comprehensive assessment. The standard format will assist the IDT staff
to gather sufficient information to identify the member’s strengths and barriers in each area of functional need and natural supports available to the member. It will also assist the IDT staff to identify the associated clinical supports, including assessment of any ongoing conditions of the member that require long-term care, a course of treatment or regular care monitoring, needed to support the member’s long term care outcomes.

c. Documentation

The comprehensive assessment will include documentation by the IDT staff of all of the following:

i. The registered nurse on the IDT is responsible to assure that a full nursing assessment is completed. This assessment identifies risks to the member’s health and safety, including but not limited to risk assessments for falls, skin integrity, nutrition and pain as clinically indicated. The nursing assessment also includes an evaluation of a member’s ability to set-up, administer, and monitor their own medication. This includes medication review and intervention.

ii. A member of the IDT staff is responsible for reviewing and documenting in the comprehensive assessment and the member centered plan, the member’s medications every six months or whenever there is a significant change in the member’s health or functional status. When a complex medication regimen or behavior modifying medication or both are prescribed for a member, the IDT staff nurse or other appropriately licensed medical professional shall ensure the member is assessed and reassessed, as needed, but at least every six months for the desired responses and possible side effects of the medication, and understands the potential benefits and side effects of the medication and that all assessments results and follow-up have been completed and documented in the member record. If a complex medication regimen or behavior modifying medication or both are prescribed, the IDT staff nurse or other appropriately licensed medical professional shall:

a) ensure that the comprehensive assessment and the member centered plan includes the rationale for use and a detailed description of the behaviors which indicate the need for administration of the complex medication regime or behavior modifying medication; and

b) monitor at least every six months for inappropriate use of the complex medication regime or behavior modifying medication, for use contrary to the member’s care plan, for the presence of significant side effects, for inappropriate use of the medication as a form of discipline or for staff convenience, or for use contrary to the intended use. Any examples of such use must be documented in the comprehensive assessment and member centered plan.
iii. When there is a discrepancy between medications prescribed and medications being taken, the IDT staff nurse is responsible, in accordance with professional nursing standards, to assure that efforts are made to clarify and reinforce with the member the correct medication regimen.

iv. An exploration with the member of the member’s understanding of self-directed supports and any desire to self-manage all or part of his/her care plan.

v. An exploration with the member of the member’s preferences in regard to privacy, services, caregivers, and daily routine, including, if appropriate, an evaluation of the member’s need and interest in acquiring skills to perform activities of daily living to increase his/her capacity to live independently in the most integrated setting.

vi. An assessment of mental health and alcohol and other drug abuse (AODA) issues, including risk assessments of mental health and AODA status as indicated.

vii. An assessment of the availability and stability of natural supports and community supports for any part of the member’s life. This shall include an assessment of what it will take to sustain, maintain and/or enhance the member’s existing supports and how the services the member receives from such supports can best be coordinated with the services provided by IHCP or MCO.

viii. An exploration with the member of the member’s preferences and opportunities for community integration including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community.

ix. An exploration with the member of the member’s preferred living situation and a risk assessment for the stability of housing and finances to sustain housing as indicated.

x. An exploration with the member of the member’s preferences for educational and vocational activities, including supported employment in a community setting.

xi. An assessment of the financial resources available to the member.

xii. An assessment of the member’s understanding of his/her rights, the member’s preferences for executing advance directives and whether the member has a guardian, durable power of attorney or activated power of attorney for health care.

xiii. An assessment of vulnerability and risk factors for abuse and neglect in the member’s personal life or finances including an assessment of the member’s potential vulnerability/high risk per Article IV.J.1.
xiv. IHCPs shall educate the member about the full range of waiver services available to the member not just those services provided by the IHCP. The IHCP shall educate the member that he/she has a right to free choice of providers and can access services through the IHCP (if the IHCP has the capacity) or an MCO network provider. The IHCP shall ask the member to sign an attestation which shall be attached to the member care plan (MCP) indicating that IHCP has provided him/her with this information every twelve (12) months as part of the annual comprehensive assessment. If the member refuses to sign the attestation, the IHCP will document that refusal in the member’s care plan.

xv. IDT staff will work with the member to identify and document in the comprehensive assessment and MCP the long term care and personal experience outcomes.

2. Member-Centered Planning

a. Purpose

i. Member-centered planning is a process through which the IDT identifies appropriate and adequate services and supports to be authorized, provided and/or coordinated by the IHCP or MCO.

ii. Member-centered planning results in a member-centered plan (MCP) which identifies the long term care and personal experience outcomes. The plan identifies all services and supports whether authorized and paid for by the IHCP or MCO, or provided by natural and/or community supports that are consistent with the information collected in the comprehensive assessment and are:

   a) Sufficient to assure the member’s health, safety and well-being;
   
   b) Consistent with the nature and severity of the member’s disability or frailty; and
   
   c) Satisfactory to the member in supporting the member’s long term care outcomes.

b. Procedures

i. Member-centered planning shall be based on the comprehensive assessment. IDT staff shall involve the member and other parties in accordance with the member’s preference and the parties’ ability to contribute to the development of the MCP.

ii. As requested by the member, the IDT staff shall encourage the active involvement of the member’s natural and community supports in the member-centered planning process and in development of the MCP. For members with communicative or cognitive deficits, the IDT staff shall encourage family members, friends and others who know the member and how the member communicates to assist in conveying the member’s
preferences in the member-centered planning process and in development of the MCP.

iii. IDT staff shall provide assistance as requested or needed to members in exercising their choices about where to live, with whom to live, work, daily routine, and services, which may include involving experts in member outcomes planning for non-verbal people and people with cognitive deficits.

iv. The member-centered planning process shall include strategies for solving conflict or disagreement within the process, including clear conflict-of-interest guidelines for all planning participants. The IDT staff shall identify potential conflict of interest situations that affect the member’s care and, either eliminate the conflict of interest or, when necessary, monitor and manage it to protect the interests of the member and shall document all steps taken in the member care plan.

v. The written member centered plan resulting from the member centered planning process shall be understandable to the member and the individuals important in supporting the member. At a minimum, this requires that the plan be written in plain language and in a manner that is accessible to individuals with disabilities through the provision of auxiliary aids and services at no cost to the individual and for persons who are limited English proficient through the provision of language services at no cost to the member.

c. Documentation

i. The MCP shall document the member’s long term care and personal experience outcomes. It must document the actions to be taken and the services needed to support the long term care outcomes. The MCP must document which IDT staff will monitor and evaluate these actions and services.

ii. The MCP shall document areas of concern or risk that IDT staff have identified and which they have discussed with the member, but that the member has not agreed to as a priority at the present time.

iii. The IHCP shall use the MCO’s standard format for documenting the information collected during the assessment and member-centered planning process. The IDT staff shall use the MCO’s DHS-approved service authorization policies and procedures in order to produce an MCP that supports the member’s outcomes and is cost-effective.

iv. The MCP shall document at least the following:
   a) The member’s personal experience and long term care outcomes;
   b) The member’s strengths and preferences;
c) The frequency of face-to-face and other contacts, consistent with the minimums required by Article IV.H, and an explanation of the rationale for that frequency. These figures and the supporting rationale shall be based upon the assessment of the complexity of the member’s needs, preferences, risk factors including potential vulnerability/high risk, and any other factors relevant to setting the frequency of face to face visits;

d) The paid and unpaid supports, services, strategies and backup plans to mitigate risk and help the member work toward achieving his/her long term care outcomes, including those services, the purchase or control of which the individual elects to self-direct;

e) The natural and community supports that provide each service or support that is identified by the assessment and verification from the member/legal decision maker that natural supports included in the MCP are available and willing to provide assistance as identified in the MCP;

f) The home and community-based residential setting option chosen by the member and other options presented to the member unless the member declines to consider other options;

g) The setting in which the member resides supports integration into the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community;

h) For members residing in a provider-owned or controlled residential setting, the MCP must document that any modification of the standards listed under 42 C.F.R. § 441.301(4)(vi) A through D are supported by a specific assessed need and justified in the MCP. Specifically, this documentation must include: (1) the identification of a specific and individualized assessed need; (2) the positive interventions and supports used prior to any modifications to the MCP; (3) the less intrusive methods of meeting the need that have been tried but did not work; (4) a clear description of the condition that is directly proportionate to the specific assessed need; (5) the regular collection and review of data to measure the ongoing effectiveness of the modification; (6) the established time limits for periodic reviews to determine if the modification is still necessary or can be terminated; (7) the informed consent of the individual and (8) an assurance that interventions and supports will cause no harm to the individual.

i) The plan for coordinating services outside the benefit package received by the member;
j) The plan to sustain, maintain and/or enhance the member’s existing natural supports and community supports and for coordinating services the member receives from such supports;

k) The specific period of time covered by the MCP;

l) Any areas of concern that IDT staff see as a potential risk that have been discussed with the member, including instances when:

m) The member refuses a specific service or services that IDT staff believes are needed and IDT staff have attempted to make the member aware of any risk associated with the refusal.

n) The member engages in behavior that IDT staff view as a potential risk but the member does not want to work on that behavior at this time, and IDT staff have offered education about the potential negative consequences of not addressing the risk; and

o) For members who have been prescribed any complex medication regime or behavior modifying medication:

1) The rationale for use and a detailed description of the behaviors which indicate the need for administration of any prescribed complex medication regime or behavior modifying medication; and

2) Any instances of the inappropriate use of the complex mediation regime or behavior modifying medication, including use contrary to the member's care plan, the presence of significant side effects, inappropriate use of the medication as a form of discipline or for staff convenience, or for use contrary to the intended use.

d. Authorizing Services

IDT staff will prepare service authorizations in accordance with the MCO’s DHS-approved service authorization policies and procedures and Section K., Service Authorization, of this article.

e. Documenting Services Authorized by the IHCP

The IDT staff shall give the member, as part of the MCP, a listing of the services and items that will be authorized by the IHCP. The list shall include at a minimum:

i. The name of each service or item to be furnished;

ii. For each long-term care service, the units authorized;

iii. The frequency and duration of each service including the start and stop date; and

iv. For each service, the provider name.
**f. Cost of Services**

Upon the member’s request, the IDT staff shall provide information on the current cost per unit for services authorized by the IHCP.

**g. Signatures on the MCP**

IDT staff shall review the MCP with the member and obtain the signature of the member or the member’s legal decision maker to indicate his/her agreement with the MCP. The IDT shall obtain the signatures of all individuals and providers responsible for the MCP’s implementation. If the IHCP is unable to obtain the member’s signature, the IHCP must document the efforts made to obtain it.

**i. If a member declines to sign the MCP, the IDT staff shall:**

a) Document in the member record the request made to the member to sign the MCP and the reason(s) for refusal; and

b) If the refusal to sign the MCP reflects the member’s disagreement with the MCP, the IDT staff shall discuss the issues with the member and provide the member with information on how to file a grievance or appeal.

**ii. If the member’s record contains documented evidence, including case notes, or when available, documentation from a mental health professional, that obtaining the member’s signature on the MCP is detrimental to the member’s clinical or functional well-being, the IDT staff shall:**

a) Document in the member record the specific reasons why the IDT staff and/or mental health professional believe that obtaining the member’s signature should not be carried out; and

b) At each subsequent MCP review, reevaluate the decision to not obtain the member’s signature on the MCP or provide the member with a copy of the MCP.

**h. Distributing Copies of the MCP**

**i. Each member shall receive a signed copy of his/her MCP.**

**ii. If a member declines to accept a copy of the MCP, the IDT staff shall:**

a) Document in the member record that the member was offered a copy of the MCP, the member’s refusal to accept a copy and the reason(s) for refusal;

b) If applicable, facilitate an arrangement by which the member’s legal decision maker retains a copy of the MCP, which can be made available to the member upon request;
c) Inform the member of the method by which a copy of the MCP can be obtained at any time thereafter from the IDT staff, at no cost to the member;

d) Provide the member with the details of the MCP verbally upon request of the member.

iii. If the member’s record contains documented evidence, including case notes, or when available, documentation from a mental health professional, that providing the member with a copy of the MCP is detrimental to the member’s clinical or functional well-being, the IDT staff shall:

a) Document in the member record the specific reasons why the IDT staff and/or mental health professional believe that requirement to provide the member with a copy of MCP should not be carried out;

b) Review the MCP verbally with the member and/or member’s legal decision maker;

c) Inform the member that the plan can be reviewed verbally at any time thereafter from the IDT staff;

d) Inform the member of the right to grieve the decision to not leave a copy of the MCP with the member; and

e) At each subsequent MCP review, reevaluate the decision to not provide the member with a copy of the MCP.

iv. The IDT shall distribute to each individual or provider responsible for the MCP’s implementation the portion of the MCP applicable to that individual or provider.

D. **Timeframes**

1. **Initial Assessment and MCP Timeframes**

   a. **Immediate Service Authorization**

   Beginning on the date of accepted referral for IHCP care management, the IHCP is responsible for providing the member with needed services in the benefit package. This includes responsibility to continue to provide services or supports the member is receiving at the time of enrollment if they are necessary to ensure health and safety and continuity of care until such time as the IDT staff has completed the initial assessment. Such services may have time limited authorizations until completion of the member’s full assessment and member-centered plan.

   b. **Initial Contact**

   The IHCP shall contact the member (face-to-face or via telephone) within three (3) calendar days of choosing the IHCP for case management to:
i. Welcome the member to the IHCP;

ii. Make certain that any services needed to assure the member’s health, safety and well-being are authorized;

iii. Provide the member with immediate information about how to contact the IHCP for needed services;

iv. Review the stability of current supports in order to identify the services and supports necessary to sustain the member in his/her current living arrangement; and

v. Schedule a face-to-face contact with the IDT and member.

c. Initial Assessment

Within ten (10) calendar days from date of accepted referral for IHCP care management, the IDT shall meet face-to-face with the member to:

i. Review the member’s most recent long-term care functional screen and any other available information.

ii. Explain the Family Care program and the philosophy of managed long-term care, including the member’s responsibility as a team member of the IDT;

iii. Conduct the initial assessment, including an initial brief nursing assessment to examine the member's needs which at a minimum must include:

   a) Are there imminent dangers to self or others (physical and/or behavioral);

   b) Does the member require assistance with medication administration?

   c) Is there a support system change/concern (i.e., loss of spouse, caregiver, no support available, etc.)?

   d) Is the member demonstrating severe impairment of cognition or orientation?

   e) Have there been any recent transitions of care (i.e., hospital to home) or recent ER/Urgent Need visits?

   f) Assess the stability of current supports in order to identify the services and supports necessary to sustain the member in his/her current living arrangement.

d. Initial Service Authorization

i. The initial service authorization shall be developed by the IDT staff in conjunction with the member and shall immediately authorize needed services.
ii. The initial service authorization shall be developed and implemented within five (5) calendar days of accepted referral for IHCP care management and signed by the member or the member’s legal decision maker within ten (10) calendar days of member choosing IHCP.

e. Initial MCP Development

The initial assessment and service authorization completed within the first ten (10) calendar days of date of accepted referral for IHCP care management is the beginning of the initial MCP. The initial MCP might not yet reflect all of the member’s personal experience, or long term care outcomes, but it will reflect health and safety issues the IDT staff have assessed and will provide or arrange for basic services and items that have been identified as needed. It is expected that as the member and IDT staff complete further assessment together, the initial MCP will be more comprehensively developed.

2. Timeframes for Comprehensive Assessment and Signed MCP

a. Comprehensive Assessment

A comprehensive assessment shall be completed within thirty (30) calendar days of date of accepted referral for IHCP care management.

b. Member-Centered Plan (MCP)

A fully developed MCP shall be completed and signed by the member or the member’s legal decision maker within sixty (60) calendar days of date of accepted referral for IHCP care management.

E. Providing, Arranging, Coordinating and Monitoring Services

1. Providing and Arranging for Services

The IDT staff is formally designated as being primarily responsible for coordinating the member’s overall long-term care and health care. In accordance with the MCP, the IDT staff shall authorize, provide, arrange for or coordinate services in the benefit package in a timely manner.

2. Coordination with Other Services

The IDT staff shall ensure coordination of long-term care services with health care services received by the member, as well as other services available from natural and community supports.

This includes but is not limited to assisting members to access social programs when they are unable to do so themselves and, if requested, providing information to a member about how to choose a Medicare Part D Prescription Drug Plan.

This also includes assisting the member to obtain and maintain eligibility for SSI-E, if applicable (refer to the SSI-E Policy Handbook: http://www.emhandbooks.wisconsin.gov/ssi-e/ssi-e.htm).

3. Access to Services
The IDT staff will arrange for, and instruct members on how to obtain, services. The IDT staff shall at a minimum:

a. Within thirty (30) calendar days of accepted referral for IHCP care management, document the member’s primary care provider, specialty care provider(s), and psychiatrist (if applicable);

b. Obtain the member’s authorization, as required by law, to receive and share appropriate health care information;

c. Provide information about the procedures for accessing long-term care services in the benefit package;

d. Provide the member with education on how to obtain needed primary and acute health care services;

e. Educate members in the IHCP’s expectations in the effective use of primary care, specialty care and emergency services; including:

   i. Any procedures the provider must follow to contact the IHCP before the provision of urgent or routine care;

   ii. Procedures for creating and coordinating follow-up treatment plans;

   iii. Policies for sharing of information and records between the IHCP, MCO and emergency service providers;

   iv. Processes for arranging for appropriate hospital admissions;

   v. Processes regarding other continuity of care issues; and

   vi. Agreements, if any, between the IHCP and the provider regarding indemnification, hold harmless, or any other deviation from malpractice or other legal liability which would attach to the IHCP, MCO or emergency services provider in the absence of such an agreement.

4. Monitoring Services

IDT staff shall, using methods that include face-to-face and other contacts with the member, monitor the services a member receives. This monitoring shall ensure that:

a. The member receives the services and supports authorized, arranged for and coordinated by the IDT staff;

b. The services and supports identified in the MCP as being provided by natural and community supports are being provided; and

c. The quality of the services and supports received is adequate and still necessary to continue to meet the needs and preferences of the member and support the member’s outcomes identified in the MCP.

F. Re-Enrollment Assessment and MCP Update

1. When to Use Expedited Procedures
The IHCP may use the expedited procedures and reduced documentation requirements listed below in place of the procedures and documentation requirements set forth in Article IV. Sec. C.1.ii. and c. if:

a. The member re-selects IHCP care management or MCO care management;

b. An assessment that complies with the procedures and documentation requirements set forth in Article IV. Sec. C.1. is on file and has been performed within the past 180 calendar days; and

c. There has been no significant change in the member’s health or other circumstances since the date the member de-selected IHCP care management.

2. **Expedited Procedures**

   a. The IDT staff must review the most recent assessment that was conducted pursuant to the procedural and documentation requirements set forth in Article IV. Sec. C..

   b. IDT staff must review the most recent long term care functional screen.

   c. Within three (3) calendar days of re-selection of IHCP care management, IDT staff must contact the member by telephone and an RN must conduct a health and safety assessment. This assessment can be done by telephone.

   d. If the health and safety assessment reveals that there has been a significant change in the member’s circumstances, the IHCP may not utilize the expedited assessment procedures. The IHCP must instead comply with the assessment procedures and documentation requirements set forth in Article IV. Sec. C..

3. **Reduced Documentation**

   The IHCP must include the following in the member’s file:

   a. Evidence that the IDT contacted or made reasonable attempts to contact the member within three (3) calendar days of re-enrollment and evidence of a completed health and safety assessment as required by Article IV. Sec. F.2.b.

   b. Any updates the IDT makes to the most recent comprehensive assessment conducted per Article IV. Sec. C.1.

4. **MCP Update**

   The IDT must at a minimum review the MCP following an expedited assessment. If there are any changes made to the MCP following an expedited assessment, IDT staff shall review the MCP with the member and obtain the member’s signature or the signature of the member’s legal decision maker.

G. **Reassessment and MCP Update**

1. **Reassessment**

   IDT staff shall routinely reassess, and as appropriate update, all of the sections in the member’s comprehensive assessment and MCP as the member’s long-term care
outcomes change. At a minimum, the reassessment and MCP review shall take place no later than the end of the sixth month after the month in which the previous comprehensive assessment was completed. The reassessment shall include a review of previously identified or any new member long-term care outcomes and supports available. At a minimum:

a. The IDT social services coordinator and registered nurse shall conduct this reassessment and, for vulnerable/high risk members, the reassessment shall occur in the member’s current residence;

b. The IDT staff conducting the re-assessment shall ensure that the other IDT members are updated and involved as necessary on the reassessment;

c. When a complex medication regime or behavior modifying medication or both are prescribed for a member, the requirements in C.1.c.i. shall be met;

d. The entire IDT shall participate in the annual reassessment that is done no later than the end of the twelfth month after the previous comprehensive assessment was completed, including a face-to-face interview with the member by the IDT social services coordinator and registered nurse in the member’s current residence.

In addition, the most appropriate IDT staff shall conduct a reassessment whenever there is:

e. A significant change in the member’s long term care or health care condition or situation; or

f. A request for reassessment by the member, the member’s legal decision maker, the member’s primary medical provider.

2. **MCP Update**

The IDT shall review and update the MCP and service authorization document periodically as the member’s outcomes, preferences, situation and condition changes, but not less than the end of the sixth month after the month in which the previous MCP review and update occurred.

3. **Integrated Employment**

During the member’s comprehensive reassessment and MCP review, the IDT staff shall review with the member, the member’s preference regarding vocational or educational goals, including opportunities to pursue integrated employment.

4. **Interdisciplinary Team and Member Contacts**

   1. **Minimum Required Face-to-Face Contacts**

      IDT staff shall establish a schedule of face-to-face contacts based upon the complexity of the member’s needs and the risk in the member’s life including an assessment of the member’s potential vulnerability/high risk per Article IV.J.1. At minimum, IDT staff is required to conduct a face-to-face visit with a member during each quarter of the calendar
year and both the social services coordinator and registered nurse are required to conduct a face-to-face visit in the member’s residence at minimum:

a. Every twelve (12) months as part of the annual comprehensive assessment; and

b. Every six (6) months for vulnerable/high risk members as part of the annual comprehensive assessment and subsequent six month reassessment. The annual comprehensive assessment visit and subsequent six month reassessment visit count for two of the face-to-face contacts required by this subsection. IHCPs will immediately notify the MCO who shall notify the DHS assigned oversight team of members who meet the vulnerable/high risk criteria but refuse face-to-face visit(s) in their primary residence.

2. **Minimum Required Telephone Contacts**

For any month in which there is not a face-to-face meeting with the member, IDT staff is required to make telephonic contact with the member, the member’s legal decision maker, or an appropriate person associated with the member (for example, a provider, friend, neighbor, or family member) who has been authorized by the member or the member’s legal decision maker to speak with IDT staff. IDT staff shall document that each telephone contact covered all aspects of service monitoring as required under section IV.E.4., including assuring the member is receiving the services and supports authorized, arranged for and coordinated by the IDT staff and the services and supports identified in the MCP as being provided by natural and community supports are being provided, and that the quality of the services and supports received is adequate and still necessary to continue to meet the needs and preferences of the member and support the member’s outcomes identified in the MCP.

3. **Documentation**

The IHCP shall document care management contacts in the MCO’s DHS approved format and provide care management contact data to the MCO.

I. **Member Record**

The IHCP shall develop and maintain a complete member record in accordance with MCO policy and procedures as specified in Article XII.A.8., Contents of Member Records, for each member. A complete and accurate account of all care management activities shall be documented by IDT staff and included in the member’s record.

J. **Member Safety and Risk**

1. **Policies and Procedures Regarding Member Safety and Risk**

The IHCP shall follow the MCO’s DHS-approved policies and procedures regarding member safety and risk. IHCP staff and other appropriate individuals shall be informed of these policies on an ongoing basis.

The purpose of these policies and procedures is to balance member needs for safety, protection, good physical health and freedom from accidents, with over-all quality of life and individual choice and freedom. These policies and procedures shall identify:
a. How IDT staff will assess and respond to risk factors affecting members’ health and safety;

b. Guidelines for use by IDT staff in balancing member rights with member safety through a process of ongoing negotiation and joint problem solving;

c. Criteria for use by IDT staff to identify vulnerable/high risk members as defined in Article IV, section H.

d. Training for all IDT staff in identifying risk and coordinating care with VHRM;

e. Guidelines and tools to assist IDT staff in identifying and mitigating risk for VHRM; and

f. Protocols for use by IDT staff to identify, implement and document appropriate, individualized monitoring and safeguards to address and mitigate potential concerns and assure the health and safety of members identified as vulnerable/high risk as defined in Article IV, section H. At a minimum these protocols must include:

i. Documentation of ongoing assessment of risk and conflict of interest, as required under sections IV.C.2.b.iv. of this Agreement;

ii. Assessment of caregiver stress using caregiver stress tool;

iii. Validation of backup plans to assure caregivers who have been identified are capable and willing to provide support as documented in the comprehensive assessment and member centered plan;

iv. Validation by appropriate IHCP staff or arrangement for validation of supportive home care workers pursuant to the Managed Care Organization Training and Documentation Standards for Supportive Home Care https://www.dhs.wisconsin.gov/publications/p01602.pdf within 10 days of enrollment;

v. Documented attempts to collect data and information from the member's support network, including primary care and other health care providers, caregivers identified in the backup plan, and other significant people who regularly see the member to determine if there are any areas of concern or need that IDT staff should consider in connection with their duty to monitor and coordinate services as required in section IV.E.4. of this Agreement;

vi. Considerations of how to add additional external caregivers, as appropriate, to provide additional risk mitigation.

2. Abuse, Neglect, Exploitation and Mistreatment Prohibited

The IHCP shall implement the MCO’s DHS approved policy that expressly prohibits all forms of abuse, neglect, exploitation and mistreatment of members by IHCP employees and contracted providers. The MCO shall provide the IHCP with the proper reporting procedures to the MCO when abuse or neglect is suspected which shall include...
immediate notification to the MCO, in what format, to whom and how long it will take the MCO to review the report and take or prescribe follow-up action.

3. **Individual Choices in Safety and Risk**

   The IHCP shall have a mechanism to monitor, evaluate and improve its performance in the area of safety and risk issues. These mechanisms shall ensure that the IHCP offers individualized supports to facilitate a safe environment for each member. The IHCP shall assure its performance is consistent with the understanding of the desired member outcomes and preferences. The IHCP shall include family members and other natural and community supports when addressing safety concerns per the member’s preference.

4. **Use of Isolation, Seclusion and Restrictive Measures**

   The MCO and IHCP shall comply with, and as needed, provide training for its providers in compliance with the following requirements:

   a. The MCO and IHCP shall review and approve each request for restrictive measures involving any one or more of its members prior to submitting the request to the BALTCRS Restrictive Measures Lead via DHSBMCRM@dhs.wisconsin.gov.

   b. The MCO, IHCP and its providers shall follow the Department’s written guidelines and procedures on the use of isolation, seclusion and restrictive measures in community settings, and follow the required process for approval of such measures (https://www.dhs.wisconsin.gov/waivermanual/appndx-r1.pdf).

   c. The use of isolation, seclusion and restrictive measures in licensed facilities in Wisconsin is regulated by the Department’s Division of Quality Assurance. When providers are subject to such regulation, the MCO shall not interfere with the procedures of the Division of Quality Assurance.

   d. The MCO, IHCP and its providers shall comply with Wis. Stat. §§ 51.61(1)(i) and 46.90(1)(i) and Wis. Admin. Code § DHS 94.10 in any use of isolation, seclusion and restrictive measures.

   e. The IHCP shall follow the MCO’s DHS-approved policies and procedures regarding Restrictive Measures.

5. **Identifying and Responding to Member Incidents**

   a. The IHCP shall use the MCO’s incident management system, which manages incidents occurring at the member and provider levels, in order to assure member health and safety, reduce member incident risks, and enable development of strategies to prevent future incident occurrences.

   b. The IHCP shall follow the MCO’s DHS-approved policies and procedures regarding the Incident Management System. The IHCP must ensure:

   i. Members/legal decision makers (and involved family and other unpaid caregivers, as appropriate) are informed about abuse, neglect, and
exploitation protections, at the initial assessment or upon member choosing IHCP or at the initial comprehensive assessment, and at each annual comprehensive assessment thereafter. Completion of this task shall be documented in the member record.

ii. Members/legal decision makers (and involved family and other unpaid caregivers, as appropriate) are informed of the process used to report member incidents.

iii. IHCP staff and providers are trained in identifying, responding to, documenting, and reporting member incidents. Completion of training for IHCP staff shall be documented in the staff member's file. Completion of training for providers shall be documented in the IHCP’s provider file.

iv. Providers must report member incidents to designated IHCP staff no later than one (1) business day after the incident was discovered;

v. Effective steps are taken immediately to prevent further harm to or by the affected member(s);

vi. Incidents wherein the member is a victim of a potential violation of the law are reported to local law enforcement authorities. Incidents where the member is suspected of violating the law are reported to local law enforcement, to the extent required by law;

vii. Incidents meeting criteria in Wis. Stat. §§ 46.90(4) or 55.043(1m) are reported in accordance with the applicable statute to the appropriate authority; the IHCP is not responsible for or a substitute for Adult Protective Service investigations;

viii. The IHCP, within three (3) calendar days of learning of the incident, notifies the member/legal decision maker of the incident, unless the member/legal decision maker reported the incident to the IHCP, the IHCP has within that time determined that the report was unfounded or unsubstantiated, or unless the legal decision maker is a subject of the investigation;

ix. The IHCP has designated staff to conduct incident investigations who:
   a) Are not directly responsible for authorizing or providing the member's care;
   b) Have sufficient authority to obtain information from those involved and;
   c) Have clinical expertise to evaluate the adequacy of the care provided relevant to the member incident.

x. The IHCP and MCO will designate staff to provide oversight of IHCP staff or the provider who shall investigate the incident in a manner consistent with the relative scope, severity and implications of any given
member incident and determine and document, at a minimum, the following:

a) The facts of the reported incident (including the date and location of occurrence), the type and extent of harm experienced by the member, any actions that were taken immediately to protect the member and to halt or ameliorate the harm;

b) The cause(s) of the incident;

c) Whether reasonable actions by the provider or others with responsibility for the health, safety and welfare of the member would have prevented the incident; and

d) The MCO will determine if interventions and/or preventative strategies which may include changes in the MCO's or provider's policies or practices to help prevent occurrence of similar incidents in the future.

xi. When warranted, an investigation of each reported member incident shall be completed within thirty (30) calendar days of the incident's discovery. If information or findings necessary for completion of the investigation cannot be obtained within 30 days for reasons beyond the IHCP’s control, the investigation shall be completed as promptly as possible.

xii. Within five (5) business days of completion of the investigation, the MCO shall notify the member/legal decision maker (and/or the member's family, as appropriate) of the results or outcomes of the investigation. Notification shall be in writing and documented in the member record.

K. Service Authorization

1. Service Authorization Policies and Procedures

a. Services in the Long-Term Care Benefit Package

The IHCP must use the MCO’s electronic care management system to generate service authorizations and must follow the MCO’s DHS-approved service authorization policy and procedures.

b. Procedures

IDT staff shall use the MCO’s DHS-approved standardized service authorization policies, procedures and guidelines, as applicable. IDT staff shall explain to the member the standardized service authorization process (RAD process), the member’s role and responsibilities in that process, and when the service authorization process is being used.

The IHCP must have in effect mechanisms to ensure consistent applications of review criteria for authorization decisions; and consult with the requesting provider when appropriate.
2. **Necessity or Appropriateness of Services**

   a. **Use of Approved Service Authorization Policies**

      The IDT shall use the MCO’s DHS-approved service authorization policies and procedures to authorize services. The IDT shall not deny services that are reasonable and necessary to support the member’s long term care outcomes identified in the comprehensive assessment as well as those necessary to assist the member to be as self-reliant and autonomous as possible. Long-term care outcomes for which services are authorized may relate to:

      i. The prevention, diagnosis, and treatment of a disease, condition, and/or disorder that results in health impairments and/or disability;

      ii. The ability to achieve age-appropriate growth and development;

      iii. The ability to attain, maintain, or regain functional capacity; and

      iv. The opportunity to have access to the benefits of community living, to achieve person-centered goals, and live and work in the setting of their choice.

   b. **Amount, Duration and Scope of Medicaid Services**

      Members shall have access to services in the benefit package that are identified as necessary to support the long term care outcomes in an amount, duration and scope that will support member outcomes and are no less effective than would be achieved through the amount, duration and scope of services that would otherwise be furnished to fee-for-service Medicaid recipients.

   c. **Most Integrated Services**

      The IDT staff shall provide services in the most integrated residential setting consistent with the member’s long-term care outcomes, and identified needs, and that is cost-effective when compared to alternative services that could meet the same needs and support similar outcomes.

      Residential care services are services through which a member is supported to live in a setting other than the member’s own home. Residential Care services include Residential Care in Addendum IV, Benefit Package Services Definitions.A.16 and Nursing Home in Addendum IV, Benefit Package Services Definitions.B.9.

      Residential care services are appropriate when:

      i. The member’s long-term care outcomes cannot be cost-effectively supported in the member’s home, or when the member’s health and safety cannot be adequately safe-guarded in the member’s home; or

      ii. Residential care services are a cost-effective option for meeting that member’s long-term care needs.

   d. **Discrimination Prohibited**
The IDT staff shall not arbitrarily deny or reduce the amount, duration, or scope of services necessary to support outcomes solely because of the diagnosis, type of illness, disability or acuity/condition.

e. Resolving Disputes

Disputes between the IHCP and members about whether services are necessary to support outcomes are resolved through the MCO’s grievance and appeals processes. IHCPs must immediately refer members who have a dispute to the MCO.

3. Authorization Limits

The IHCP may place appropriate limits on a service on the basis of criteria such as medical necessity; or for the purpose of utilization management, provided the services furnished can reasonably be expected to support the member’s long term care outcomes as defined in Article VI, Services.

After the initial MCP, when a specific service is identified as necessary to support a member’s long term care outcomes on an ongoing basis and the IDT has determined that the current provider is effective in providing the service, the service shall generally be authorized for the duration of the current MCP (i.e., until the next regularly scheduled MCP update) in an amount necessary to support the member’s outcomes.

The number of units of service or duration of a service authorized may be more limited when the authorization is for:

a. An episodic service or course of treatment intended to meet a need that is anticipated to be short term in nature, which may be authorized for a limited length of time or number of units of service that is expected to be sufficient to meet the short term need.

b. A trial-basis service or course of treatment intended to test whether a particular service or course of treatment is an effective way to support the long term care outcome or need of the member, which may be authorized for a length of time or number of units of service that is expected to be sufficient for the IDT, including the member, to determine whether or not the services or course of treatment is in fact effective in meeting the member’s outcome or need.

Services may be discontinued when a limitation in an original service authorization for an episodic service or course of treatment is reached. If the member requests additional services the IDT staff must respond in accordance with paragraph 7, Responding to Direct Requests By a Member for a Service, of this section.

4. Coordination with Primary Care and Health Care Services

The IHCP must implement procedures to:

a. Ensure that each member has an ongoing source of primary care appropriate to his/her needs and a person or entity formally designated as primarily responsible for coordinating the health care services furnished to the member.
b. Coordinate the services the IHCP furnishes to the member with the services the member receives from any other provider of health care or insurance plan, including mental health and substance abuse services.

c. Share with other agencies serving the member the results of its identification and assessment of special health care needs so that those activities need not be duplicated.

d. Ensure that in the process of coordinating care, each member's privacy is protected consistent with the confidentiality requirements in Article XII, A.

5. **Prohibited Compensation**

The IHCP shall not compensate individuals or entities that conduct utilization management or prior authorization activities in such a way as to provide incentives for the individual or entity to deny, limit, or discontinue for members services necessary to support outcomes.

6. **Communication of Guidelines**

The IHCP shall disseminate to all affected providers practice guidelines used for review and approval of requests for services. Upon request, IHCPs shall disseminate practice guidelines to members and potential members.

7. **Responding to Direct Requests By a Member for a Service**

When a member requests a health or long-term care service or item, IDT staff shall do all of the following:

a. Acknowledge receipt of the request and explain to the member the process to be followed in processing the request;

b. Using the MCO’s DHS-approved guidelines, promptly determine what the core issue is in relation to the request. Assess if the request meets a need defined in the member’s long term outcomes;

c. Determine whether the request is for an item or service included in the Family Care Benefit package (if not, the IHCP may authorize the service only if it complies with the requirements set forth in Article VI.B.);

d. Consult as needed with other health care professionals who have appropriate clinical expertise in treating the member's condition or disease necessary to reach a service authorization decision;

e. Issue a prompt decision as follows:

i. If IDT staff are authorized to provide or arrange the service, make a prompt decision to approve or to disapprove the request based on the MCO’s DHS-approved service authorization policies and procedures. The member is always a participant in the MCO’s DHS-approved service authorization policies and procedures.
ii. If the service authorization process requires that additional IHCP employees or other professionals be involved in decision-making about a member request for service, the IHCP shall assure that:
   a) The additional IHCP employee(s) shall join with the IDT staff;
   b) The expanded IDT shall use the MCO’s DHS-approved service authorization policies and procedures with the member; and
   c) The IDT shall make the final decision taking into consideration the recommendations of the IHCP employees or other professionals.

iii. If the service authorization process requires that the IDT seek additional information outside the team prior to authorization or approval, assure that the additional information is obtained promptly.

iv. The timeframe for decision-making must be in accordance with the timeframe outlined in paragraph 8, Timeframe for Decisions, below.

f. If the IDT staff determines that the service or the amount, duration or scope of the service is not necessary or appropriate and therefore approves less service than requested or declines to provide or authorize the service, the IDT staff shall do all of the following:

i. Within the timeframes identified in paragraph 8 below, if the service or item requested is in the benefit package, provide the member notice of action of any decision by the team to deny a request, or to authorize a service in an amount, duration, or scope that is less than requested.

Failure to reach a service authorization decision within the timeframes specified in paragraph 8, Timeframe for Decisions, below constitutes a denial and therefore requires a notice of action. The notice of action must meet the requirements of Article X, Grievances and Appeals.

ii. When appropriate, notify the rendering provider of the authorization decision. Notices to providers need not be in writing.

iii. All service requests, which are denied, limited, or discontinued, shall be recorded, along with the disposition. Aggregate data on service requests that are denied, limited, or discontinued are compiled for use in quality assessment and monitoring and shall be made available to the MCO or Department upon request.

8. Timeframe for Decisions

The IDT staff shall make decisions on direct requests for services and provide notice as expeditiously as the member’s health condition requires.

a. Standard Service Authorization Decisions

i. Standard service authorization decisions shall be made no later than fourteen (14) calendar days following receipt of the request for the service.
unless the IHCP extends the timeframe for up to fourteen (14) additional calendar days. If the timeframe is extended, the IHCP must send a written notification to the member no later than the fourteenth day after the original request. The notification of extension must inform the member that:

a) The member may file a grievance with the MCO if dissatisfied with the extension, in which case the extension will be considered a denial, and

b) The member may contact the MCO’s Member Rights Specialist for assistance.

b. Expedited Service Authorization Decisions

For cases in which a member or provider indicates, or the IHCP determines, that following the standard timeframe could seriously jeopardize the member’s life or health or ability to attain, maintain, or regain maximum function, the IHCP shall make an expedited service authorization no later than seventy two (72) hours after receipt of the request for service.

The IHCP may extend the timeframes of expedited service authorization decisions by up to eleven (11) additional calendar days if the member or a provider requests the extension or if needed by the IHCP to gather more information. For any extension not requested by the member, the IHCP must give the member written notice of the reason for delay.

c. Failure to Comply with Service Authorization Decision Timelines

Failure to reach a service authorization decision within these specified timeframes constitutes a denial and therefore requires a notice of action. The notice of action must meet the requirements of Article X, Grievances and Appeals.

9. Notice of Action

In accordance with Article X, Section D.1., the IHCP shall provide written notice of action to the member when a decision is made to:

a. Deny or limit a member’s request for a service in the benefit package;

b. Terminate, reduce, or suspend any currently authorized service; or

c. Deny payment for services in the benefit package.

10. Notification of Non Covered Benefit

In accordance with Article X, Section D.1., the IHCP shall provide a Notification of Non Covered Benefit (https://www.dhs.wisconsin.gov/forms/f0/f01283.doc) to the member when a decision is made to:

a. Deny a member’s request for a service outside the benefit package; or

b. Deny a member's request for payment of a service outside of the benefit package.
L. IHCP Responsibilities When a Member Changes County of Residence

1. Definition

Geographic Service Region (GSR) means a county or group of counties for which the MCO has applied and been certified by the Department to provide the Family Care benefit.

2. IHCP Responsibilities

When the IHCP becomes aware that a member intends to change her or his residence, the IHCP shall immediately notifying the MCO, inform the MCO when the appropriate provision below occurs, timely update its records when the change of address occurs and do the following:

a. For Moves Within the MCO’s Geographic Service Region(s):

i. Inform the member of any changes in care management provider, IDT staff, service providers or other aspects of the member's care plan that may result from the move.

ii. Complete Section D of the Family Care /Partnership /PACE Change Routing Form per instructions. The form is available at Family Care/Partnership/PACE/IRIS - Change Routing Form (F-00221A). The instructions are at Family Care/Partnership/PACE/IRIS - Change Routing Instructions (F-00221AI).

b. For Moves to Another Geographic Service Region Served by the member’s MCO:

i. Inform the member of any changes in care management provider, IDT staff, service providers or other aspects of the member's care plan that will result from the move.

ii. Complete Section D of the Family Care /Partnership /PACE Change Routing Form per instructions. The form is available at Family Care/Partnership/PACE/IRIS - Change Routing Form (F-00221A). The instructions are at Family Care/Partnership/PACE/IRIS - Change Routing Instructions (F-00221AI).

iii. Inform the member that options counseling is available from the ADRC in the county to which the member is moving should the member wish to consider a change in MCO (if another MCO operates in the geographic service region), long term care program or care management providers.

c. For Moves to Another Geographic Service Region Not Served by the member’s MCO:

i. Unless the move is due to an IHCP-initiated placement in a nursing home or community residential facility, inform the member that she or he will be disenrolled, will need to select a different MCO or long term care program, and that the IDT staff will help with this transition.
ii. Explain to the member that to assure uninterrupted services, and in the case of a member in the special home and community-based waiver eligibility group (Group B or B+) uninterrupted Medicaid eligibility, it is necessary to contact the ADRC in the new county of residence to enroll in another MCO or another long term care program, preferably with the same effective date as the disenrollment from the current MCO. The IHCP should facilitate this contact and coordinate disenrollment/enrollment dates with the receiving ADRC.

iii. Complete Section D of the Family Care /Partnership /PACE Change Routing Form per instructions, initiating disenrollment. The form is available at Family Care/Partnership/PACE/IRIS - Change Routing Form (F-00221A). The instructions are at Family Care/Partnership/PACE/IRIS - Change Routing Instructions (F-00221AI).

M. Department Review

All records the IHCP maintains pursuant to this agreement shall be made available to the Department upon request with adequate notice for inspection, examination, or audit. Except when the Department determines that unusual circumstances exist, the Department will give the IHCP at least five (5) business days written notice to produce the requested records, unless the IHCP consents to a shorter time frame.

N. IHCP Duty to Immediately Report Certain Member Incidents

1. The IHCP is required to report immediately to the MCO and the MCO will report to DHS any of the following:
   a. Upon learning a member’s whereabouts are not known for 24 hours or more, under any of the following circumstances:
      i. The member is under guardianship/protective placement;
      ii. The member has been identified as a vulnerable/high risk member as defined under Article IV.J.
      iii. The IHCP has reason to believe that the member’s health or safety is at risk;
      iv. The member is a potential threat to the community or self;
      v. The member has a significant medical condition that would deteriorate without medications/care;
      vi. The member lives in a residential facility; or
      vii. The area is experiencing potentially life-threatening weather conditions.
   b. Upon learning a member has died under any of the following circumstances:
      i. Death involving unexplained, unusual, or suspicious circumstances;
      ii. Death involving apparent abuse or neglect;
c. Upon learning a member has suffered or caused an injury or accident related to any of the following circumstances:

i. When unexplained, unusual, or suspicious circumstances exist;

ii. When physical abuse, sexual abuse, or neglect exist;

iii. When the member has been poisoned; or

iv. When law enforcement or a court of law have investigated and/or are involved.

d. Upon learning a member has been admitted to a state IMD or Intensive Treatment Program (ITP). A list of both county and privately operated IMDs in Wisconsin can be found in section 27.11 of the Medicaid Eligibility Handbook.

2. In addition to the immediate reporting requirements provided by Article IV.N, IHCPs shall also comply with all other reporting requirements in this agreement, including, but not limited to, those provided in Article XIII.
V. Self-Directed Supports

A. IHCP Requirements

The IHCP must present SDS as a choice to all members as specified in Wis. Admin. Code § DHS 10.44(6). Specific responsibilities of the IHCP are to:

1. Ensure that SDS funds are not used to purchase residential services that are included as part of a bundled residential services rate in a long-term care facility. Members who live in residential settings can self-direct services that are not part of the residential rate.

2. Determine the cost of services to be self-directed, which shall be used in establishing the member's SDS budget.

3. Continue to expand the variety of choices and supports available within SDS.

4. Ensure that all IDT staff understand SDS or have access to Indian Health Care Provider (IHCP) staff who have expertise in SDS.

5. Follow the MCO’s DHS-approved policy and procedure for setting budgets.

6. Ensure that all IDT staff understand how to create a budget with a member or have access to Indian Health Care Provider (IHCP) staff who have expertise in SDS who can assist with setting budgets.

7. Ensure that all IDT staff understand how to monitor SDS with a member and their IDT or have access to Indian Health Care Provider (IHCP) staff who have expertise in SDS who can assist with monitoring for quality and safety.

8. Ensure that all IDT staff understand how to mitigate the potential conflicts inherent when a legal decision maker is self-directing on behalf of the member or have access to Indian Health Care Provider (IHCP) staff who have expertise in SDS who can assist with mitigating such conflicts.

9. Follow the MCO’s DHS-approved policy and procedure describing conditions under which the IHCP may restrict the level of self-management exercised by a member where the team finds any of the following:
   a. The health and safety of the member or another person is threatened.
   b. The member’s expenditures are inconsistent with the established plan and budget.
   c. The conflicting interests of another person are taking precedence over the outcomes and preferences of the member.
   d. Funds have been used for illegal purposes.
   e. The member has been identified as a Vulnerable/High Risk member and insufficient measures have been taken to mitigate risk.
   f. The member refuses to provide access to the home or otherwise refuses to provide information necessary for the IDT to adequately monitor member health and safety.
g. Additional criteria for restricting the level of self-management exercised by a member may be approved by DHS in relation to other situations that the Indian Health Care Provider (IHCP) has identified as having negative consequences.

Assure that persons providing services to members on a self-directed basis who do not otherwise have worker’s compensation coverage for those services have coverage provided as follows:

a. Where the member is the common law employer of the person providing services, the fiscal services management entity (also called the fiscal/employer agent) that performs employer-related tasks for the member shall purchase and manage a worker's compensation policy on behalf of the member, who shall be the worker's compensation employer.

b. Where the member is the managing co-employer of the person providing services with a co-employment agency (also called an agency with choice) as the common law employer, the co-employment agency shall provide worker’s compensation coverage as the worker’s compensation employer.

B. Indian Health Care Provider (IHCP) IDT Staff Responsibilities

It is the responsibility of the Indian Health Care Provider (IHCP) IDT staff to:

1. Provide information regarding the philosophy of SDS and the choices available to members within SDS. The information provided to members must include:
   a. A clear explanation that participation in SDS is voluntary, and the extent to which members would like to self-direct is the members’ choice;
   b. A clear explanation of the choices available within SDS;
   c. An overview of the supports and resources available to assist members to participate to the extent desired in SDS; and
   d. An overview of the conditions in which the IHCP may limit the level of self-management by members, the actions that would result in the removal of the limitation, and the members’ right to participate in the MCO’s grievance process, as specified in Article X, Grievances and Appeals.

2. On a yearly basis, obtain a dated signature from the member or member’s legal decision maker on a form, or section of an existing form, where the member must do the following:
   a. Affirm the statement below:

   “My Indian Health Care Provider (IHCP) interdisciplinary team has explained the self-directed supports option to me. I understand that under this option I can choose which services and supports I want to self-direct. I understand that this includes the option to accept a fixed budget that I can use to authorize the purchase of services or support items from any qualified provider.”
a. Affirm one of the two statements below:
   i. “I accept the offer of self-directed supports and the Indian Health Care Provider (IHCP) interdisciplinary team is helping me explore that option.”
   ii. “I decline self-directed supports at this time but understand I can choose this option at any time in the future by asking my Indian Health Care Provider (IHCP) interdisciplinary team.”

3. 
   Maintain the signed form as required in V.B.2. above.

4. Work jointly with members during the comprehensive assessment and member-centered planning process to ensure all key SDS components are addressed, including:
   a. What specific service/support do members want to self-direct;
   b. To what extent does the member want to participate in SDS in this service area;
   c. Are there areas within the comprehensive assessment that indicate that members may need assistance/support to participate in SDS to the extent they desire;
   d. Identification of resources available to support members as needed, including a thorough investigation of natural supports, as well as identifying the members’ preferences regarding how/by whom these supports are provided;
   e. Identification of potential health and safety issues related to SDS and specific action plans to address these;
   f. Development of a budget for the support members have chosen to self-direct, and a plan that clearly articulates to what extent members would like to participate in the budgeting/payment process;
   g. Identification of what mechanism members have chosen to assure compliance with requirements for the deduction of payroll taxes and legally mandated fringe benefits for those employed by members; and
   h. For members with legal decision makers, the identification of the need for their training in the area of identification of member preferences, and member self-advocacy training.

5. Ensure all key SDS components are included in the member-centered plan, including:
   a. Desired outcomes related to SDS;
   b. Supports/resources that will be utilized to ensure members’ participation in SDS to the extent they desire; and
   c. Identification of potential health and safety issues, and a plan of action to address them.
   d. Identification of how the member's SDS plan will be monitored to ensure member health, safety and welfare.

6. Ensure mechanisms are in place for ongoing check-in and support regarding the members’ participation in SDS, including:
a. Systems for ensuring member’s expenditures are consistent with the agreed upon budget;

b. Identification of any changes needed in the SDS budget or identified supports/resources;

c. Check-in regarding potential health and safety issues and the action plans developed to address them; and

d. Check-in regarding potential conflicts of interest – other persons’ views taking precedence over the members’ outcomes and preferences.

7. Implement the policies and procedures regarding member safety and risk described under Article V.J.1, including the identification of vulnerable/high risk members and documentation of the specific measures implemented to assure the health and safety of such members.

8. Validate or arrange for validation of supportive home care workers pursuant to the Managed Care Organization Training and Documentation Standards for Supportive Home Care: [https://www.dhs.wisconsin.gov/publications/p01602.pdf](https://www.dhs.wisconsin.gov/publications/p01602.pdf)
VI. Services

A. General Provisions

1. Comprehensive Service Delivery System

The Indian Health Care Provider (IHCP) will provide members with high-quality long-term care services that:

a. Are from appropriate and qualified providers;
b. Are fair and safe;
c. Serve to maintain community connections, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community, and that are cost effective.
d. Services are delivered pursuant to this agreement and any applicable state and federal regulations.

2. Sufficient Services

Services must be sufficient in amount, duration, or scope to reasonably be expected to achieve the purpose for which the services are furnished.

3. Coverage Responsibility

The Indian Health Care Provider (IHCP) is responsible for authorizing services in the benefit package that address any of the following:

a. The prevention, diagnosis, and treatment of a disease, condition, and/or disorder that results in health impairments and/or disability;
b. The ability to achieve age-appropriate growth and development;
c. The ability to attain, maintain, or regain functional capacity; and
d. The opportunity to have access to the benefits of community living, to achieve person-centered goals, and live and work in the setting of their choice.

4. Inform Members of the Benefit Package

The Indian Health Care Provider (IHCP) will inform members of the full range of services in the benefit package appropriate for their level of care.

5. In Lieu of Services

a. Definition

In lieu of services are a subset of services that the Department has, as a general matter, determined are medically appropriate and cost-effective substitutes for covered services in the benefit package, and:

i. Which are offered to a member at the discretion of the IHCP;
ii. Which the member agrees to as a substitute service; and

iii. For which the IHCP or MCO pays no more than the Medicaid fee-for-service rate of the covered service in the benefit package for which the substitute service is being provided in lieu of.

b. In Lieu of Services for Members Functionally Eligible at the Non-Nursing Home Level of Care

For a member functionally eligible at the non-nursing home level of care the IHCP and the MCO may:

i. Provide the following services in lieu of home health care in Addendum IV.B.6 or personal care in Addendum IV.B.14:
   a) Supportive home care in Addendum IV. A.24.;
   b) Respite care in Addendum IV.A.17.;
   c) Personal emergency response system in Addendum IV.A.13.;
   d) Daily living skills training in Addendum IV.A.10.a.;
   e) Day habilitation services in Addendum IV.A. 10.b.;
   f) Prevocational services in Addendum IV.A.14.;
   g) Residential care services in Addendum IV.A.16.;
   h) Home delivered meals in Addendum IV.A.11.;
   i) Counseling and therapeutic services in Addendum IV.A.7.; or
   j) Congregate nutrition services under 42USC § 3030e.

ii. Provide specialized transportation–other transportation in Addendum IV.A.27 in lieu of transportation services in Addendum IV.B.16.

c. The MCO and IHCP may only provide a service as an in lieu of service if it is so specified in this Agreement.

B. Provision of Services in the Family Care Benefit Package

1. Services for Members at the Nursing Home Level of Care

The IHCP shall promptly provide or arrange for the provision of all health and long-term care services in the benefit package, consistent with the member-centered plan (MCP) described in Article IV.C., Assessment and Member-Centered Planning Process.

Coverage of services identified in each individual member’s MCP must be consistent with the definition of “Services Necessary to Support Outcomes,” in Article I, Definitions.

Family Care services include all of the following:

a. The home and community-based waiver services defined in Addendum IV.A.;
b. The long term care Medicaid State Plan Services identified in Addendum IV.B.; and

c. Any cost-effective health care services the IHCP substitutes for a long term care service in the Medicaid State Plan identified in Addendum IV.B.

2. **Services for Members at the Non-Nursing Home Level of Care**

The following policies apply to Family Care members who are at the non-nursing home level of care:

a. The IHCP shall promptly provide or arrange for the provision of all services in the benefit package, consistent with the Member-Centered Plan, and as defined in Addendum IV.B.

b. If a member at the non-nursing home level of care is admitted to a nursing facility or ICF-IID the IHCP must immediately notify the MCO as the LTC Functional Screen must be updated by a certified screener within ten (10) business days of admission to determine whether changes in the member’s long-term health and care needs are consistent with the nursing home level of care. If the re-screening result continues to indicate a non-nursing home level of care, before notifying the member and nursing facility that nursing home services are not coverable for the member, the IHCP shall:

i. Within three (3) business days of the rescreening result the MCO will contact the Division of Medicaid Services Nursing Home Section in the Bureau of Long Term Care Financing at DHSDLTCBFM@dhs.wisconsin.gov with "Attention Nursing Home Section" as the subject line and provide the member's name, Medicaid ID, facility name and date of admission. The Nursing Home Section will within three (3) business days determine whether the member's most recent Minimum Data Set (MDS) assessment indicates the member's nursing home services are Medicaid reimbursable and inform the MCO of that determination by reply email.

ii. If the MDS assessment indicates that the member's nursing home services are Medicaid reimbursable, to assure per 42 C.F.R. §438.210 that the IHCP's coverage of nursing home services is no more restrictive than what applies under FFS, the IHCP shall continue to cover the services for the member through discharge or until the most recent MDS assessment indicates that the member's nursing home services no longer qualify for Medicaid reimbursement. The MCO may re-query the Nursing Home Unit as in i. above every 90 days after the initial query to obtain the latest MDS determination.

iii. If the MDS assessment indicates that the member's nursing home services are not Medicaid reimbursable, the IHCP shall notify the member and nursing facility that this service is not in the member's benefit package. If
the IHCP will terminate the nursing home service, it must provide appropriate notice in accordance with Article X.D., Notice of Action.

As a consequence of the nursing home stay, the Member-Centered Plan must be updated based upon review of the changes in care needs and the preferences of the member. The member must be rescreened to determine level of care within sixty (60) calendar days following discharge from the nursing home or ICF-IID.

c. If a member at the non-nursing home level of care enrolls when residing in a nursing facility or ICF-IID, the IHCP should notify the MCO immediately and the LTC Functional Screen must be updated by a certified screener within three (3) business days of enrollment to determine the appropriate level of care. If the re-screening result continues to indicate a non-nursing home level of care, before notifying the member and nursing facility that nursing home services are not coverable for the member, the IHCP shall follow the steps and requirements under b. i.-iii above.

If the member remains at the non-nursing home level of care and the most recent MDS assessment indicates that the member’s nursing home services are not Medicaid reimbursable, the IHCP shall notify the member and nursing facility that this service is not in the member’s benefit package. If the IHCP will terminate the nursing home service, it must provide appropriate notice in accordance with Article X.D., Notice of Action.

C. Prohibited Services

The Indian Health Care Provider (IHCP) may not pay for an item or service (other than in an emergency but not including when furnished in a hospital emergency room) for which funds may be used under the Assisted Suicide Funding Restriction Act of 1997.

D. Primary Care and Coordination of Health Care Services

The IHCP must follow the MCO’s procedures to:

1. Ensure an Ongoing Source of Primary Care

   Ensure that each member has an ongoing source of primary care appropriate to his/her needs and a person or entity formally designated as primarily responsible for coordinating the health care services furnished to the member.

2. Coordinate Services

   Coordinate the services the IHCP authorizes for the member with the services the member receives from any other provider of health care or insurance plan.

3. Protect Privacy

   Ensure that in the process of coordinating care, each member’s privacy is protected consistent with the confidentiality requirements in Article XII.A.1.

E. 24-Hour Coverage
1. **Responsibility**

   The Indian Health Care Provider (IHCP) shall be responsible twenty-four (24) hours each day, seven (7) days a week for providing members with services necessary to support outcomes including:
   
   a. Immediate access to urgent and emergency services needed immediately to protect health and safety;
   
   b. Access to services in the benefit package;
   
   c. Coordination of services that remain Medicaid fee-for-service for Family Care members who are Medicaid beneficiaries; and
   
   d. Linkages to Adult Protective Services.

2. **Policies and Procedures**

   The Indian Health Care Provider (IHCP) shall:
   
   a. Provide a telephone number that members or individuals acting on behalf of members can call at any time to obtain advance authorization for services in the benefit package. This number must provide access to individuals with authority to authorize the services in the benefit package as appropriate.
   
   b. Respond to such calls within thirty (30) minutes.
   
   c. Assure adequate communication with the caller in the language spoken by the caller.
   
   d. Document these calls with time, date and any pertinent information related to person(s) involved, resolution and follow-up instructions and submit this documentation to the MCO or Department upon request.
   
   e. Notify members and the MCO and Department of any changes of the phone number within seven (7) business days of change.

F. **Billing Members**

1. **Prohibition on Billing Recipients for Covered Services**

   The Indian Health Care Provider (IHCP), its providers and subcontractors shall not bill a member for services in the benefit package provided during the member’s enrollment period in the MCO, except as provided for in the 1915(c) waiver post-eligibility treatment of income and the purchase of enhanced services as allowed under Article II, of this agreement. This provision pertains even if the:
   
   a. Indian Health Care Provider (IHCP) becomes insolvent;
   
   b. MCO or Department does not pay the Indian Health Care Provider (IHCP) for covered services provided to the member.

2. **Prohibition on Billing in Insolvency**
In the event of the Indian Health Care Provider (IHCP)’s insolvency, the Indian Health Care Provider (IHCP) shall not bill members for debts of the Indian Health Care Provider (IHCP) or for services in the benefit package and provided during the member’s period of MCO enrollment.

G. Department Policy for Member Use of Personal Resources

1. Counseling to Assure the Use of Personal Resources is Voluntary
   a. If a member-requested or received item or service has been denied, reduced, suspended or terminated through the RAD process with notice that meets the requirements under Article X.D. (Notice of Action), no additional counseling is required.
   b. In any other situation where use of personal resources is permitted under subsection 2 the Indian Health Care Provider (IHCP) shall counsel the member that such use of personal resources is entirely voluntary and shall document this counseling in the case record.

2. Voluntary Payments, Prepayments or Repayments
   The voluntary choice of a member or the member’s family or significant others to pay an amount to Medicaid to maintain Medicaid eligibility, prepay a Medicaid deductible or reduce potential claim in an estate is considered a voluntary payment, prepayment or repayment.

   When the Indian Health Care Provider (IHCP) is aware of a planned payment, the Indian Health Care Provider (IHCP) shall refer to the income maintenance agency a member or the member’s family or significant others who wish to make voluntary payments to Medicaid to maintain Medicaid eligibility, prepay a Medicaid deductible, or reduce the potential claim in an estate.

3. Reporting
   a. The Indian Health Care Provider (IHCP) shall report quarterly to the MCO:
      i. All circumstances within the scope of this section where a member or the member’s family or significant others made a choice to voluntarily purchase items or services within the benefit package;
      ii. All donations directly received by the Indian Health Care Provider (IHCP); and
      iii. All circumstances when the member uses personal resources for an item or service in the benefit package.
   b. The Indian Health Care Provider (IHCP) does not need to report to the MCO in the quarterly report:
      i. Voluntary payments the Indian Health Care Provider (IHCP) is unaware of.
ii. Use of member resources that amount to less than $100 for a one-time purchase or less than $50 per month for a service or item purchased on an on-going basis.

H. Court-Ordered Services

1. Coordinate with County Agencies

The Indian Health Care Provider (IHCP) shall attempt to coordinate the provision of court-ordered services with the county agencies that provide services to the court.

2. Arrange for Court-ordered Services

The Indian Health Care Provider (IHCP) shall arrange for court-ordered services and treatment if the service is a benefit package service for which the MCO would be the primary payer and the member has been court ordered into placement or to receive services such as through Wis. Stats. Chs. 51, 54, or 55.

3. Prompt Referrals or Authorization

Necessary Indian Health Care Provider (IHCP) referrals or treatment authorizations for court-related protective, Alcohol and Other Drug Abuse (AODA) and/or mental health services must be furnished promptly. For AODA any services requiring a referral or authorization of services it is expected that no more than five (5) business days will elapse between receipt of a written request by the Indian Health Care Provider (IHCP) and the issuance of a referral or authorization for treatment. Such referral or authorization, once determined to be medically necessary, will be retroactive to the date of the request. After the fifth (5th) business day an assumption will exist that an authorization has been made until such time as the Indian Health Care Provider (IHCP) responds in writing.

4. Collaborate on the Plan of Care

Whenever possible, the Indian Health Care Provider (IHCP) shall collaborate with the appropriate county agency to develop recommendations to the court for a plan of care that meets the protective service and/or treatment needs of the member.

I. Elder Adults/Adults at Risk Agencies and Adult Protective Services

1. Indian Health Care Provider (IHCP) Responsibility

The Indian Health Care Provider (IHCP) shall make reasonable efforts to ensure that the members they serve are free from abuse, neglect, self-neglect and exploitation.

2. Policies and Procedures

The Indian Health Care Provider (IHCP) shall ensure that Indian Health Care Provider (IHCP) staff:

a. Are able to recognize the signs of abuse, neglect, self-neglect, and exploitation as defined in Wis. Stats. §§ 46.90 and 55.01.
b. Identify members who may be at risk of abuse, self-neglect and exploitation and in need of elder adult/adult-at-risk or adult protective services (EA/AAR/APS).

c. Report incidents to the MCO involving member abuse, neglect, self-neglect and exploitation as provided in Wis. Stats. §§ 46.90(4)(ar) and 55.043(1m)(br).

d. Refer members at risk or in need of services to the appropriate EA/AAR/APS agency.

e. Update the member’s care plan as needed to balance member needs for safety, protection, physical health, and freedom from harm with overall quality of life and individual choice.

f. Follow-up to ensure that member needs are addressed on an ongoing basis.

3. Access to Elder Adults/Adults at Risk (EA/AAR) and Adult Protective Services (APS)

For members in need of services provided by EA/AAR Agencies or APS, the Indian Health Care Provider (IHCP) shall involve the entity in the following capacities:

a. The Indian Health Care Provider (IHCP) shall, as appropriate, invite an EA/AAR/APS staff person to participate in the member-centered planning process including plan development and updates, comprehensive assessment and re-assessments; and

b. The Indian Health Care Provider (IHCP) shall, as appropriate, invite an EA/AAR/APS staff person to participate on the interdisciplinary team to the extent that the staff person makes recommendations as necessary to fulfill their EA/AAR/APS responsibilities.

c. The Indian Health Care Provider (IHCP) shall designate a contact person to assist staff working in county EA/AAR/APS agencies to develop service options for members or potential members. This contact person, or a representative of the member’s Indian Health Care Provider (IHCP) interdisciplinary team, may participate in the county EA/AAR interdisciplinary team.

4. Examination and Treatment Services

The Indian Health Care Provider (IHCP) shall arrange for the provision of examination and treatment services by providers with expertise and experience in dealing with the medical/psychiatric aspects of caring for victims and perpetrators of elder abuse, abuse of vulnerable adults, and domestic violence. Such expertise shall include the identification of possible and potential victims of elder abuse and domestic violence, statutory reporting requirements, and local community resources for the prevention and treatment of elder abuse and domestic violence.

The Indian Health Care Provider (IHCP) shall consult with human service agencies on appropriate providers in their community.

The Indian Health Care Provider (IHCP) shall further assure that providers with appropriate expertise and experience in dealing with perpetrators and victims of domestic abuse and incest are utilized in service provision.
5. Court Ordered Services

The Indian Health Care Provider (IHCP) shall comply with the provisions in Section L, Court-Ordered Services, in this article for all adult protective services through Wis. Stats. §§ 51, 54, or 55.
VII. Provider Network

A. Member Choice

1. Information to Members

The Indian Health Care Provider (IHCP) shall inform members about the full range of provider choice available to them, including free choice of medical and other providers through the MCO or that remain fee-for-service for Family Care members, as applicable.

2. Member Choice of Interdisciplinary Teams

The Indian Health Care Provider (IHCP) shall inform the member that the member is allowed to change to an MCO interdisciplinary team at any time.

B. Member Communications

1. Licensed Health Care Providers Advising and Advocating

An Indian Health Care Provider (IHCP) may not prohibit, or otherwise restrict, a third party provider acting within the lawful scope of practice, from advising or advocating on behalf of an member who is his/her patient, including any of the following:
   a. For the member's health status, medical care, or treatment options, including any alternative treatment that may be self-administered;
   b. For any information the member needs in order to decide among all relevant treatment options;
   c. For the risks, benefits, and consequences of treatment or non-treatment;
   d. For the member's right to participate in decisions regarding his/her health care, including the right to refuse treatment, and to express preferences about future treatment decisions.

2. Information to Members

Upon the request of members, the Indian Health Care Provider (IHCP) shall make available:
   a. The licensure, certification and accreditation status of the Indian Health Care Provider (IHCP), its staff and the providers it contracts with;
   b. The education, board certification and recertification of health professions who are certified by Medicaid and the qualifications of other providers; and
   c. Information about the identity, locations, and availability of services in the benefit package from providers that are contracted by the Indian Health Care Provider (IHCP).

C. Provider Agreements

Indian Health Care Provider (IHCP) provider agreement templates must be approved by the Department prior to the IHCP executing a provider agreement with a third party.
provider. A provider agreement is not required when the IHCP is the provider of the service. This section shall not apply when the IHCP is the provider of the service, although the IHCP shall remain subject to the requirements of this agreement. All IHCP provider agreements for member services with third parties shall be in writing and shall comply with any general requirements of this agreement that are appropriate to the service. All amendments to provider agreements shall be in writing and signed and dated by both the third party provider and the Indian Health Care Provider (IHCP).

The third party provider must agree to abide by all applicable provisions of this agreement. Provider compliance with this agreement specifically includes, but is not limited to, the following requirements (except for specific areas that are inapplicable in a specific provider agreement):

1. **Parties of the Provider Agreement**
   The Indian Health Care Provider (IHCP) and third party provider entering into the agreement are clearly defined.

2. **Purpose of the Program**
   The provider agreement clearly defines the purpose of the program.

3. **Services**
   The provider agreement clearly delineates the services being provided, arranged, or coordinated by the third party provider.

4. **Compensation**
   The provider agreement specifies rates for purchasing services from the third party provider. The provider agreement specifies payment arrangements in accordance with Article VII.F.

5. **Term and Termination**
   d. The provider agreement specifies the start date of the provider agreement and the means to renew, terminate and renegotiate. The provider agreement specifies the Indian Health Care Provider (IHCP)’s ability to terminate and suspend the provider agreement based on quality deficiencies.

   e. **Residential rates**
   Residential rates shall be for a period of not less than one year, unless there is mutual agreement upon a shorter term. Residential services provider agreements or amendments shall specify a contracted rate, include a fee schedule or reference an acuity-based rate setting model. Rates may be changed:

   i. Anytime, through mutual agreement of the Indian Health Care Provider (IHCP) and third party provider.

   ii. When a member’s change in condition warrants a change in the acuity-based rate setting model.
iii. When a rate has been in effect for at least twelve (12) months, and a change is proposed for an individual member or facility:
   a) The Indian Health Care Provider (IHCP) must provide a sixty-day written notice to the third party provider prior to implementation of the new rate.
   b) The rate change may apply to the entire contract or to specific rates within the contract, but only on a prospective basis.
   c) Rates which are reduced using sub ii are protected from additional decreases during the subsequent twelve (12) month period.

Nothing herein shall impair the right of either party to terminate a residential services contract as otherwise specified therein.

6. Supportive Home Care and In-Home Respite Services
   The Indian Health Care Provider (IHCP) shall specify in its provider agreements with third party providers of supportive home care or in-home respite care services that the third party provider shall comply with the Family Care Training and Documentation Standards for Supportive Home Care and In-Home Respite, https://www.dhs.wisconsin.gov/publications/p01602.pdf.

7. Legal Liability
   The provider agreement must not terminate legal liability of the Indian Health Care Provider (IHCP).
   If the Indian Health Care Provider (IHCP) delegates selection of third party providers to another entity, the Indian Health Care Provider (IHCP) retains the right to approve, suspend, or terminate any provider selected by that entity.

8. Quality Management (QM) Programs
   The third party provider agrees to participate in and contribute required data to the IHCP QM programs as required in Article XIII.

9. Restrictive Measures
   The Indian Health Care Provider (IHCP) must require its third party providers to adhere to regulatory requirements and standards set by the MCO relative to restrictive measures including any type of restraint, isolation, seclusion, protective equipment, or medical restraint as required in Article IV.J.4. Use of Isolation, Seclusion and Restrictive Measures.

10. Member Incidents
    The Indian Health Care Provider (IHCP) shall require third party providers it contracts with to identify, respond to, document, and report member incidents as required in Article IV.J.5. Identifying and Responding to Member Incidents.

11. Non-Discrimination
The third party provider agrees to comply with all applicable non-discrimination requirements and all applicable affirmative action and civil rights compliance laws and regulations as described in Article X. (also reference https://www.dhs.wisconsin.gov/civil-rights/index.htm). No term or condition of the provider agreement or any addendum thereto shall be construed to require the IHCP to serve individuals who are ineligible under federal law for services from the IHCP.

12. **Insurance and Indemnification**

The third party provider attests to carrying the appropriate insurance and indemnification.

13. **Notices**

The provider agreement specifies a means and a contact person for each party for purposes related to the subcontract (e.g., interpretations, subcontract termination).

14. **Access to Premises and Audit Rights**

The third party provider agrees to provide representatives of the Indian Health Care Provider (IHCP), MCO, as well as duly authorized agents or representatives of the Department and the Federal Department of Health and Human Services, access to its physical premises, equipment, books, contracts, records, and computer or other electronic systems in accordance with Article XII.F., IHCP Insurance

If not self-insured:

f. The IHCP agrees that in order to protect itself as well as the Department under the indemnity agreement provision set forth in the preceding paragraph, the IHCP will at all times during the terms of this agreement keep in force a liability insurance policy issued by a company authorized to do business in the State of Wisconsin and licensed by the Office of Commissioner of Insurance. In the event of any action, suit, or proceeding against the Department upon any matter herein indemnified, the Department shall, within five (5) working days, notify the IHCP by certified mail, addressed to its post office address, of the action.

15. **If self-insured:**

a. The IHCP shall be responsible for any loss or expense (including cost and attorney fees) incurred by or attributed to any act, error, or omission of its agent or agents.

Access to Premises and Information.

16. **Certification and Licensure**

The third party provider agrees to provide applicable licensure, certification and accreditation status upon request of the Indian Health Care Provider (IHCP) or MCO and to comply with all applicable regulations. Health professions which are certified by Medicaid agree to provide information about their education, board certification and
recertification upon request of the Indian Health Care Provider (IHCP) or MCO. The third party provider agrees to notify the Indian Health Care Provider (IHCP) of changes in licensure.

17. **Sanctions/Criminal Investigations**

The third party provider must notify the Indian Health Care Provider (IHCP) of any sanctions imposed by a governmental regulatory agency and/or regarding any criminal investigations involving the third party provider. The Indian Health Care Provider (IHCP) must report this information to the MCO and DHS.

18. **Cooperation with Investigations**

To the extent permitted by law, the provider agreement shall require the third party provider to fully cooperate with any member-related investigation conducted by the Indian Health Care Provider (IHCP), MCO, the Department, the Federal Department of Health and Human Services, CMS, law enforcement, or any other legally authorized investigative entity.

19. **Records**

The third party provider agrees to comply with all applicable Federal and State record retention requirements in Article XIII.C.

20. **Member Records**

The third party provider agrees to the requirements for the confidentiality protection, maintenance and transfer of member records described in Article XII.A.1.

The third party provider agrees to make records available to members and their legal decision makers within ten (10) business days of the record request if the records are maintained on site and sixty (60) calendar days if maintained off site in accordance with the standards in 45 C.F.R. Wis. Stats. § 164.524 (b)(2).

The third party provider agrees to forward records to the Indian Health Care Provider (IHCP) and MCO pursuant to grievances and appeals within fifteen (15) business days of the Indian Health Care Provider (IHCP) or MCO’s request or immediately if the appeal is expedited. If the provider does not meet the fifteen (15) business day requirement, the third party provider must explain why and indicate when the records will be provided.

21. **Confidentiality**

The third party provider agrees otherwise to preserve the full confidentiality of records, in accordance with Article XII.A. and protect from unauthorized disclosure all information, records, and data collected under the provider agreement. Access to this information shall be limited to persons who, or agencies such as the MCO, Department and CMS which, require information in order to perform their duties related to this agreement or the DHS-MCO contract.

22. **Access to Services**
The third party provider agrees not to create barriers to access to care by imposing requirements on members that are inconsistent with the provision of services in the benefit package that are necessary to support outcomes.

23. **Authorization for Providing Services**

The provider agreement directs the third party provider on how to obtain information that delineates the process the third party provider follows to receive authorization for providing services in the benefit package to members. The third party provider agrees to clearly specify authorization requirements to its providers and in any provider agreements with its providers.

The Indian Health Care Provider (IHCP) shall ensure service authorization is given to the third party provider prior to the start date of designated services by the provider. When prior written authorization is not practicable, verbal authorization should be provided for the service and written authorization issued thereafter. Services provided on an emergency basis should be followed up with written confirmation of the service, when appropriate.

Revised service authorizations shall be issued to third party providers promptly, with sufficient notice to allow third party providers to comply with the terms of the revised service authorization (for example, to prevent providers from unknowingly exceeding reduced authorized service units) and to timely submit accurate claims during the appropriate billing period.

24. **Billing Members /Hold Harmless**

The payments by the Indian Health Care Provider (IHCP) and/or any third party payer will be the sole compensation for services rendered under the agreement or the DHS-MCO contract. The third party provider agrees not to bill members and to hold harmless individual members, the MCO, Department and CMS in the event the Indian Health Care Provider (IHCP) cannot pay for services that are the legal obligation of the Indian Health Care Provider (IHCP) to pay, including, but not limited to, the Indian Health Care Provider (IHCP)’s insolvency, breach of agreement, and provider billing.

The Indian Health Care Provider (IHCP) and the third party provider may not bill a member for covered services, except in accordance with provisions in Article VI, Sections F. Billing Members.

25. **Member Appeals and Grievances**

The third party provider must recognize that members have the right to file appeals or grievances and assure that such action will not adversely affect the way that the third party provider treats the member.

The third party provider agrees to cooperate and not interfere with the members’ appeals, grievances and fair hearings procedures and investigations and timeframes in accordance with Article X, Grievances and Appeals.
The Indian Health Care Provider (IHCP) must furnish the following grievance, appeal and fair hearing procedures and timeframes to all providers and subcontractors at the time that they enter into a contract:

a. The member’s right to a fair hearing, how to obtain a hearing, and representation rules at a hearing;

b. The member’s right to file grievances and appeals and their requirements and timeframes for filing;

c. The availability of assistance in filing;

d. The toll-free numbers to file oral grievances and appeals;

e. The member’s right to request continuation of benefits during an appeal or fair hearing filing and, if the Indian Health Care Provider (IHCP)’s action is upheld in a hearing, the member may be liable for the cost of any continued benefits; and

f. The member’s appeal rights to challenge the failure of the Indian Health Care Provider (IHCP) to cover a service.

26. **Prohibited Practice**

   a. The Indian Health Care Provider (IHCP) and the third party provider agree to prohibit communication, activities or written materials that make any assertion or statement, that the Indian Health Care Provider (IHCP) or provider is endorsed by CMS, the Federal or State government, or any other entity, provided that the provider may identify itself as operating on behalf of the IHCP.

   b. Marketing/outreach activities or materials distributed by a residential services third party provider, which claim in marketing its services to the general public, that the Family Care program will pay for an individual to continue to receive services from the third party provider after the individual’s private financial resources have been exhausted are prohibited.

27. **Provider Claim Submission Deadline**

   The provider agreement shall specify the number of days that a third party provider has from the date of service to file a claim.

   The provider agreement shall also specify how the above deadline is applied to claims consisting of multiple dates of service.

   In the absence of the above required information, the 12-month timeframe specified in 42 C.F.R. § 447.45(d) will apply to the submission of claims.

28. **Overpayments**

   The third party provider agreement requires the provider to do all of the following when it has received an overpayment from the Indian Health Care Provider (IHCP):

   a. Report the overpayment to the Indian Health Care Provider (IHCP) when identified;
b. Return the overpayment to the Indian Health Care Provider (IHCP) within sixty (60) calendar days of the date on which the overpayment was identified; and

c. Notify the Indian Health Care Provider (IHCP) in writing of the reason for the overpayment.

The Indian Health Care Provider (IHCP) must report the information in a-b above to the MCO and DHS upon receipt of the information.

D. **Prohibited Provider Agreement Language**

In accordance with Wis. Stats. § 46.284(2)(d), Indian Health Care Provider (IHCP)s are prohibited from including in a contract for residential services, prevocational services, or supported employment services a provision that requires a provider to return to the Indian Health Care Provider (IHCP) any funding that exceeds the cost of those services.

E. **Provider Certification and Standards**

1. **Provider Standards**

   The Indian Health Care Provider (IHCP) shall use only third party providers that meet Department requirements, and

   a. For waiver services in Addendum IV, Benefit Package Services Definitions. A.;
      i. meet the provider standards in Wisconsin’s approved s. 1915 (c) home and community-based waiver,
      ii. meet all required licensure and/or certification standards applicable to the service provided, and
      iii. are enrolled with the Department if required; or

   b. For State Plan services in Addendum IV, Benefit Package Services Definitions. B:
      iv. are certified as providers under Wis. Admin. Code § DHS 105 to provide acute, primary or long term care services specified in Wis. Admin. Code § DHS 107, or federally recognized equivalent,
      v. meet all required licensure and/or certification standards applicable to the service provided, and
      vi. are enrolled with the Department if required; or

   c. Meet the DHS provider standards as indicated in the DHS-MCO contract.

2. **Emergency and Non-Clinical Services**

   Exceptions to provider certification standards may include emergency medical services and non-clinical services or as otherwise requested by the Indian Health Care Provider (IHCP) and approved by the MCO.

3. **Excluded Providers**
All third party providers utilized by the Indian Health Care Provider (IHCP) must not be excluded from participation in federal health care programs under either section 1128 or section 1128A of the Social Security Act. Except for emergency services, Medicaid payment is not available for excluded providers.

The Department or its designee will audit the IHCP for compliance with the above provider standards.

F. Access to Providers

1. Access Standards

The Indian Health Care Provider (IHCP) shall ensure all services and all service providers it contracts with comply with access standards provided in Article VI, Services and the access standards in this article.

2. Assuring Access

The Indian Health Care Provider (IHCP) must do the following to assure access:

a. Meet and require its third party providers to meet state standards for timely access to care and services, taking into account the urgency of the need for services.

b. Ensure that its providers offer hours of operation that are no less than the hours of operation offered to commercial members or comparable to Medicaid fee-for-service members, if the third party provider serves only Medicaid members.

c. Make benefit package services that are necessary to support outcomes or that are medically necessary, available twenty-four (24) hours a day, seven (7) days a week, as appropriate.

G. Invoking Remedies

If the Department determines that a provider agreement will jeopardize member access to care, the Department may invoke the remedies provided for in Article XV.E., Remedies for Breach or Non-Performance.

H. Health Information System

1. Accurate and Complete Data

The Indian Health Care Provider (IHCP) must ensure that data received from third party providers is accurate and complete by:

a. Verifying the accuracy and timeliness of reported data;

b. Screening the data for completeness, logic, and consistency; and

c. Collecting service information in standardized formats to the extent feasible and appropriate.

2. Unique Identifier
The Indian Health Care Provider (IHCP) must require each physician and other eligible third party provider to have a unique identifier to the extent required under the Health Insurance Portability and Accountability Act (HIPAA).

I. Payment

1. IHCP Payments to Rural Health Clinics (RHCs)

   If the Indian Health Care Provider (IHCP) contracts with a facility or program, which has been certified as a RHC, for the provision of services to its members, the Indian Health Care Provider (IHCP) must provide payment that is not less than the level and amount of payment which the Indian Health Care Provider (IHCP) would make for the services, if the services were furnished by a provider which is not a RHC.

2. Home and Community Based Waiver Services Rates

   a. The Indian Health Care Provider (IHCP) may negotiate the rates it pays to third party providers of the Home and Community-Based Waiver Services in Addendum IV, Benefit Package Services Definitions, A.

   b. The Indian Health Care Provider (IHCP) must follow all of the procedures specified in Department memo #10-06, if a current community-based residential third party provider declines to continue providing services to the member at the rate offered by the IHCP and the action results in a member move (https://www.dhs.wisconsin.gov/familycare/mcos/communication/ta10-06.pdf).

3. Medicaid Rates

   a. Negotiated Rates

      If the Indian Health Care Provider (IHCP) can negotiate such agreements with third party providers, the Indian Health Care Provider (IHCP) may pay third party providers less than Medicaid fee-for-service rates.

   b. The Medicaid Rate for Nursing Home Services

      i. In determining the “Medicaid fee-for-service rate” in VIII.3.a. and c., the Indian Health Care Provider (IHCP) must employ the Medicaid fee-for-service nursing home rate methodology applied solely to the Indian Health Care Provider (IHCP)’s residents in that nursing facility.

      ii. Nursing home rates must reflect the annual 2% rate increase that was included in the State’s 17-19 biennial budget.

   c. Medicaid Fee-For-Service Rates

      The Indian Health Care Provider (IHCP) shall not pay itself or its third party providers more than the Medicaid fee-for-service rates for Medicaid covered services in the benefit package except when it determines, on an individualized basis, that it is unable or impractical to otherwise obtain the service. Paying above the Medicaid fee-for-service rate includes paying more than Medicaid fee-for-service would pay when coordinating benefits with others.
A listing of the specific fee-for-service Medicaid services exempt from the requirements in this section can be found in the Care Management Organization (CMO) Pricing Administration Guide on the ForwardHealth website.

d. Indian Health Care Provider (IHCP) Notification of Payment Above the Medicaid Fee-For Service Rate

In the event that an Indian Health Care Provider (IHCP) contracts at a rate above the Medicaid fee-for-service rate, the Indian Health Care Provider (IHCP) must submit a notification to the MCO and Department. A notification must be submitted for each calendar year for which the excess payment will be in effect. The notification should include the following information:

i. The Indian Health Care Provider (IHCP) will provide notification on a form provided by the Department.

ii. Notifications must be submitted to: DHSDLTCBFM@dhs.wisconsin.gov or
   
   Director
   Department of Health Services
   Bureau of Long Term Care Financing
   1 West Wilson Street, Room 550
   P.O. Box 309
   Madison, WI 53707-0309

4. Payments for Court-Ordered Services

The Indian Health Care Provider (IHCP) will pay for covered court-ordered services that are in the benefit package in accordance with Article VI.H., Court-Ordered Services.

J. MCO Payment to the IHCP

The MCO shall pay the Indian Health Care Provider (IHCP) for services in the benefit package provided to Indian members who are eligible to receive services from the IHCP, either:

a. At a rate negotiated between the MCO and the provider, or

b. If there is no negotiated rate, at a rate not less than the level and amount of payment that would be made to an in-network provider that is not an IHCP.

The MCO shall pay the IHCP promptly in accordance with this section and the timely payment requirements under 42 C.F.R. § 447.45 and § 447.46.

K. IHCP Cost Settlement

1. Family Care Indian Health Care Provider (IHCP) Cost Report
The IHCP is required to complete a Family Care IHCP Cost Report annually and prior to any interim wraparound payment.

2. **IHCP Cost Allocation Plan and Department Review of Cost Reports**

   a. The IHCP is required to submit a policy and procedure to support the allocations for shared direct expenses and shared overhead expenses between all programs or other lines of business to support the Family Care service costs reported in the annual Family Care IHCP cost report.

      i. A direct staff cost allocation plan will outline the time reporting capture system for staff expense charging to Family Care services reporting.

      ii. A cost allocation plan for other shared expenses will identify the allocation process and cost drivers for the shared expenses and allocated overhead expenses.

      iii. The policy and procedure will support the purpose and process to accumulate and summarize costs reported in the IHCP cost report.

   b. The Department will evaluate actual cost allocations in the Family Care IHCP cost report for consistency against the approved cost allocation plans prior to payment of additional cost based funding. The Department will also monitor the costs for waiver services, to include self-directed services, in the Family Care IHCP cost report, against statewide program experience for similar services to evaluate whether costs are reasonable and to identify areas of concern.

   c. The Department may require additional supporting documentation or perform specific procedures to verify consistency and accuracy of reporting in the IHCP cost report.

   d. The IHCP shall provide the Department additional supporting documentation and access to staff and required records as requested.

3. **IHCP Annual Audit**

   The IHCP is required to demonstrate annually through a financial audit by an independent certified public accountant the reasonable assurance that the financial statements are free from material misstatement in accordance with Generally Accepted Accounting Principles (GAAP) and satisfy Wisconsin State audit requirements outlined in Wisconsin Stat. § 46.036. The audit report should demonstrate to the Department the internal controls, related reporting systems and cost allocation plan are operational and sufficient to ensure the integrity of the financial reporting systems.

   The annual audit submission should follow the requirements of Wisconsin Stat. §46.036 for submission, required due date, and specific audit guidelines.

   See [https://www.dhs.wisconsin.gov/business/audit-reqs.htm](https://www.dhs.wisconsin.gov/business/audit-reqs.htm) for more information.

4. **IHCP Indian Member Reporting**

   The IHCP will provide the Department with a list of all Indian members whose costs for Family Care services are reported on the Family Care IHCP Cost Report. The IHCP will
provide the list of Indian members quarterly and with their submission of the Family Care IHCP Cost Report. The list will include sufficient information for the Department to uniquely identify each Indian member and the encounter records the MCO submitted for services provided to the Indian member. The IHCP will submit an attestation that all of the Indian members on the list were eligible for 100% FFP at the time of service.

5. **Wrap around payments**

IHCPs will receive wraparound payments or recoupments from the Department for all Family Care services the IHCP provides to Indian members. The amount of the wraparound will be calculated as follows:

a. The Department will calculate the amount of the direct and indirect services costs reported by the IHCP on the Family Care IHCP Cost Report plus an allocation of overhead services for providing Family Care covered services. The allocation of overhead services shall not exceed 7.0% of total service costs for Family Care services provided by the IHCP.

b. The Department will subtract from the amount in a. all payments by or due from Medicare Part C, Medicare fee-for-service, Family Care members, and other third parties for the Family Care services the IHCP provided.

c. The Department will pay or recoup from the IHCP an amount equal to the difference between what the MCO paid the IHCP for Family Care services the IHCP provided and the costs calculated in b.

6. **Timing of wraparound payments to the IHCP**

a. The Department will make annual wraparound payments to the IHCP.

b. The Department agrees to make one interim wraparound payment during the first year of this agreement. In future years, at the request of the IHCP, the Department may make one interim wraparound payment prior to the annual wraparound payment.

c. The Department will make wraparound payments no more than 3 months after the IHCP submits the interim or annual Family Care Cost Report.

7. **IHCP Billing**

The IHCP shall act as the billing provider for all Family Care services the IHCP provides to Family Care Indian members, who have an accepted referral, whether the IHCP is the direct provider or the IHCP contracts for the provision of the service. The IHCP may not provide, bill the MCO, or include in their Family Care IHCP Cost Report services in excess of the amounts authorized for the Family Care Indian member.

The IHCP shall ensure accurate claims submission and processing in order for the MCO to provide DHS with accurate encounter data.

8. **IHCP Documentation for Federal Financial Participation**
The IHCP shall maintain all documentation necessary for the Department to claim enhanced federal financial participation for Family Care services the IHCP or the MCO provides to Indian members receiving care management from the IHCP.

L. Standards for IHCP Staff

1. Family Members

   Family members may be paid only if all the following apply:

   a. The service is authorized by the Indian Health Care Provider (IHCP) interdisciplinary team;
   b. The member’s preference is for the family member to provide the service;
   c. The Indian Health Care Provider (IHCP) interdisciplinary team monitors and manages any conflict of interest situation that may occur as a result of the family member providing services;
   d. The family member meets the MCO’s standards for its providers providing the same service; and
   e. The family member will either:
      i. Provide an amount of service that exceeds normal family care giving responsibilities for a person in a similar family relationship who does not have a disability; or
      ii. Find it necessary to forego paid employment in order to provide the service and is not receiving a pension (including Social Security retirement benefits).

2. Intimate Care Services

   If the Indian Health Care Provider (IHCP) is the employer of attendants for the purposes of supportive home care, personal care or home health aide services the following conditions shall be met:

   a. Members are offered the opportunity to participate with the Indian Health Care Provider (IHCP) in choice and assignment of attendant(s) that provide the service;
   b. Members are involved with training the Indian Health Care Provider (IHCP) attendant(s) (if desired by the member);
   c. Members are involved in negotiating hours of services;
   d. Members regularly participate in the evaluation of services provided by their Indian Health Care Provider (IHCP) attendant(s); and
   e. Members are involved in the supervision of Indian Health Care Provider (IHCP) attendant(s) along with the Indian Health Care Provider (IHCP) attendant supervisor (if desired by the member and to the extent of his/her abilities).

3. Caregiver Background Checks
The Indian Health Care Provider (IHCP) shall comply with Wis. Admin. Code Chapters DHS 12 and 13 related to caregiver background and other checks, including:

a. The Indian Health Care Provider (IHCP) shall establish and implement a policy consistent with Wis. Admin. Code Chapters DHS 12 and 13 to appropriately respond to an Indian Health Care Provider (IHCP) employee who is paid to provide services to a member when the employee has a caregiver conviction that is substantially related to the care of a member;

b. The Indian Health Care Provider (IHCP) shall perform, or require providers to perform, background checks on caregivers in compliance with Wis. Stat. § 50.065 and Wis. Admin. Code Chapter DHS 12;

c. The Indian Health Care Provider (IHCP) shall ensure that subcontractors perform background checks on caregivers in compliance with Wis. Stat. § 50.065 and Wis. Admin. Code Chapter DHS 12;

d. The Indian Health Care Provider (IHCP) maintains the ability to not pay or contract with any provider if the Indian Health Care Provider (IHCP) deems it is unsafe based on the findings of past criminal convictions stated in the caregiver background check.

The Indian Health Care Provider (IHCP) shall require co-employment agencies and fiscal employer agents to perform background checks that are substantially similar to the background checks required under Wis. Stat. § 50.065 and Wis. Admin. Code Chapter DHS 12 on individuals providing services to self-directing members who have, or are expected to have, regular, direct contact with the member. Regular contact means scheduled, planned, expected or otherwise periodic contact. Direct means face-to-face physical proximity to a member that may afford the opportunity to commit abuse or neglect or misappropriate property.

The Indian Health Care Provider (IHCP) shall take all appropriate steps the Indian Health Care Provider (IHCP) deems necessary to assure the health and safety of the member.
VIII. Member Materials

A. Member materials

1. General Requirements

   a. Within ten (10) business days of a member selecting IHCP care management, the Indian Health Care Provider (IHCP) shall provide new members or their legal decision makers the MCO member handbook, the IHCP supplement to the MCO member handbook and information about how to obtain an electronic copy of the MCO’s provider network directory and the list of providers the IHCP is contracting with. A paper copy of the MCO’s provider network directory and list must be provided upon request within five (5) business days.

   b. Indian Health Care Provider (IHCP)s are responsible for disseminating the materials to new members:

      i. MCO member handbooks and Department-approved IHCP supplement to the handbooks;
      
      ii. List of IHCP providers;
      
      iii. MCO provider network directories; and
      
      iv. Self-directed supports guidebook.

   c. If a potential member requests member materials prior to enrollment, the resource center can refer the potential member to the MCO website, IHCP or directly to the MCO.

   d. IHCPs are responsible for providing the list of IHCP’s contracted providers and Department-approved IHCP supplement to the MCO Member Handbook to the ADRCs.

   e. Model member notices and templates developed by DHS shall be used by the Indian Health Care Provider (IHCP).

   f. Member materials must be provided in a manner and format that may be easily understood and is readily accessible. All materials produced and/or used by the IHCP must be understandable and readable for the average consumer and reflect sensitivity to the diverse cultures served. Materials shall take into account individuals who are visually limited and limited English proficient.

2. IHCP Specific Member Supplement

   a. The Indian Health Care Provider (IHCP) must provide members with an up-to-date IHCP Department-approved Member Supplement upon initial enrollment and upon request within five (5) business days.

   b. The supplement will be considered to be provided if the Indian Health Care Provider (IHCP):
i. Posts the information on the Indian Health Care Provider (IHCP)’s website and advises the member in paper or electronic form that the information is available on the internet and includes the applicable internet address, provided that members with disabilities who cannot access this information online are provided auxiliary aids and services upon request at no cost; or

ii. Provides the information by any other method agreed to by the member that can reasonably be expected to result in the member receiving that information.

c. The IHCP Member Supplement, at a minimum, will include information about:

i. The location of the IHCP facility or facilities;

ii. The hours of service;

iii. Using after hours services and obtaining services out of the IHCP service area;

iv. The telephone numbers including:

a) The 24 hour a day toll free telephone number that can be used for assistance in obtaining urgent and emergency care; and

b) A toll free telephone number where members can acquire information about the requirements and benefits of the program.

v. Any additional information that is available upon request, including the following the structure and operation of the IHCP.

d. When significant changes occur, the IHCP must distribute an updated IHCP member supplement, an addendum to the supplement or other written notification at least thirty (30) calendar days in advance of the effective date.

e. Annually, the IHCP must distribute to its members the IHCP member supplement or notify members of their right to request and obtain a copy of the member supplement.
IX. Member Rights and Responsibilities

A. Protection of Member Rights

The language and practices of the Indian Health Care Provider (IHCP) shall recognize each member as an individual and emphasize each member’s capabilities. Indian Health Care Provider (IHCP) staff and affiliated providers shall demonstrate dignity and respect in all of their interactions with members and take members’ rights into account when furnishing services to members.

Member rights specified in this section, include but are not limited to:

1. Being treated with respect and with due consideration for his/her dignity and privacy.
2. Receiving information on available treatment options and alternatives, presented in a manner appropriate to the enrollee’s condition and ability to understand.
3. Participating in decisions regarding health and long-term care, including the right to refuse treatment and the right to request a second opinion.
4. Being free from any form of restraint or seclusion used as a means of coercion, discipline, convenience, or retaliation.
5. Being able to request and receive a copy of his/her medical records, and to request that they be amended or corrected, as specified in 45 C.F.R. § 164.

B. Member Rights

Members have the right to all of the following:

1. Freedom from unlawful discrimination in applying for or receiving the benefit.
2. Accuracy and confidentiality of member information.
3. Prompt eligibility, entitlement and cost-sharing decisions and assistance.
4. Access to personal, program and service system information.
5. Choice to enroll in an MCO, if eligible, and to disenroll at any time.
6. Information about and access to all services of the Department, Resource Centers, IHCPs and MCOs to the extent that the member is eligible for such services.
7. Support in understanding member rights and responsibilities related to Family Care.
8. Support from the Indian Health Care Provider (IHCP) in all of the following:
   a. Self-identifying outcomes and long-term care needs.
b. Securing information regarding all services and supports potentially available to the member through the benefit.

c. Actively participating in planning individualized services and making reasonable service and provider choices for supporting identified outcomes.

d. Identifying, eliminating or monitoring and managing situations where a conflict of interest may exist due to a person or entity having an interest in, or the potential to benefit from, a particular decision, outcome or expenditure.

9. Services identified in the member’s member-centered plan.

10. Support in the exercise of any rights and available grievance and appeal procedures beyond those specified elsewhere in this article.

11. Exercise rights, and to be assured that the exercise of those rights does not adversely affect the way the Indian Health Care Provider (IHCP) and its providers or any state agency treat the enrollee.

C. Member Rights and Responsibilities Education

The Indian Health Care Provider (IHCP) shall provide education to members on the grievance and appeal process within ninety (90) calendar days of IHCP accepted referral for care management. Responsibility for member education may be delegated to the member’s lead/primary care manager.

At a minimum, this education process shall include reviewing the MCO grievance and appeal process described in the MCO’s member handbook, including information about the availability of the MCO Member Rights Specialist.

D. Advance Directives

1. The Indian Health Care Provider (IHCP) shall comply with requirements of federal and state law with respect to advance directives (e.g., living wills, durable power of attorney for health care).

2. The Indian Health Care Provider (IHCP) shall not base the provision of care or otherwise discriminate against a member based on whether or not the member has executed an advance directive. This provision shall not be construed as requiring the provision of care that conflicts with an advance directive.

3. The Indian Health Care Provider (IHCP) shall:
   a. Document in the member record whether or not the member has executed an advance directive.
   b. Provide education for staff and the community on issues concerning advance directives including information and/or training about ways to recognize and minimize or eliminate any potential conflicts of interest associated with providing counseling and assistance to members in executing advance directives.
c. Provide referral to appropriate community resources, for any member or individual seeking assistance in the preparation of advance directives.

4. The above provisions shall not be construed to prohibit the application of any Wisconsin law which allows for an objection on the basis of conscience for any health care provider or any agent of such provider who, as a matter of conscience, cannot implement an advance directive.
X. Grievances and Appeals

A. Purpose and Philosophy

Members have the right to grieve or appeal any action or inaction of an IHCP that the member perceives as negatively impacting the member.

While multiple options are available to resolve grievances and appeals, members are encouraged, and usually best served, to seek to directly resolve most concerns.

1. The member’s interdisciplinary team is usually in the best position to deal with issues directly and expeditiously. The Member Rights Specialist within the MCO is the next most direct source of information and assistance.

2. When a concern cannot be resolved through internal IHCP review, negotiation, or mediation with the assistance of these individuals, the MCO’s grievance and appeal process is the next most direct source for resolving differences. It is described in more detail in Section E of this article.

3. The Department reviews grievances and appeals primarily to assure that MCOs follow their own internal grievance and appeal policies and procedures and comply with the requirements of this agreement in handling any disputes with members. For more information about the Department review process see Section F of this article.

4. The State Fair Hearing process is the final decision-making process for the Department in resolving members’ appeals. It is described more fully in Section G of this article.

5. Other remedies available to members may include Wis. Admin. § DHS 94, Patient Rights and Resolution of Patient Grievances and seeking resolution in Circuit Court.

B. Definitions

As used in this article, the following terms have the indicated meanings:

1. Action

   a. An “action” is any of the following:

   i. The denial of functional eligibility under Wis. Stat. § 46.286(1)(a) as a result of administration of the long-term care functional screen, including a change from nursing home level of care to non-nursing home level of care.

   ii. The denial or limited authorization of a requested service that falls within the benefit package specified in Addendum IV, Benefit Package Services Definitions, including the type or level of service.
iii. The reduction, suspension, or termination of a previously authorized service.

iv. The denial, in whole or in part, of payment for a service that falls within the benefit package specified in Addendum IV, Benefit Package Services Definitions.

v. The failure to provide services and support items included in the member’s MCP in a timely manner, as defined by the Department.

vi. The failure of the IHCP to act within the timeframes of this article for resolution of grievances or appeals.

vii. The development of a member-centered plan that is unacceptable to the member because any of the following apply.

   a) The plan is contrary to a member’s wishes insofar as it requires the member to live in a place that is unacceptable to the member.

   b) The plan does not provide sufficient care, treatment or support to meet the member's needs and support the member’s identified outcomes.

   c) The plan requires the member to accept care, treatment or support items that are unnecessarily restrictive or unwanted by the member.

viii. Notification by the IHCP of a decision made in response to a member’s appeal that is entirely or partially adverse to the member.

b. An “action” is not:

   i. A change in provider;

   ii. A change in the rate the IHCP pays a provider;

   iii. A termination of a service that was authorized for a limited number of units of service or duration of a service as defined in Article IV.K.3.; or

   iv. An adverse action that is the result of a change in state or federal law; however, a member does have the right to a State fair hearing in regard to whether he/she is a member of the group impacted by the change.

   v. The denial of authorization or payment for a service or item that is not inside of the benefit package specified in Addendum IV, Benefit Package Services Definitions.

2. Appeal

   An “appeal” is a request for review of an “action.”

3. Grievance
“Grievance” is an expression of a member’s dissatisfaction about any matter other than an “action.”

When a member expresses dissatisfaction about any matter other than an action, the member is expressing a grievance. As indicated under section F, the IDT staff will first attempt to resolve this grievance informally unless the member objects. If the IDT staff is unable to resolve the issue to the member’s satisfaction (or if the member objects) then IDT staff will refer the member to the MCO’s Member Rights Specialist. The IHCP shall assist the MCO for the full conduct of the grievance process. The Member Rights Specialist will then assist the member in filing a formal grievance while simultaneously attempting to resolve the issue informally unless the member objects.

4. **Grievance and Appeal System**

The term “Grievance and Appeal System” is used to refer to the overall system that includes grievances and appeals handled at the MCO level and the DHS level, and access to the State fair hearing process.

5. **Fair Hearing**

A “fair hearing” means a de novo review under ch. HA 3, Wis. Admin. Code, before an impartial administrative law judge of an action by the Department, a county agency, a resource center or an MCO.

6. **Date of Receipt**

“Date of receipt” when used in terms of establishing the time during which a member has a right to file a grievance or appeal means five (5) calendar days from the date of mailing of a notice unless the member can demonstrate that the actual date of receipt was later than five (5) calendar days after mailing.

C. **Overall Policies and Procedures for Grievances and Appeals**

1. **The IHCP shall assist the MCO for the full conduct of the grievance and appeal processes.**

2. **Cooperation with Advocates**

IHCPs must make reasonable efforts to cooperate with all advocates a member has chosen to assist him or her in a grievance or appeal.

a. As used here “advocate” means an individual whom or organization that a member has chosen to assist in articulating his or her preferences, needs and decisions.

b. “Cooperate” means:

i. To provide any information related to the member’s eligibility, entitlement, cost sharing, care planning, care management, services or service providers to the extent that the information is pertinent to matters in which the member has requested the advocate’s assistance.
ii. To assure that a member who requests assistance from an advocate is not subject to any form of retribution for doing so.

c. Nothing in this section allows the unauthorized release of member information or abridges a member’s right to confidentiality.

3. Reversed Appeal Decisions

If the MCO appeal process or the Department review process reverses a decision to deny, limit, or delay services that were not furnished during the appeal, the IHCP must authorize or provide the disputed services within thirty (30) calendar days or as expeditiously as the member’s health condition requires, whichever is sooner.

If, following a State Fair Hearing, an Administrative Law Judge orders the reversal of an IHCP’s decision to deny, limit or delay services that were not furnished during the appeal, the IHCP must authorize or provide the services within the timeframe specified in the hearing decision.

If the MCO appeal process, the Department review process, or a State Fair Hearing reverses a decision to deny authorization of services, and the member received the disputed services during the appeal, the IHCP must pay for those services.

4. Continuation of Benefits During an Appeal

a. Services shall be continued by the IHCP throughout any local or State administrative appeals in relation to the initial action if the member makes a timely request.

b. Timely Request: A request for continuing benefits will be considered timely if it is submitted on or before the effective date in a Notice of Action or MCO appeal decision.

c. A member does not have a right to continuation of benefits:

i. Beyond any limit in a service authorization as defined in Article IV.K.3. when that limit is reached during the course of an appeal.

ii. When grieving a change in provider that is the result of a change in the MCO’s provider network or IHCP contracted provider due to contracting changes; however, in such a situation the member does have a right to appeal dissatisfaction with her/his MCP.

iii. When grieving adverse actions that are the result of a change in state or federal law; however, in such a situation a member does have the right to appeal whether he/she is a member of the group impacted by the change.

iv. After a State Fair Hearing decision upholding the reduction, suspension or termination of benefits is issued.

v. After electing to withdraw an appeal.

d. If the final disposition of the appeal and any subsequent appeals is adverse to the member and upholds the IHCP’s action, the IHCP may recover the cost of
services continued solely because of the requirements of this section unless the Department and the IHCP determine that the person would incur a significant and substantial financial hardship as a result of repaying the cost of the services provided, in which case the Department may waive or reduce the member’s liability.

5. Information to Providers

In its subcontracts with providers, the IHCP shall furnish providers with information regarding the MCO’s grievance and appeal processes as specified in this article and require subcontractors to cooperate in grievance and appeal investigations.

D. Notice of Action

1. Requirement to Provide Notice of Action

The IHCP must provide written notice of action in the situations listed below.

The IHCP must use the Department issued notice of action form for the Family Care Program: https://www.dhs.wisconsin.gov/familycare/mcos/noa.htm. The notice of action may be mailed or hand delivered. An oral or e-mail notice or reference to information in the member handbook or other materials does not meet the requirement to provide notice of action.

a. Denial in Whole or in Part of a Request for Service

The IHCP must mail or hand deliver written notice of action https://www.dhs.wisconsin.gov/familycare/mcos/noa.htm to an affected member when the IHCP intends to deny in whole or in part a request for a service included in the benefit package.

Although the IHCP may cover a service that is outside of the benefit package, an IHCP is not required to provide a notice of action when it denies a member’s request for such a service. The IHCP is however required to inform members in writing when a request for a service outside the benefit package is denied. The IHCP must utilize DHS’ Notification of Non Covered Benefit template (https://www.dhs.wisconsin.gov/forms/f0/f01283.doc) and must maintain a copy of the completed form in the member’s file.

b. Reduction, Suspension or Termination of a Previously Authorized Service

The IHCP must mail or hand deliver advance written notice of action https://www.dhs.wisconsin.gov/familycare/mcos/noa.htm to an affected member when the IHCP intends to reduce, suspend or terminate any service regardless of whether that service is included in the benefit package.

c. Denial of Payment for a Service

The IHCP must mail or hand deliver written notice of action https://www.dhs.wisconsin.gov/familycare/mcos/noa.htm to an affected member
when the IHCP intends to deny a member’s request for payment of a service included in the benefit package.

Although the IHCP may pay for a service that is outside of the benefit package, an IHCP is not required to provide a notice of action when it denies a member’s request for payment of such a service. The IHCP is however required to inform members in writing when a request for payment of a service outside of the benefit package is denied. The IHCP must utilize DHS’ Notification of Non Covered Benefit template (https://www.dhs.wisconsin.gov/forms/f0/f01283.doc) and must maintain a copy of this completed form in the member’s file.

2. **Documentation of Notice of Action**
   
   The IHCP is required to maintain a copy of any notice of action required in Article X.D.1. in the member’s paper or electronic record.

3. **Language and Format Requirements for Notice of Action**
   
   A notice of action required in Article X.D.1. must be in writing.

4. **Content of Notice of Action**
   
   The IHCP will use the DHS issued notice of action form (https://www.dhs.wisconsin.gov/familycare/mcos/noa.htm) required in Article X.D.1.

   The notice must include the date the notice is mailed or hand delivered and explain the following:

   a. The action the IHCP or its contractor has taken or intends to take, including the effective date of the action.

   b. The reasons for the action.

   c. Any laws that support the action.

   d. The right of the member or any other legal decision maker to file an appeal with the MCO, request Department review and/or request a State Fair Hearing in regard to the action.

   e. The procedures for exercising the rights specified in this paragraph, including appropriate phone numbers and addresses.

   f. The member’s right to appear in person before the MCO grievance and appeal committee.

   g. The circumstances under which expedited resolution is available and how to request it.

   h. The availability of independent advocacy services and other local organizations that might assist the member in an MCO grievance or appeal, Department review or State Fair Hearing.
i. That the member may obtain, free of charge, copies of member records relevant to the MCO grievance or appeal, Department review or State Fair Hearing and how to obtain copies.

j. The member’s right to have benefits continue pending resolution of the appeal, how to request that benefits be continued, and the circumstances under which the member may be required to re-pay the costs of these continued services.

5. **Timing of Notice of Action**

The IHCP must mail or hand-deliver the notice of action required in Article X.D.1. within the following timeframes:

a. Service Authorization Decisions in Response to a Request for Service

   i. For standard service authorization decisions that deny or limit a requested service included in the benefit package, the IHCP must mail or hand deliver notice of action within fourteen (14) calendar days of the request unless the IHCP extends the timeframe for up to fourteen (14) additional calendar days in order to gather more information. If the timeframe is extended, the IHCP must mail or hand deliver a written notification to the member no later than the fourteenth day after the original request. The notification of extension must inform the member that:

      a) The member may file a grievance if dissatisfied with the extension, in which case the extension will be considered a denial, and

      b) The member may contact the MCO’s Member Rights Specialist for assistance.

      If the decision is to deny or limit the requested service, the maximum time between a request and notice is twenty-eight (28) calendar days.

   ii. A member or provider may request an expedited service authorization decision. For cases in which an expedited decision is needed because a provider indicates, or the IHCP determines, that following the standard timeframe could seriously jeopardize the member's life or health or ability to attain, maintain, or regain maximum function, the IHCP must make the service authorization decision and mail or hand deliver notice as expeditiously as the member’s health condition requires and no later than seventy-two (72) hours after the request unless the timeframe has been extended.

   iii. In the case of an expedited decision, the timeline for a decision may be extended by an additional eleven (11) calendar days up to a total of fourteen (14) calendar days.

   iv. If the timeframe is extended, the IHCP must:
a) Mail or hand deliver to the member written notice of the reason for the decision to extend the timeframe and the member’s right to file a grievance if he/she disagrees with that decision; and

b) Issue and carry out its determination as expeditiously as the member's health condition requires and no later than the date the extension expires.

v. A standard or expedited service authorization decision that is not reached within the timeframes specified in paragraphs i. or ii. constitutes a denial. In such situations, the IHCP must send a notice of action as soon as the timeframes have expired.

b. Termination, Suspension Or Reduction of Services

For termination, suspension, or reduction of previously authorized Medicaid-covered services, the IHCP must mail or hand deliver notice of action with an effective date of implementation not less than fifteen (15) calendar days from the date of the notice of action. This includes five (5) mailing days to ensure that member receives the notice of action ten (10) days before the effective date of the action.

In the following circumstances the fifteen (15) calendar day advance notice of action is not required:

i. Notice of Action is Required Five (5) Calendar Days in Advance.

The period of advance notice is shortened to five (5) calendar days if probable member fraud has been reported to the county Medicaid Fraud Unit.

ii. No Advance Notice of Action Is Required.

In the following circumstances, the IHCP may take action to immediately reduce or terminate a member’s service. The IHCP shall mail or hand-deliver a notice of action to the member at the same time it takes such an action in the following circumstances.

a) The member has requested, in writing, the termination or reduction of service(s). The written request and termination or reduction must be documented in the member’s record.

b) The member has provided information that will require termination or reduction of services and has indicated in writing that s/he understands that will be the result of supplying that information.

c) An immediate change in the plan of care, including the reduction or termination of a service, is necessary to assure the safety or health of the member or other individuals.

iii. No Notice of Action Is Required
The IHCP is not required to provide notice of action when terminating services when a member is disenrolled.

c. Denial of Payment

For denial of payment, the IHCP must mail or hand-deliver notice of action on the date of the denial.

E. Notification of Appeal Rights in Other Situations

1. A member has the right to appeal the following actions:

   a. The failure to provide services and support items included in the member’s MCP in a timely manner, as defined by the Department.

   b. The failure of the MCO to act within the timeframes of this article for resolution of grievances or appeals.

   c. The development of a member-centered plan that is unacceptable to the member because any of the following apply.

   d. The plan is contrary to a member’s wishes insofar as it requires the member to live in a place that is unacceptable to the member.

   e. The plan does not provide sufficient care, treatment or support to meet the member’s needs and support the member’s identified outcomes.

   f. The plan requires the member to accept care, treatment or support items that are unnecessarily restrictive or unwanted by the member.

The IHCP shall mail or hand-deliver to the member a written notification of the right to appeal these actions.

2. Documentation of Notification of Appeal Rights

The IHCP is required to maintain a copy of any notification of appeal rights required in Article X.E., in the member’s paper or electronic record.

3. Timing of Notification of Appeal Rights

   a. Adverse MCO Grievance or Appeal Decision

      i. Grievances

      The IHCP must mail or hand-deliver a written decision regarding a grievance to the member and the member’s legal decision maker, if applicable, as expeditiously as a member’s health requires but no later than twenty (20) business days after the date of receipt of the grievance. When the IHCP’s decision is entirely or partially adverse to the member, the decision must include the reason for the decision and any further rights to review.

      ii. Appeals
The IHCP must mail or hand-deliver a written decision regarding an appeal to the member and the member’s legal decision maker, if applicable, within the timeframes specified in Section C. When the IHCP’s decision is entirely or partially adverse to the member, the decision must include notification of any further appeal rights. The notification shall establish the effective date of the implementation of the decision not less than fifteen (15) calendar days from the date of the notification.

b. Other Actions

A member has the right to appeal the other actions identified in Article X.D.2. On the date it becomes aware of any such action, the IHCP shall mail or hand deliver to the member a written notification of the right to appeal these actions.

F. The Department Review Process

The IHCP will participate in the Department Review Process.

1. General Review Process

a. A member may not request a Department review, as defined in Wis. Admin. Code § DHS 10.54, of loss of functional eligibility or reduction of functional level of care.

b. For all other member concerns, the Department shall complete a timely review, investigation and analysis of the facts surrounding member grievances and appeals in an attempt to resolve concerns and problems through internal review, negotiation, or mediation, whenever a member or a member’s legal decision maker:

i. Requests a Department review directly; or

ii. Requests a Department review of a decision arrived at through a county agency, resource center or MCO grievance and appeal process.

c. Unless the member and the Department agree to an extension for a specified period of time, the Department has twenty (20) business days from the date of receipt of a request for review from a member in which to resolve the member’s concern or problem through internal review, negotiation, or mediation.

If, during the course of its review, the Department determines that the IHCP failed to act within the requirements of this agreement, the Department may order the IHCP to take corrective action. The IHCP shall comply with any corrective action required within the timeframes established by the Department.

d. The IHCP shall provide the Department or its delegate with all requested documentation to support the review process within five (5) calendar days of the date of receipt of the request.

2. Timing of Request for Department Review
The member must file the request for Department Review within forty-five (45) calendar days of the action that is the subject of the member’s grievance or appeal.

3. **Concurrent Review Process**

Whenever the Department receives notice from the Department of Administration's Division of Hearings and Appeals that it has received a fair hearing request, the Department shall use the general review process described above to conduct a concurrent review in accordance with Wis. Admin. Code § DHS 10.55(4).

4. **Member Notification**

The Department will mail or hand-deliver to the member in writing notice of the result of the Department review within five (5) business days of the completion of the review.

G. **The State Fair Hearing Process**

The IHCP will participate in the State Fair Hearing Process.

1. **Request for Fair Hearing**

A member, immediate family member, or someone with legal authority to act on the member’s behalf (as specified in s. HA 3.05(2), Wis. Admin. Code) can file a request for a fair hearing regarding any of the actions listed in paragraphs (a) through (h) below.

A member may submit a fair hearing request regarding the actions listed in paragraphs (c) through (f) below instead of or after using the MCO appeal process, MCO grievance process, or Department review process. However, once a member files a request for a Fair Hearing decision, s/he may not file an MCO appeal or grievance or DHS review unless there is a significant change in circumstances relevant to the appealed issue.

A State Fair Hearing is the only process available to appeal the action described in paragraphs (a) and (b) below.

a. Denial of functional eligibility under Wis. Stat. § 46.286(1)(a) as a result of administration of the long-term care functional screen.

b. Reduction of level of care from nursing home to non-nursing home under Wis. Stat. §§ 46.286(a) 1m. and 2m., as a result of administration of the long-term care functional screen.

c. Failure to provide timely services and items that are included in the member’s member-centered plan;

d. Reduction of services or support items in the member’s member-centered plan, except in accordance with a change agreed to by the member;

e. A member-centered plan that is unacceptable to the member because any of the following apply:

i. The plan is contrary to a member's wishes insofar as it requires the member to live in a place that is unacceptable to the member.
ii. The plan does not provide sufficient care, treatment or support to meet the member's needs and identified outcomes.

iii. The plan requires the member to accept care, treatment or support items that are unnecessarily restrictive or unwanted by the member.

f. Involuntary disenrollment;

g. The MCO makes a decision on a grievance or appeal that is entirely or partially adverse to the member; or

h. The member disagrees with the conclusion following a Department investigation of a grievance or appeal.

2. Timeliness of Request for Fair Hearing

The member must file the request for a fair hearing within forty-five (45) calendar days of one of the types of incidences noted above, or from the date of receipt of written notice from the MCO.

3. IHCP Response

The IHCP shall assist the MCO for the full conduct of the hearing process. When the IHCP is notified by the Wisconsin Department of Administration, Division of Hearings and Appeals (DHA) that a member has requested a State Fair Hearing, the IHCP must submit an explanation of its actions within ten (10) calendar days to DHA. A copy of this explanation must also be sent to the member, the member’s legal decision maker if known, the MCO and to the Department if requested by the Department.

4. Participation of IHCP Representative at State Fair Hearing

The IHCP will assure that a representative of the IHCP participates in State Fair Hearings if:

a. Any IHCP action described in Article X.B.1. is being appealed; or

b. The IHCP has knowledge that the issue being appealed concerns the member’s cost share and the IHCP has relevant information likely to help the Administrative Law Judge reach a decision.

c. The IHCP representative will be prepared to:

   i. Represent the IHCP’s position;

   ii. Explain the rationale and authority for the IHCP action that is being appealed;

   iii. Accurately reference and characterize any policies and procedures in this agreement related to the action that is being appealed; and

   iv. Accurately reference and characterize any specific MCO’s DHS-approved policies and procedures related to the action that is being appealed.

5. Timeline for Resolution of Fair Hearing
The Wisconsin Department of Administration, Division of Hearings and Appeals (DHA) is required to make a decision through the fair hearing process within ninety (90) calendar days of the date a member files a request for the hearing.

6. **Parties to the Appeal**
   The parties to the appeal include:
   a. The member and his/her legal decision maker;
   b. The legal representative of a deceased member’s estate;
   c. The IHCP;
   d. The Department; and
   e. The MCO.

7. **Fair Hearing Decision**
   Any formal decision made through the fair hearing process under this section, shall be subject to member appeal rights as provided by State and federal laws and rules. The fair hearing process will include receiving input from the member, IHCP and the MCO in considering the appeal.

8. **Access to Services**
   If the IHCP’s decision to deny or limit a service is reversed through the fair hearing process, the IHCP shall authorize or provide the service as directed in the fair hearing decision or as expeditiously as the member’s situation or health condition requires, whichever is sooner.

H. **Documentation and Reporting**
1. **Confidentiality of Grievance and Appeal Records**
   The IHCP shall keep grievance and appeal records confidential in accordance with Article XII.

2. **Retention of Grievance and Appeal Records**
   The IHCP shall retain the documents related to each grievance and appeal in accordance with Article X.C. and shall immediately provide the MCO with copies of all grievance and appeal documents.
XI. Quality Management

A. Cooperation with the Department QM Program

1. Cooperation with Department Review

The Indian Health Care Provider (IHCP) is subject to, at a minimum, an annual external independent review of timeliness of, and access to, the services covered in the benefit package.

The Indian Health Care Provider (IHCP) must assist the Department and the external quality review organization (EQRO) in identifying and collecting information required to carry out on-site or off-site reviews and interviews with Indian Health Care Provider (IHCP) staff, providers, and members it serves.

2. Response to Department Findings

In the event that a review by the Department or the EQRO results in findings that concern the Department, the Indian Health Care Provider (IHCP) will cooperate in further investigation or remediation, which may include:

a. Revision of a care plan or any of its elements for correction, if found to be incomplete or unsatisfactory;

b. Corrective action within a time frame to be specified in the notice, if the effect on the member is determined to be serious;

c. Additional review by the Department or by the MCO to determine the extent and causes of the noted problems; or

d. Action to correct systemic problems that are found to be affecting additional members.
XII. **Administration**

This Agreement is contingent upon receipt of approval from CMS of the Family Care waiver amendments submitted by DHS on June 14, 2018.

A. **Member Records**

The Indian Health Care Provider (IHCP) shall utilize the MCO’s electronic case management system for maintaining member records and for monitoring compliance with policies and procedures. The IHCP shall scan any paper records and upload them immediately into the MCO’s electronic case management system. The MCO must assure the IHCP only has access to records of members the IHCP actively provides care management to.

1. **Confidentiality of Records and HIPAA Requirements**

a. **Duty of Non-Disclosure and Security Precautions**

The Indian Health Care Provider (IHCP) shall protect and secure all confidential information and shall not use any confidential information for any purpose other than to meet its obligations under this agreement. The Indian Health Care Provider (IHCP) shall hold all confidential information in confidence, and not disclose such confidential information to any persons other than those directors, officers, employees, agents, subcontractors and providers who require such confidential information to fulfill the Indian Health Care Provider (IHCP)’s obligations under this agreement. The Indian Health Care Provider (IHCP) shall institute and maintain procedures, including the use of any necessary information technology, which are necessary to maintain the confidentiality of all confidential information. The Indian Health Care Provider (IHCP) shall be responsible for the breach of this agreement in the event any of the Indian Health Care Provider (IHCP)’s directors, officers, employees, or agents fail to properly maintain any confidential information.

b. **Limitations on Obligations**
The Indian Health Care Provider (IHCP)’s obligation to maintain the confidentiality of confidential information shall not apply to the extent the Indian Health Care Provider (IHCP) can demonstrate that such information:

i. Is required to be disclosed pursuant to a legal obligation in any administrative, regulatory, or judicial proceeding. In this event, the Indian Health Care Provider (IHCP) shall promptly notify the MCO and Department of its obligation to disclose the confidential information (unless it has a legal obligation to the contrary) so that the Department may seek a protective order or other appropriate remedy. In the event that such protective order is not obtained, the Indian Health Care Provider (IHCP) shall furnish only that portion of the confidential information that is legally required and shall disclose it in a manner designed to preserve its confidential nature to the extent possible.

ii. Is part of the public domain without any breach of this agreement by the Indian Health Care Provider (IHCP);

iii. Is or becomes generally known on a non-confidential basis, through no wrongful act of the Indian Health Care Provider (IHCP);

iv. Was known by the Indian Health Care Provider (IHCP) prior to disclosure hereunder without any obligation to keep it confidential;

v. Was disclosed to it by a third party which, to the best of the Indian Health Care Provider (IHCP)’s knowledge, is not required to maintain its confidentiality;

vi. Was independently developed by the Indian Health Care Provider (IHCP);

vii. Is the subject of a written agreement whereby the Department consents to the disclosure of such confidential information by the IHCP on a non-confidential basis; or

c. Unauthorized Use, Disclosure, or Loss

If the Indian Health Care Provider (IHCP) becomes aware of any threatened or actual use or disclosure of any confidential information that is not specifically
authorized by this agreement, or if any confidential information is lost or cannot be accounted for, the Indian Health Care Provider (IHCP) shall notify the MCO and the Privacy Officer in the Department’s Office of Legal Counsel within one day of the Indian Health Care Provider (IHCP) becoming aware of such use, disclosure, or loss. The notice shall include, to the best of the Indian Health Care Provider (IHCP)’s understanding, the persons affected, their identities, and the confidential information that was disclosed.

The Indian Health Care Provider (IHCP) shall take immediate steps to mitigate any harmful effects of the unauthorized use, disclosure, or loss. The Indian Health Care Provider (IHCP) shall reasonably cooperate with the MCO and Department’s efforts, if any, to seek appropriate injunctive relief or otherwise prevent or curtail such threatened or actual breach, or to recover its confidential information.

d. **Equitable Relief**

The Indian Health Care Provider (IHCP) acknowledges and agrees that the unauthorized use, disclosure, or loss of confidential information may cause immediate and irreparable injury to the individuals whose information is disclosed and to the MCO or Department, which injury will not be compensable by money damages and for which there is not an adequate remedy at law. Accordingly, the Indian Health Care Provider (IHCP) agrees that the MCO or Department, on its own behalf or on behalf of the affected individuals, shall be entitled to obtain injunctive or other equitable relief to prevent or curtail any such breach, threatened or actual, without posting security and without prejudice to such other rights as may be available under this agreement or under applicable law.

e. **Remedies for non-compliance**

In the event of an unauthorized use, disclosure, or loss of confidential information, the Department may pursue remedies for non-compliance in Article XV.E.

f. **Compliance Reviews**

The Department will work with the IHCP to review the IHCP’s security procedures to protect confidential information.

2. **Member Access and Disclosure**

Members shall have access to their records in accordance with applicable state or federal law. The Indian Health Care Provider (IHCP) shall use best efforts to assist a member, his/her legal decision maker, and others designated by the member to obtain records within ten (10) business days of the request. The Indian Health Care Provider (IHCP) shall identify an individual who can assist the member and his/her legal decision maker in obtaining records. Members have the right to approve or refuse the release of confidential information, except when such release is authorized by law.

3. **Maintain Complete Records**
Documentation in member records must reflect all aspects of care, including documentation of assistance with transitional care in the event of a disenrollment. Member records must be readily available for member encounters (encounter data via the LTCare IES), and for administrative purposes.

4. **Professional Standards**

The Indian Health Care Provider (IHCP) shall maintain, or require the Indian Health Care Provider (IHCP)’s providers to maintain, individual member records in accordance with any applicable professional and legal standards.

5. **Provision of Records**

The Indian Health Care Provider (IHCP) shall make all pertinent and sufficient information relating to the management of each member’s medical and long-term care readily available to the Department and/or MCO. The Indian Health Care Provider (IHCP) shall provide this information to the Department and/or MCO at no charge. The Indian Health Care Provider (IHCP) shall have procedures to provide copies of records promptly to other providers for the management of the member’s medical and long-term care, and the appropriate exchange of information among the Indian Health Care Provider (IHCP) and other providers receiving referrals.

6. **Record Retention**

Records must be retained in accordance with the requirements in Article XIII.C.

7. **Continuity of Records**

The Indian Health Care Provider (IHCP) shall have adequate information and record transfer procedures to provide continuity of care when members are treated by more than one provider.

8. **Contents of Member Records**

A member record shall contain at least the following items:

- a. Face sheet of demographic information;
- b. Consent forms;
- c. Comprehensive health assessment;
- d. Comprehensive social assessment;
- e. Documentation of re-assessment(s);
- f. Member-centered plan;
- g. Copy of advance directive document (if applicable);
- h. Copy of signed guardianship order (if applicable);
- i. Copy of activated power of attorney document (if applicable);
- j. Case notes by Indian Health Care Provider (IHCP) interdisciplinary team members;
k. Cost share forms/documentation (if applicable);
l. Notice of change forms (if applicable);
m. Signed enrollment request; and
n. Reports of consultations.

Minimum member record documentation per chart entry or encounter must conform to the applicable provisions of Wis. Admin. Code § DHS 106.02(9).

B. Subcontracting and Entering Provider Agreements

1. **Indian Health Care Provider (IHCP) Responsibility and Accountability for Subcontracts and Provider Agreements**

The Indian Health Care Provider (IHCP) retains responsibility for fulfillment of all terms and conditions of this agreement when it enters into a subcontract or provider agreement and will be subject to enforcement of the terms and conditions of this Subcontract or Provider Agreement. The IHCP oversees and is held accountable for any functions and responsibilities that it delegates to any subcontractor or provider. In order to meet these requirements the Indian Health Care Provider (IHCP) must assure that:

a. All subcontractors and providers agree to comply with all applicable Medicaid laws, regulations, including applicable subregulatory guidance, and agreement provisions.

b. The Indian Health Care Provider (IHCP) evaluates the prospective subcontractor or provider’s ability to perform the activities to be delegated; and

c. The Indian Health Care Provider (IHCP) and the subcontractor or provider have a written agreement that specifies the activities and reporting responsibilities delegated to the subcontractor and provides for revoking delegation or imposing other sanctions if the subcontractor's performance is inadequate.

C. Ineligible Organizations and Individuals

In implementing this section the Indian Health Care Provider (IHCP) shall check at least monthly the federal DHHS OIG List of Excluded Individuals /Entities (LEIE), the Social Security Administration’s Death Master File, the National Plan and Provider Enumeration System (NPPES), the System for Award Management (SAM), and the federal General Services Administration Excluded Parties Listing Service (EPLS) as required by 42 C.F.R. § 455.436, as well as any other databases that may be required by the federal DHSS or the Department. Upon obtaining information from a database of excluded entities or individuals receiving information from the Department or from another verifiable source, the Indian Health Care Provider (IHCP) shall disclose to the Department, and the Indian Health Care Provider (IHCP) may not contract with any excluded individuals or organizations, all individuals or organizations which could be included in any of the following categories (references to the Act in this section refer to the Social Security Act):
1. **Ineligibility**

Entities which could be excluded under Section 1128 (b) (8) of the Social Security Act are entities in which a person: (1) who is an officer, director, agent or managing employee of the entity; (2) who has a direct or indirect ownership or controlling interest of five percent or more in the entity; (3) who has beneficial ownership or controlling interest of five percent or more in the entity; or (4) who was described in (2) or (3) but is no longer so described because of a transfer of ownership or control interest to an immediate family member or a member of the household (as defined in 1128(j)(1) and 1128(j)(2)) in anticipation of (or following) a conviction, assessment, or exclusion has:

a. **Been convicted of the following crimes:**
   i. Program related crimes, such as, any criminal offense related to the delivery of an item or service under title XVIII or under any State health care program (see Section 1128 (a) (1) of the Act);
   ii. Patient abuse, such as, criminal offense relating to abuse or neglect of patients in connection with the delivery of health care (see Section 1128 (a) (2) of the Act);
   iii. Fraud, such as, a state or federal crime involving fraud, theft, embezzlement, breach of fiduciary responsibility, or other financial misconduct in connection with the delivery of health care or involving an act or omission in a program operated by or financed in whole or part by federal, state or local government (see Section 1128 (b) (1) of the Social Security Act);
   iv. Obstruction of an investigation or audit, such as, conviction under state or federal law of interference or obstruction of any investigation or audit related to any criminal offense described directly above (see Section 1128 (b) (2) of the Act); or,
   v. Offenses relating to controlled substances, such as, conviction of a state or federal crime relating to the manufacture, distribution, prescription or dispensing of a controlled substance (see Section 1128 (b) (3) of the Act).

b. ** Been excluded from participation in Medicare or a state health care program.**

A state health care program means a Medicaid program or any state program receiving funds under Title V or Title XX of the Act. (See Section 1128 (h) of the Act.) Been excluded, debarred, suspended, otherwise excluded, or is an affiliate (as defined in such Act) of a person described in section a. above from participating in procurement activities under the Federal Acquisition Regulation or from participating in non-procurement activities under regulations issued pursuant to Executive Order No. 12549 or under guidelines implementing such order.

c. ** Been assessed a civil monetary penalty under Section 1128A or 1129 of the Act.**
Civil monetary penalties can be imposed on individual providers, as well as on provider organizations, agencies, or other entities by the federal Department of Health and Human Services Office of Inspector General. Section 1128A authorizes their use in case of false or fraudulent submittal of claims for payment, and certain other violations of payment practice standards. (See Section 1128 (b) (8) (B) (ii) of the Act.)

2. Contractual Relations

Entities which have a direct or indirect substantial contractual relationship with an individual or entity listed above in section 1. Substantial contractual relationship is defined as any contractual relationship which provides for one or more of the following services:

a. The administration, management, or provision of medical or long-term care services;

b. The establishment of policies pertaining to the administration, management, or provision of medical or long-term care services; or

c. The provision of operational support for the administration, management, or provision of medical or long-term care services.

3. Excluded from Participation in Medicaid

Entities which employ, contract with, or contract through any individual or entity that is excluded from participation in Medicaid under Section 1128 or 1128A of the Act, for the provision (directly or indirectly) of health care, utilization review, medical social work or administrative services. For the services listed, the MCO shall exclude from contracting with any entity which employs, contracts with, or contracts through an entity which has been excluded from participation in Medicaid by the Secretary under the authority of Section 1128 or 1128A of the Act.

The Indian Health Care Provider (IHCP) attests by signing this agreement that it excludes from participation in the Indian Health Care Provider (IHCP) all individuals and organizations which could be included in any of the above categories.

4. Disclosure of Excluded Individuals or Entities

The Indian Health Care Provider (IHCP) shall disclose to the Department any relationship with an excluded individual or entity described under C.3. within ten (10) days of discovery of the individual or entity’s excluded status. This disclosure will be made to DHLTCFiscalOversight@dhs.wisconsin.gov and will contain the following information:

a. The name, address, phone number, Social Security number/Employer Identification number and operating status/ownership structure (sole proprietor, LLC, Inc., etc.) of the individual or organization;

b. The type of relationship and a description of the individual or entity’s role (for example, provider and service type or employee and classification);
c. The initial date of the relationship, if existing;
d. The name of the database that was searched, the date on which the search was conducted and the findings of the search;
e. A description of the action(s) taken to exclude the individual or entity from participation in IHCP contracted and business operations and the date(s) on which such action(s) occurred.

5. **Foreign Entity Exclusion**

   a. Participation in Medicaid
   
b. Pursuant to 42 C.F.R. § 438.602(i), the State is prohibited from contracting with an IHCP located outside of the United States. In the event an IHCP moves outside of the United States, this agreement will be terminated.

c. IHCP Wraparound Payment

d. Claims paid by an IHCP to a network provider, out-of-network provider, subcontractor or financial institution outside of the United States shall be reported as nonreimbursable expenditures on the IHCP’s cost report to the Department.

D. **Compliance with Applicable Law and Cooperation with Investigations**

The Indian Health Care Provider (IHCP) shall observe and comply with all applicable federal and state law in effect when this agreement is signed or which may come into effect during the term of this agreement, which in any manner affects the Indian Health Care Provider (IHCP)’s performance under this agreement.

To the extent permitted by law, the IHCP shall fully cooperate with any member-related investigation conducted by the MCO, Department, the Federal Department of Health and Human Services, CMS, law enforcement, or any other legally authorized investigative entity.

The Indian Health Care Provider (IHCP) must have conflict of interest safeguards in place at least equal to applicable federal safeguards.

E. **IHCP Insurance**

1. *If not self-insured:*

e. The IHCP agrees that in order to protect itself as well as the Department under the indemnity agreement provision set forth in the preceding paragraph, the IHCP will at all times during the terms of this agreement keep in force a liability insurance policy issued by a company authorized to do business in the State of Wisconsin and licensed by the Office of Commissioner of Insurance. In the event of any action, suit, or proceeding against the Department upon any matter herein indemnified, the Department shall, within five (5) working days, notify the IHCP by certified mail, addressed to its post office address, of the action.
2. *If self-insured:*

f. The IHCP shall be responsible for any loss or expense (including cost and attorney fees) incurred by or attributed to any act, error, or omission of its agent or agents.

**F. Access to Premises and Information**

1. **Access to Premises**

   All records the IHCP maintains pursuant to this agreement shall be made available to the Department upon request with adequate notice for inspection, examination, or audit. Except when the Department determines that unusual circumstances exist, the Department will give the IHCP at least five (5) business days written notice to produce the requested records, unless the IHCP consents to a shorter time frame.

   Notwithstanding the above, nothing in the agreement shall be construed to limit, modify, or extinguish any federal or state agency's legal authority to inspect, audit, or have access to any records, financial statements or other reports maintained by the IHCP; or to modify or limit the IHCP's legal obligation to maintain any record or report required by state or federal laws, rules, or regulations.

2. **Access to and Audit of Agreement Records**

   Throughout the duration of this agreement, and after termination of this agreement, the Indian Health Care Provider (IHCP) shall provide duly authorized agents of the MCO, state or federal government access to all records and material relating to the agreement’s provision of and reimbursement for activities contemplated under this agreement. The rights of access in this paragraph are not limited to the required retention period, but shall last as long as records are retained, if longer. Such access shall include the right to inspect, audit and reproduce all such records and material and to verify reports furnished in compliance with the provisions of this agreement. All information so obtained will be accorded confidential treatment as provided under applicable law. The rights to access, inspect, and audit premises and agreement records described in Article XIII. exist for 10 years from the final date of the agreement period or from the date of completion of any audit, whichever is later. If the MCO, State, CMS, or the HHS Inspector General determines there is a reasonable possibility of fraud or similar risk, these access and audit rights may be exercised at any time.

3. **Suspension of Provider Payments**

   a. The Indian Health Care Provider (IHCP) shall suspend payments to a sub-contracted third party provider pursuant to 42 C.F.R. § 455.23 if the Department or MCO informs the Indian Health Care Provider (IHCP) that the Department has suspended fee-for-service Medicaid payments to the provider because of a credible allegation of fraud, unless the Indian Health Care Provider (IHCP) believes there is good cause for not suspending its payments. If the Indian Health
Care Provider (IHCP) believes based on the criteria under 42 C.F.R. § 455.23 (e) or (f) that there is good cause for not suspending its payments or for only suspending them in part, it shall submit written documentation to the Department describing the basis for such a good cause exception to suspending payment. The Department shall approve or disapprove the Indian Health Care Provider (IHCP)’s request for a good cause exception within ten (10) business days. If the Department disapproves the request the Indian Health Care Provider (IHCP) shall suspend payments to the provider.

b. If the Indian Health Care Provider (IHCP) suspends its payments in whole or in part to a third party provider because the Department has determined that there is a credible allegation of fraud and there fails to be good cause to not suspend payments, the Indian Health Care Provider (IHCP) shall:

i. Provide notice to the third party provider that meets the timeframe and content requirements of 42 C.F.R. § 455.23 (b).

ii. Terminate the suspension when the Department or a prosecutorial authority determines there is insufficient evidence of fraud by the third party provider or legal proceedings related to the alleged fraud are completed, or when the Department determines there is good cause under 42 C.F.R. § 455.23 (e).

c. Maintain documentation for at least five (5) years of all payment suspensions, instances where a payment suspension was not imposed, imposed only in part or discontinued for good cause, as provided in 42 C.F.R. § 455.23 (g).

4. **Investigations**

The Indian Health Care Provider (IHCP) shall cooperate with any investigation of fraud and abuse, including directly conducting investigations as needed. The Indian Health Care Provider (IHCP) shall assist the Department and any other entity legally authorized to investigate fraud and abuse in determining any amounts to be repaid, and with other follow up as requested.

G. **Resource Center Conflict of Interest Policies and Procedures**

1. **Written Conflict of Interest Policies and Procedures**

The Indian Health Care Provider (IHCP) shall have written conflict of interest policies and procedures that prohibit Indian Health Care Provider (IHCP) employees and employees of subcontractors and providers from attempting to influence the independence of options counseling, enrollment counseling, disenrollment counseling and advocacy provided by resource center staff.
XIII. Reports and Data

A. Reports: Regular Interval

1. General

The Indian Health Care Provider (IHCP) agrees to furnish information from its records to the MCO or Department, and to the MCO’s or Department’s authorized agents and upon request to CMS, which may be required to administer this agreement.

The monthly member incident and approved restrictive measures reports are due to the MCO on the 25th day after the end of the month, or the first business day following the 25th day when the 25th day is not a business day.

3. Quarterly Report

The Quarterly Report is due to the MCO thirty (30) calendar days after the reporting period. The Department may from time to time revise elements to be included in the Quarterly Report and shall give the Indian Health Care Provider (IHCP) notice of new elements to include in the Report prior to the commencement of the next reporting period. The Quarterly Report contains the following components:

a. Payments the IHCP received for enhanced services and donations directly received by the IHCP from members, the member’s family or significant others as specified in Article VI.G.3.

b. The number of members who were forced to move from one community-based residential care facility to another, or from a community-based residential care facility to a nursing home, due to the member’s lack of financial resources sufficient to meet the room and board costs.

c. Total overpayments recovered, split out by those retained by the Indian Health Care Provider (IHCP), those returned to the MCO because the IHCP is not permitted to retain them, and those due to potential fraud, waste and abuse.

d. Overpayments identified but not recovered.

4. Semi-Annual Employment Data Report

The IHCP shall, in its provider agreements, require employment services providers to report employment data in May and November of each year for pre-populated lists of members provided by MCO. The IHCP shall report employment data in May and November of each year to the MCO for pre-populated lists provided by the MCO of members who do not have a service provider. The IHCP shall provide this data on an MCO provided template.

B. Reports: As Needed
The Indian Health Care Provider (IHCP) agrees to furnish reports which may be required to administer this agreement or the DHS-MCO contract, to the MCO or Department and the MCO’s or Department’s authorized agents.

C. **Records Retention**

The Indian Health Care Provider (IHCP) shall retain, preserve and make available upon request all records or documents relating to the performance of its obligations under this agreement, including paper and electronic claim forms, for not less than ten (10) years following the end of this agreement period. Records and documents that must be retained include, but are not limited to, the following:

a. Claims data;

b. As described by 42 C.F.R. §§438.608 and 438.610, data, information, and documentation related to program integrity requirements, including:
   
   i. The detection and prevention of fraud, waste, and abuse;
   
   ii. Compliance with all requirements and standards under this agreement, including all federal and state requirements;
   
   iii. Notifications regarding changes in members’ circumstances which may impact eligibility;
   
   iv. Verification that services that were represented to have been delivered were actually received by members;
   
   v. Compliance with the False Claims Act;
   
   vi. Compliance with requirements regarding the enrollment of providers with the state as Medicaid providers;
   
   vii. Disclosure of any prohibited affiliations, including:

   a) Individuals or entities excluded from participation in any federal health program under section 1128 or 1128A of the Social Security Act.

The Indian Health Care Provider (IHCP) shall provide these records or documents to the Department at no charge. Records or documents involving matters that are the subject of any litigation, claim, financial management review or audit shall be retained for a period of not less than ten (10) years from the end of this agreement period, following the termination or completion of the litigation, claim, financial management review or audit or disposition of real property and equipment acquired with Federal funds, whichever is later. The retention requirements described above shall include records or documents related to recoveries of all overpayments from the Indian Health Care Provider (IHCP), to a provider, including specifically recoveries of overpayments due to fraud, waste, or abuse.

D. **Access to CARES Data**
The Indian Health Care Provider (IHCP) is authorized to have access to, and make use of, data found in the Client Assistance for Reemployment and Economic Support system (CARES) operated for the Department so that the Indian Health Care Provider (IHCP) will be able to help its members maintain their eligibility to receive Medicaid and remain enrolled in an MCO.

1. **Department Responsibility**

   a. The Department shall give the IHCP query access to certain data in the CARES mainframe computer system and the CARES Worker Web system. The types of data to which the Indian Health Care Provider (IHCP) shall have access in CARES are data used to determine a member’s eligibility to receive Medicaid and remain enrolled in an MCO and data used to help a member understand and/or meet any financial or other type of obligation that he/she is required to meet in order to remain eligible to receive Medicaid. These types of data include:

   i. Data used to calculate a member’s initial room and board expense when the member first enrolls in the MCO or data used to calculate any change in this expense after the member enrolls;

   ii. Data used to calculate a member’s medical and remedial expenses, cost share, or any similar financial expense or obligation or data used to calculate any changes in these expenses or obligations; and

   iii. Data used to help a member complete his/her annual Medicaid eligibility review.

   b. The Department shall designate a data steward for providing the Indian Health Care Provider (IHCP) with access to CARES data who shall be responsible for:

   i. Approving or denying requests from the Indian Health Care Provider (IHCP) asking that staff be given access to CARES;

   ii. Working with staff in the Department’s systems security unit to develop, implement, and/or monitor the procedures for providing Indian Health Care Provider (IHCP) staff with access to data found in CARES; and

   iii. Coordinating any other CARES data exchange requests between the Department and the Indian Health Care Provider (IHCP) for data that it is unable to obtain using the limited access to CARES under this agreement. The Department has sole discretion as to whether to grant such requests. The Indian Health Care Provider (IHCP) may be required to reimburse the Department for the costs incurred in obtaining this data for the Indian Health Care Provider (IHCP).

2. **Indian Health Care Provider (IHCP) Responsibility**

   a. The Indian Health Care Provider (IHCP) shall identify an Indian Health Care Provider (IHCP) security and data exchange coordinator who shall be responsible for:
i. Forwarding to the Department’s data steward all requests from the Indian Health Care Provider (IHCP) to give or delete CARES access for individual staff members;

ii. Working with the Department’s data steward and, as necessary and appropriate, staff in the Department’s systems security unit to develop, implement, and/or monitor the procedures for designating those Indian Health Care Provider (IHCP) staff that will have access to data found in CARES; and

iii. Coordinating any other data exchange requests between the Department and the Indian Health Care Provider (IHCP) in accordance with this agreement.

The Indian Health Care Provider (IHCP) will use the Agency Data Security Staff User Agreement (https://www.dhs.wisconsin.gov/forms/f0/f00639.doc) to notify the Department of new designations or changes to the primary or secondary Indian Health Care Provider (IHCP) Security and Data Exchange Coordinator.

b. The Indian Health Care Provider (IHCP) shall protect the confidentiality of data it obtains by exercising its right to access CARES. Protecting the confidentiality of this data includes, but is not limited to, protecting it from access by, or disclosure to, individuals who are not authorized to see it. The Indian Health Care Provider (IHCP) shall:

i. Give access to CARES data only to authorized staff members;

ii. Use the data that it obtains under this agreement only for the purpose listed in this section;

iii. Store the data that it obtains under this agreement in a place that has been physically secured from access by unauthorized individuals in accordance with the Department’s security rules and security system rules;

iv. Make sure that data that it obtains under this agreement that is in an electronic format, including but not limited to, magnetic tapes or discs, is stored and processed in such a way that unauthorized individuals cannot retrieve this information by using a computer or a remote terminal or by any other means;

v. Comply with federal and state laws, regulations, and policies that apply to and protect the confidentiality of CARES data that the Indian Health Care Provider (IHCP) obtains;

vi. Provide information and/or training to all staff members who have access to CARES data to ensure they understand MCO policies and procedures to protect the confidentiality of this data, and the federal and state laws, regulations, and policies related to confidentiality; and
vii. By the signature of its representative on the Agency Data Security Staff User Agreement, the Indian Health Care Provider (IHCP) attests that all of its staff members with access to any CARES data the Indian Health Care Provider (IHCP) obtains shall be required to follow all of the policies and procedures of the Department and of the Indian Health Care Provider (IHCP) that apply to and protect the confidentiality of this data.

c. The Indian Health Care Provider (IHCP) shall not disclose any data that it obtains under this agreement to any third party other than an individual member without prior written approval from the Department unless federal or state law requires or authorizes such a disclosure. The Indian Health Care Provider (IHCP) may, without prior written approval from the Department, disclose CARES data that it obtains about an individual member:

i. To the individual member;

ii. To the individual member’s guardian;

iii. To any person who has an activated power of attorney for health care for the individual member; and

iv. To any person who has been designated as the individual member’s authorized representative for the purpose of determining the individual’s eligibility for Medicaid.

d. Provisions related to confidentiality and disclosure of CARES data shall survive the term of this agreement.

The IHCP shall permit authorized representatives of the Department or its agents as well as authorized representatives of federal oversight agencies and their agents to make on-site inspections of the IHCP to make sure that the IHCP is meeting the requirements of the federal and state laws, regulations, and policies applicable to access to CARES or to the use of CARES data.

3. **Suspension of Access to CARES for Default**

The Department shall suspend access to CARES in the event of any of the following:

a. The IHCP uses any data that it obtains under this agreement for a purpose not specified in this article;

b. The IHCP fails to protect the confidentiality of CARES data that it obtains or to protect it against unauthorized access or disclosure; or

c. The IHCP fails to allow on-site inspections as required in this article.

Any suspension shall last until the Department is satisfied that the IHCP is capable of complying with the responsibilities specified in this article.
XIV. Functions and Duties of the Department

A. Bureau of Adult Long Term Care Services
   The Bureau of Adult Long Term Care Services (BALTCS), in the Division of Medicaid Services (DMS), is the primary point of contact between the Department, the MCO and the IHCP and other portions of the Department and the Department’s contract agencies responsible for the administration and implementation of the Family Care program.

B. Reports from the IHCPs
   The MCO will acknowledge receipt of the reports required in Article XIII. The MCO shall have systems in place to ensure that reports and data required to be submitted by the IHCP shall be reviewed and analyzed by the MCO in a timely manner. The MCO shall offer technical assistance to help the IHCP correct any reporting problems.

C. ForwardHealth ID Cards
   The Department will issue new ForwardHealth cards to Medicaid recipients after they are determined to be eligible for Medicaid. When providers verify Medicaid eligibility using the ForwardHealth card, they are given managed care enrollment information for the member on the requested dates.

D. Capitation/Interim Payment Reporting
   The Department provides MCOs with Capitation Payment Reports on a weekly basis. The MCO and IHCP will coordinate to ensure the list accurately reflects all enrolled members. The capitation payment report provides a detailed listing of each member and his/her enrollment and disenrollment date that is associated with each monthly capitation/interim payment for that member. ForwardHealth interChange creates monthly capitation/interim payments and reports on the first Friday of each month for that month. Capitation/interim adjustments and reports are also created each week for members whose eligibility and/or enrollment information changed after a regular monthly capitation/interim payment was made. MCOs receive both the Capitation Payment Listing Report and the HIPAA 820 EDI X12 File transaction. The reports are available to MCOs via the ForwardHealth MCO Portal and Trading Partner Portal accounts.

E. Review of Study or Audit Results
   1. Release to the Public
      The Department shall submit to the IHCP for a fifteen (15) business day review/comment period, any studies or audits that are going to be released to the public that are about the IHCP and Medicaid.

   2. Plan of Correction
      Under normal circumstances, the Department will not implement a plan of correction prior to the IHCP’s review and response to a preliminary report. The Department may do
so, however, if the circumstances warrant immediate action (i.e., if delays may jeopardize or threaten the health, safety, welfare, rights or other interest of members).

F. Provider Certification

The MCO shall give the IHCP access to the names and contact information for all Medicaid certified providers in the MCO’s service area; in the alternative, the MCO shall continue to give the IHCP timely responses to the IHCP’s requests for confirmation of particular providers’ Medicaid certification status.

G. Technical Assistance

The MCO and Department shall review reports and data submitted by the IHCP and shall share results of this review with the IHCP. In conjunction with the IHCP, the MCO and Department shall determine whether technical assistance may be available to assist in improving performance in any areas of identified need. The Department, in consultation with the MCO and IHCP, shall develop a technical assistance plan and schedule to assure compliance with all terms of this agreement and quality service to members of the MCO.

H. Conflict of Interest

The Department maintains that Department employees are subject to safeguards to prevent conflict of interest as set forth in Wis. Stats. § 19.
XV. Relationship Under This Agreement

A. Agreement

This agreement is drafted in accordance with the requirements of Wis. Stat. §§ 46.2803 to 46.2895 and Wis. Admin. Code § DHS 10. This document, the Agreement between the MCO, IHCP and the Department, constitutes the entire agreement between the MCO, IHCP and the Department and no other expression, whether oral or written, constitutes any part of this agreement.

B. Precedence When Conflict Occurs

In the event of any conflict among the following authorities, the order of precedence is as follows:

a. Federal law, state statutes, and administrative code;
b. This agreement;
c. Applicable DHS-MCO contract;
d. DHS numbered memos (including Contract Interpretation Bulletins and Technical Assistance Series documents); and
e. Certification documents.
f. 

C. Cooperation of Parties and Dispute Resolution

1. Agreement to Cooperate

The parties agree to fully cooperate with each other in connection with the performance of their respective obligations and covenants under this agreement.

2. Dispute Resolution

The parties shall use their best efforts to cooperatively resolve disputes and problems that arise in connection with this agreement. When a dispute arises that the MCO and the IHCP have been unable to resolve, the Department reserves the right to determine the final resolution.

3. Audit Dispute Resolution

If the IHCP is dissatisfied with the Department’s interpretation of an audit related issue, the IHCP may pursue the review process used for audits to resolve the dispute.

4. Performance of Agreement Terms During Audit Dispute

The existence of a dispute notwithstanding:

a. All parties agree to continue without delay to carry out all their respective responsibilities which are not affected by the dispute; and
b. The MCO and IHCP further agrees to abide by the interpretation of the Department regarding the matter in dispute while the MCO or IHCP seeks further review of that interpretation.

D. IHCP Certification

1. Certification

The IHCP is required to demonstrate that it meets certification standards as defined by the Department.

2. Certification Information and Documents

The IHCP shall provide to the Department whatever information and documents the Department requests so that the Department can determine whether the IHCP is meeting these standards.

The IHCP agrees to submit the requested information by the deadlines identified in the request.

E. Remedies for Breach or Non-Performance

The Department may work with the IHCP to create and implement a plan of correction, withhold payment, or terminate the agreement, as set forth in this article, if it determines the IHCP has failed to meet the substantive requirements of this agreement.

1. Remedies

a. Bases for Imposing Remedies

   The Department may impose remedies if it determines the IHCP has failed to meet any of the following expectations:

   i. The IHCP shall provide all necessary services that the IHCP is required to provide, under law or under this agreement to any member covered under the agreement.

   ii. The IHCP shall not impose premiums or charges on members that are in excess of the premiums or charges permitted under the Medicaid program.

   iii. The IHCP shall not act to discriminate among members on the basis of their health status or need for health care services. This includes, but is not limited to, refusing to serve an Indian member for any unlawful reason other than case management capacity.

   iv. The IHCP shall not misrepresent or falsify information that it furnishes to the MCO, CMS or to the Department.

   v. The IHCP shall not misrepresent or falsify information that it furnishes to a member, potential member, subcontractor, or a provider.
vi. The IHCP shall not violate any of the other requirements of sections 1903(m) or 1932 of the Social Security Act, and any implementing regulations.

vii. The IHCP shall meet the quality standards and performance criteria of this agreement such that members are not at substantial risk of harm.

viii. The IHCP shall not distribute directly or indirectly through any agent or independent contractor, any materials which describe or provide information regarding the Family Care program, which have not been approved by the Department.

ix. The IHCP shall meet all obligations described in Article XII. in order to prevent the unauthorized use, disclosure, or loss of confidential information.

x. The IHCP must not prohibit, or otherwise restrict, a provider acting within the lawful scope of practice, from advising on behalf of a member who is his or her patient, for the following:

a) The member's health status, medical care, or treatment options, including any alternative treatment that may be self-administered.

b) Any information the member needs to decide among all relevant treatment options.

c) The risks, benefits, and consequences of treatment or non-treatment.

d) The member's right to participate in decisions regarding his or her health care, including the right to refuse treatment, and to express preferences about future treatment decisions.

xi. The IHCP shall meet all other obligations described in federal law, state law, or the agreement, not otherwise specifically described, above.

b. Types of Remedies

The Department may impose the following remedies for the violations described in Article E.1.a.:

i. Decertification as a Family Care case manager.

ii. Suspension of all new selection of IHCP for case management the effective date of the sanction.

The suspension period may be for any length of time specified by the Department, or may be indefinite. The suspension period may extend up to the expiration of the agreement as provided under Article XVI.

iii. Suspension of MCO and Department payment for recipients of IHCP case management until CMS or the Department is satisfied that the reason for imposition of the sanction no longer exists and is not likely to recur.
iv. Withholding of MCO and Department payments.

v. Termination of the agreement.

c. Notice of Remedies

i. Notice to IHCP

Except as provided in Article XV.E.1. or 42 C.F.R. § 438.706(c), before imposing any of the remedies described in Article XV.E.1., the Department must give the affected IHCP written notice that explains the basis and nature of the required remedy.

d. Plans of Correction

If the IHCP fails to meet the substantive terms of this agreement, the Department may work with the IHCP to develop a plan of correction to ensure that the IHCP thereafter meets all of the requirements of this agreement.

e. Right to Withhold Payments

i. Amount of Payment to be Withheld

In the event the IHCP does not fulfill its obligations under the plan of correction, the Department or MCO may withhold future payments otherwise due to the IHCP.

ii. Notice to IHCP

In the event the Department intends to withhold payments as described in this Article, the Department shall include as part of its notice described in Article XV.E.1.c.i., documentation of:

a) The basis for withholding payments; and

b) The amount of payments that will be withheld and the length of time in which payments will be withheld.

2. Termination of Agreement

a. Authority to Terminate Agreement

The Department has the authority to terminate this agreement and decertifying the IHCP from providing case management if the Department determines that the IHCP has failed to do either of the following:

i. Carry out the substantive terms of this Agreement; or

ii. Meet applicable requirements in sections 1932, 1903(m), and 1905(t) of the Social Security Act.

F. Modification and Termination of the Agreement

1. Modification
a. This agreement may be modified at any time by written mutual consent of the MCO, IHCP and the Department.

b. This agreement will be modified if changes in federal or state laws, rules, regulations or amendments to Wisconsin’s CMS approved waivers, state plan or DHS-MCO Family Care contract require modification to the agreement. In the event of such change, the Department will notify the MCO and IHCP in writing. If the change materially affects the MCO’s or IHCP’s rights or responsibilities under the agreement and the MCO or IHCP does not agree to the modification, the MCO or IHCP may provide the Department with written notice of termination at least ninety (90) days prior to the proposed date of termination.

2. **Mutual Consent for Termination**

   This agreement may be terminated at any time by mutual written consent of the MCO, IHCP and the Department.

3. **Unilateral Termination**

   This agreement may be unilaterally terminated only as follows:

   a. **Termination for Convenience**

      Any party may terminate this Agreement at any time, without cause, by providing a written notice to the other parties at least 90 days in advance of the intended date of termination.

   b. **Changes in Federal or State Law**

      This agreement may be terminated at any time, by any party, due to modifications mandated by changes in federal or state law or regulations that materially affect any party's rights or responsibilities under this agreement.

      In such case, the party initiating such termination procedures must notify the other parties in writing, at least ninety (90) days prior to the proposed date of termination, of its intent to terminate this agreement.

   c. **Termination for Cause**

      If any party fails to perform under the terms of this Agreement, the other parties may terminate this Agreement by providing written notice of any defects or failures to the non-performing party. The non-performing party will have 30 calendar days from the date of receipt of notice to cure the failures or defects established within the notice sent by the other party. If the failures or defects are not cured within 30 days of the non-performing party receiving the notice, the other parties may terminate the Agreement.

   d. **Termination when Federal or State Funds are Unavailable**

      i. **Permanent Loss of Funding**

      This agreement may be terminated by any party, in the event federal or state funding of services under this agreement rendered by parties’
becomes permanently unavailable and such lack of funding would preclude reimbursement for the performance of the parties’ obligations. In the event it becomes evident state or federal funding of claims payments or services under this agreement rendered by the parties will become unavailable, the Department shall immediately notify the MCO and IHCP, in writing, identifying the basis for the anticipated unavailability of funding and the date on which the funding will end. In the event of termination, the agreement will terminate without termination costs to any party.

ii. Temporary Loss of Funding

In the event funding will become temporarily suspended or unavailable, the Department will suspend the parties’ performance of any or all of the parties’ obligations under this agreement if the suspension or unavailability of funding will preclude reimbursement for performance of those obligations. The Department shall attempt to give notice of suspension of performance of any or all of the parties’ obligations sixty (60) days prior to said suspension, if possible; otherwise, such notice of suspension should be made as soon as possible. Once the funding is reinstated, the parties will resume the suspended services within thirty (30) days from the date the funds are reinstated. The agreement will not terminate under a temporary loss of funding.

4. **Automatic Termination of Foreign Entity**

This agreement will terminate immediately upon the MCO or IHCP becoming located outside of the United States.

5. **Transition Plan**

In the case of this agreement being terminated, the IHCP shall submit a written plan that receives the Department’s approval, to ensure uninterrupted delivery of services to MCO members and their successful transition of care management to the MCO. The plan will include provisions for the transfer of all member related information held by the IHCP or its providers and not also held by the Department.

a. Submission of the Transition Plan

The IHCP shall submit the plan within ten (10) business days of notice of termination by the Department; or along with the IHCP’s notice of termination.

b. Management of the Transition

The IHCP shall designate a person responsible for coordinating the transition plan and will assign staff as the Department determines is necessary to assist in the transition. Status meetings including staff from all parties involved in the transition will be held as frequently as the Department determines is necessary.

6. **Obligations of Parties**
When termination of this agreement occurs, the following obligations shall be met by the parties:

a. Notice to Members
   The Department shall be responsible for developing the format for notifying all members of the date of termination and process by which the members continue to receive services in the benefit package; and

b. Outstanding Claims
   The IHCP be responsible for any outstanding Medicaid claims.

G. Delegations of Authority
   The IHCP shall oversee and remain accountable for any functions and responsibilities that it delegates to a subcontractor or provider. For all major or minor delegation of function or authority:

1. There shall be a written agreement that specifies the delegated activities and reporting responsibilities of the subcontractor or provider and provides for revocation of the delegation or imposition of other sanctions if the subcontractor’s or provider’s performance is inadequate.

2. Before any delegation, the IHCP shall evaluate the prospective subcontractor’s or provider’s ability to perform the activities to be delegated.

3. The IHCP shall monitor the subcontractor’s or provider’s performance on an ongoing basis and subject the subcontractor or provider to formal review at least once a year.

4. The IHCP shall maintain oversight of subcontractors’ and providers’ quality of services.

5. If the IHCP identifies deficiencies or areas for improvement, the IHCP and the subcontractor or provider shall take corrective action.

6. If the IHCP delegates selection of subcontractors or providers to another entity, the IHCP retains the right to approve, suspend, or terminate any subcontractor or provider selected by that entity.

H. Indemnification
   To the extent provided by federal and tribal law, the IHCP will be liable for, and will indemnify the Department against, all loss, damages, and expenses the Department may sustain, incur, or be required to pay by reason of any eligible client's suffering personal injury, death, or property loss resulting from the IHCP's acts or omissions while any eligible client is participating in or receiving care and services furnished by the IHCP under this agreement. The provisions of this paragraph shall not apply to liabilities, losses, charges, costs, or expenses caused by the Department.

7. Pass Along Federal Penalties
The IHCP shall indemnify the Department and MCO for any federal fiscal sanction taken against the Department or any other state agency which is attributable to action or inaction by the IHCP, its officers, employees, agents, providers or subcontractors that is contrary to the provisions of this agreement.

Prior to invoking this provision, the Department agrees to pursue any reasonable defense against the federal fiscal sanction in the available federal administrative forum. The IHCP shall cooperate in that defense to the extent requested by the Department.

Upon notice of a threatened federal fiscal sanction, the Department and MCO may withhold payments otherwise due to the IHCP to the extent necessary to protect the Department against potential federal fiscal sanction. The Department will consider the IHCP’s requests regarding the timing and amount of any withholding adjustments.

I. Independent Capacity of the IHCP

The Department, IHCP and the MCO agree that the IHCP and any agents or employees of the IHCP, in the performance of this agreement, shall act in an independent capacity, and not as officers or employees of the MCO or Department.

Omissions

In the event that any party hereto discovers any material omission in the provisions of this agreement that is essential to the successful performance of this agreement, said party may so inform the other parties in writing. The parties hereto will thereafter promptly negotiate the issues in good faith in order to make reasonable adjustments necessary to perform the objectives of this agreement.

J. Choice of Law

This agreement shall be governed by and construed in accordance with the laws of the State of Wisconsin. The IHCP shall be required to bring all legal proceedings against the Department or MCO in the state courts in Dane County, Wisconsin.

K. Waiver

No delay or failure by the MCO, IHCP or the Department to exercise any right or power accruing upon noncompliance or default by the other parties with respect to any of the terms of this agreement shall impair such right or power or be construed to be a waiver thereof. A waiver by either of the parties hereto of a breach of any of the covenants, conditions, or agreements to be performed by the other shall not be construed to be a waiver of any succeeding breach thereof or of any other covenant, condition, or agreement herein contained.

L. Severability

If any provision of this agreement is declared or found to be illegal, unenforceable, invalid or void, then the parties shall be relieved of all obligations arising under such provision; but if such provision does not relate to payments or services to members and if the remainder of this agreement shall not be affected by such declaration or finding, then each provision not so affected shall be enforced to the fullest extent permitted by law.
M. **Force Majeure**

The parties shall be excused from performance hereunder for any period that they are prevented from meeting the terms of this agreement as a result of a catastrophic occurrence or natural disaster including but not limited to an act of war, and excluding labor disputes.

N. **Headings**

The article and section headings used herein are for reference and convenience only and shall not enter into the interpretation hereof.

O. **Assignability**

Except as allowed under subcontracting and entering into provider agreements, this agreement is not assignable by the MCO or IHCO either in whole or in part, without the prior written consent of the Department.

P. **Survival**

The terms and conditions contained in this agreement that by their sense and context are intended to survive the performance by the parties shall so survive the completion of the performance, expiration or termination of the agreement. This specifically includes, but is not limited to recoupments and confidentiality provisions. All rights and remedies of the parties provided under this agreement, including but not limited to any and all sanctions for violation, breach or non-performance survive the completion of the performance, expiration or termination of the agreement.
XVI. Specific Agreement Terms

A. Program

This agreement covers the Family Care Program.

1. Agreement Contingencies:

   a. Agreement is contingent upon the IHCP being certified by the Department as a care management provider.

   b. This Agreement is contingent upon receipt of approval from CMS of the Family Care waiver amendments submitted by DHS on June 14, 2018.

2. Signatures

   In WITNESS WHEREOF, the State of Wisconsin, the <<Name of Tribal nation>> and the <<Name of MCO>> have executed this agreement:

## ADDENDUM

### I. Requirements for Memoranda of Understanding

The IHCP is required to abide by the following MCO MOUs, as applicable:

<table>
<thead>
<tr>
<th>Title</th>
<th>Purpose</th>
<th>Party</th>
</tr>
</thead>
<tbody>
<tr>
<td>Aging &amp; Disability Resource Center</td>
<td>The MCO will cooperate fully in executing a memorandum of understanding or other written agreement with each ADRC within its service area that describes the circumstances in which the MCO will provide services to an individual who is functionally eligible but whose financial eligibility is pending.</td>
<td>All ADRCs within the MCO’s service areas</td>
</tr>
<tr>
<td>Adult Protective Services MOU</td>
<td>The MCO will cooperate fully in executing memoranda of understanding with all county agencies in its service area that are responsible for adult protective services. The memorandum will define the roles and relationships of the county EA/AAR/APS agencies and the MCO as they work together to assure the care and safety of adults at risk who have been abused, neglected or financially exploited.</td>
<td>The county agencies that are responsible for Adult Protective Services in the MCO’s service area</td>
</tr>
<tr>
<td>MOU on Institute for Mental Disease (IMD) Discharge Planning</td>
<td>The expectation for discharge planning when the member, someone who was a member prior to losing eligibility due to institutional status, or someone who is eligible to enroll upon discharge, who is currently a resident of an IMD. The purpose of this discharge planning will be to return the individual to the most integrated setting appropriate to his/her needs.</td>
<td>All counties within the MCO’s service areas</td>
</tr>
<tr>
<td>Disaster Planning and Emergency Response MOU</td>
<td>The MCO will be familiar with, and have involvement in, the emergency government plan of the counties in which they are providing services. The MOU will address the MCO’s role in emergency response.</td>
<td>Each county in the MCO’s service area</td>
</tr>
<tr>
<td>General MOU</td>
<td>An MCO may enter into an MOU with a business, provider or similar entity. Such an MOU may not violate any of the requirements found in this contract concerning contracts, subcontracts, or agreements between the MCO and a business, provider or similar entity</td>
<td>A business, provider or similar entity</td>
</tr>
</tbody>
</table>
ADDENDUM

II. IHCP Quality Indicators

This addendum lists the quality indicators the IHCP will report directly to the MCO as required by the Department.

A. Quality Indicators – Family Care

The following quality indicators pertain to Family Care:

a. Care management (IDT staff) turnover
b. Influenza vaccinations
c. Pneumococcal (Pneumovax vaccinations)

The Department will issue a technical assistance memo providing instructions for each of the quality indicators and definitions to be utilized by September 30 of the previous year (e.g., September 30, 2013 for 2014 quality indicators).
III. Personal Experience Outcomes in Long-Term Care

Assisting people to achieve their desired individual quality-of-life outcomes is one of the primary goals of managed long-term care. The following personal experience outcome domains are the areas of life that people in long-term care programs have identified as being important to their quality of life. They provide a framework for learning about and understanding the individual’s needs, values, preferences, and priorities in the assessment and care planning process and in monitoring the quality of our long-term care programs. It is expected that each of these domains will be assessed during the member-centered planning process.

Choice – choosing:
- Where and with whom to live
- Supports and services
- Daily routines

Personal Experience – having:
- Interaction with family and friends
- Work or other meaningful activities
- Community involvement
- Stability
- Respect and fairness
- Privacy

Health and Safety – being:
- Healthy
- Safe
- Free from abuse and neglect
ADDENDUM

IV. Benefit Package Service Definitions

A. Home and Community-Based Waiver Services

Services under a waiver service category may not duplicate any service provided under another waiver service category or through the Medicaid State Plan.

The following services, defined in Wisconsin’s s. 1915 (c) home and community-based waiver services waiver #0367.90 required under Wis. Stat. § 46.281(1)(d) and approved by the Centers for Medicare & Medicaid Services (CMS) are included in the Family Care, Partnership and PACE benefit packages:

1. **Adaptive aids** are controls or appliances that enable members to increase their abilities to perform activities of daily living or control the environment in which they live (including patient lifts, control switches, etc.). Adaptive aids are also services and material benefits that enable members to access, participate and function in their community. These include the purchase of vehicle modifications (such as van lifts, hand controls, equipment modifications, etc. that allow the vehicle to be used by the member to access the community) or those costs associated with the maintenance of these items. The service may also include the initial purchase of a service dog and routine veterinary costs for a service dog. Excludes food and non-routine veterinary care for service dogs based on DHS guidelines. Providers of this service must be Medicaid certified providers. Electronic devices must meet UL or FCC standards. For service dogs, provider must be a reputable provider with experience providing and training service dogs.

2. **Adult day care services** are the provision of services for part of a day in a non-residential group setting to adults who need an enriched social or health-supportive experience or who need assistance with activities of daily living, supervision and/or protection. Services may include personal care and supervision, light meals, medical care, and transportation to and from the day care site. Transportation between the member's place of residence and the adult day care center may be provided as a component of adult day care services. The cost of this transportation is included in the rate paid to providers of adult day care services. Meals provided as part of adult day care may not constitute a "full nutritional regimen" (3 meals per day). The MCO may only enter a provider agreement with adult day care centers that have been certified by the Department under Wis. Stat. § 49.45(2)(a)(11) to provide adult day care services.

3. **Assistive technology/communication aids** means an item, piece of equipment or product system, whether acquired commercially, modified or customized, that is used to increase, maintain or improve functional capabilities of members at home, work and in the community. Assistive technology service means a service that
directly assists a member in the selection, acquisition, or use of an assistive technology device. Assistive technology includes:

a. the evaluation of the assistive technology needs of a member, including a functional evaluation of the impact of the provision of appropriate assistive technology and appropriate services to the member in the customary environment of the member;

b. services consisting of purchasing, leasing, or otherwise providing for the acquisition of assistive technology devices for members;

c. services consisting of selecting, designing, fitting, customizing, adapting, applying, maintaining, repairing or replacing assistive technology devices;

d. coordination and use of necessary therapies, interventions or services with assistive technology devices, such as therapies, intervention or services, associated with other services in the service plan;

e. training or technical assistance for the member, or where appropriate, the family members, advocates, legal decision makers, or other persons designated by the member; and

f. training or technical assistance for professionals or other individuals who provide services to, employ or are otherwise substantially involved in the major life functions of members.

Assistive technology includes communication aids that are devices or services needed to assist members with hearing, speech, communication or vision impairments. These items or services assist the individual to effectively communicate with service providers, family, friends and the general public; decrease reliance on paid staff; increase personal safety; enhance independence; and improve social and emotional well-being.

Communication aids include any device that addresses these objectives such as augmentative and alternative communication systems, hearing or speech amplification devices, aids and assistive devices, interpreters, and cognitive retraining aids and the repair and/or servicing of such systems. Communication aids also include electronic technology such as tablets or mobile devices and related software that assist with communication, when the use provides assistance to a person who needs such assistance due to her/her disabilities. Applications for mobile devices or other technology also are covered under this service, when the use is primarily medical in nature or provides assistance to a person who needs such assistance due to his/her disabilities. This list is intended to be illustrative and is not exhaustive. Excludes interpreter services that are otherwise available, including for communication with the managed care organization, its contractors or other health care professionals, which are required to provide interpreter services as part of their rate.
Individual interpreters must be on the state or national interpreter registry. Communication aids vendors must be Medicaid certified providers. Electronic devices must meet UL or FCC standards.

4. **Care/case management services** (sometimes called support and service coordination) are provided by an interdisciplinary care management team (IDT). The member is the center of the IDT. The IDT consists of, at minimum, a registered nurse and a social services coordinator, and may also include other professionals as appropriate to the needs of the member, as well as family or other informal supports requested by the member. The IDT initiates and oversees the initial comprehensive assessment of needs and reassessment process, the results of which are used in developing the individual's member-centered plan of care. The IDT identifies the member's preferred outcomes and the services needed to achieve those outcomes and monitors the member's health and welfare, the delivery of services, and progress in achieving identified outcomes. The IDT also carries out activities that help members and their families to identify other service needs and gain access to medical, social, rehabilitation, vocational, educational and other services identified.

Care management is always provided by individuals employed by the managed care organization or by a subcontracted agency of the managed care organization. Care management services are provided by the case manager with the member and other participants of the interdisciplinary team and include:

a. A comprehensive assessment of the member's strengths, abilities, functional limitations, lifestyle, personal circumstances, values, preferences and choices;

b. Development of an individualized plan of care;

c. Authorization for the purchase of paid services identified in the plan of care;

d. Monitoring of the delivery and quality of the paid services identified in the plan of care;

e. Monitoring of the member's circumstances and ongoing health and well-being; and

f. Maintenance of the member record and all documentation associated with the delivery of services and any required waiver procedures.

For providers of this service: Wis. Stats. Chapter 441 applies to Registered Nurses; a four year bachelor's degree in a social services area (e.g. social work, rehabilitation, psychology, etc.) and knowledge of the conditions of LTC target populations is required for Social Service Coordinators; and Wis. Stats. Chapter 457 applies to Social Workers.
5. **Consultative clinical and therapeutic services for caregivers.** The purpose of consultative services is to improve the ability of unpaid caregivers and paid direct support staff to carry out therapeutic interventions.

Clinical and therapeutic services assist unpaid caregivers and/or paid support staff in carrying out the member's treatment/support plans, are not covered by the Medicaid State Plan and are necessary to improve the member's independence and inclusion in their community.

The service includes assessments, development of home treatment plans, support plans, intervention plans, training and technical assistance to carry out the plans and monitoring of the member and the caregiver/staff in the implementation of the plans.

This service includes the provision of training for caregivers/staff that are or will be serving members with complex needs (beyond routine care). For example, when an individual with complex needs is relocating from one of the State Centers for the Intellectualy Disabled, this service could be used to train caregivers/staff on the behavioral support plans necessary for community integration.

This service may also include consultation with service providers and potential providers to identify providers that can meet the unique needs of the member and to identify additional supports necessary for caregivers to perform therapeutic interventions.

Excludes training in member self-advocacy or caregiver advocacy on behalf of a member, which are covered under consumer education and training.

Individual counselors must have current state licensure or certification in their field of practice. Counseling agencies must comply with Wis. Admin. Code DHS 61.35.

6. **Consumer education and training services** are designed to help a person with a disability develop self-advocacy skills, support self-determination, exercise civil rights and acquire skills needed to exercise control and responsibility over other support services; includes education and training for members, their caregivers and/or legal decision makers that is directly related to building or acquiring such skills. Managed care organizations assure that information about educational and/or training opportunities is available to members and their caregivers and legal decision makers. Covered expenses may include enrollment fees, books and other educational materials and transportation related to participation in training courses, conferences and other similar events. Excludes educationally related services available under Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1401 et seq) or other relevant funding sources. Excludes education/training costs exceeding $2500 per participant annually. Excludes payment for hotel and meal expenses while members or their legal decision makers attend allowable training/education events.
Providers must have expertise in problem solving, self-advocacy skills development, self-determination, community integration, financial management and decision-making.

7. **Counseling and therapeutic services** is the provision of professional, treatment-oriented services to address a member’s identified needs for personal, social, physical, medical, behavioral, emotional, cognitive, mental or substance abuse disorders.

Counseling and therapeutic services may include assistance in adjusting to aging and/or disabilities including understanding capabilities and limitations. Services may also include assistance with interpersonal relationships, recreational therapies, music therapy, art therapy, nutritional counseling, medical counseling, weight counseling and grief counseling.

Counseling and therapeutic services must meet clearly defined outcomes, be proven effective for the member’s condition or outcome and be cost effective. Any alternative therapies and treatments must meet DHS requirements. Excludes inpatient services, services provided by a physician and services covered by the Medicare program (except for payment of any Medicare cost share).

Counseling agencies must comply with Wis. Admin.Code DHS 61.35. All providers must have current state licensure or certification in their field of practice.

8. **Environmental accessibility adaptations (home modifications)** are the provision of services and items to assess the need for, arrange for and provide modifications and or improvements to a member's living quarters in order to provide accessibility or increase safety. Modifications may provide for safe access to and within the home, reduce the risk of injury, facilitate independence and self-reliance, allow the individual to perform more ADLs or IADLs with less assistance and decrease reliance on paid staff. Home modifications may include materials and services such as ramps, stair lifts, wheelchair lifts or other mechanical devices to lift persons with impaired mobility from one vertical level to another; kitchen/bathroom modifications; specialized accessibility/safety adaptations; and voice-activated, light-activated, motion-activated and electronic devices that increase the member’s self-reliance and capacity to function independently. Home modifications may include modifications that add to the square footage of the residence if the modifications are to assure the health, safety or independence of the person and prevents institutionalization and the modification is the most cost effective means of meeting the accessibility or safety need compared to other more expensive options. Contractors must comply with local and/or state housing and building codes.

9. **Financial management services** are services to assist members and their families to manage service dollars or manage their personal finances to prevent institutionalization. This service includes a person or agency paying service providers after the member or legal decision maker authorizes payment to be
made for services included in the member’s approved self-directed supports plan. Financial management services providers, sometimes referred to as fiscal intermediaries or fiscal agents, are organizations or individuals that write checks to pay bills for personnel costs, tax withholding, worker’s compensation, health insurance and other taxes and benefits appropriate for the specific provider consistent with the individual’s self-directed supports plan and budget for services. Financial management services are purchased directly by the MCO and made available to the member/family to insure that appropriate compensation is paid to providers of services. It also includes the provision of assistance to members who are unable to manage their own personal funds to assist them to manage their personal resources. This service includes assistance to the member to effectively budget the member’s personal funds to ensure sufficient resources are available for housing, board and other essential costs. This service includes paying bills authorized by the member or their legal decision maker, keeping an account of disbursements and assisting the member to ensure that sufficient funds are available for needs. Excludes payments to court-appointed guardians or court-appointed protective payees if the court has directed them to perform any of these functions. Excludes payment for the cost of room and board.

An MCO must have standards in place that ensure at minimum that a financial management services provider: 1) is an agency, unit of an agency or individual that is bonded and qualified to provide financial services related to the scope of the services being provided, which may include self-directed supports; 2) has training and experience in accounting or bookkeeping; and 3) has a system in place that recognizes the authorization of payment by the participant or legal decision maker, that promptly issues payment as authorized and that documents budget authority and summarizes payments in a manner that can be readily understood by the participant or legal decision maker.

10. Habilitation Services

a. Daily living skills training is the provision of education and skill development to teach members the skills involved in performing activities of daily living, including skills intended to increase the member’s independence and participation in community life. It may include teaching money management, home care maintenance, food preparation, mobility training, self-care skills and the skills necessary for accessing and using community resources. Daily living skills training may involve training the member or the natural support person to assist the member.

For daily living skills training agencies, the MCO shall assure that the provider has the ability and qualifications to provide this service, demonstrated in at least one of the following ways:

- Accreditation by a nationally recognized accreditation agency.
- Comparable standards for a qualified entity, including a minimum of two years of experience working with the target population in
providing this service, day habilitation, supportive home care, personal care, home health care, skilled nursing, supported employment or similar services.

If personal care or housekeeping services are provided along with skills training, the provider shall also meet the Supportive Home Care and In-Home Respite Training and Documentation Standards.

For individual daily living skills trainers, the MCO shall assure that the provider has the ability and qualifications to provide this service, including a minimum of two years of experience working with the target population in providing this service, day habilitation, supportive home care, personal care, home health care, skilled nursing, supported employment or similar services. However, a member self-directing this service may employ qualified persons with less experience. In that event, the MCO and member must ensure that the individual provider receives member-specific training sufficient to enable the individual to competently provide the daily living skills training services to the member consistent with the care plan. If personal care or housekeeping services are provided along with skills training, the provider shall also meet the Supportive Home Care and In-Home Respite Training and Documentation Standards.

b. **Day habilitation services** are the provision of regularly scheduled activities in a non-residential setting, separate from the member’s private residence or other residential living arrangement, such as assistance with acquisition, retention, or improvement in self-help, socialization and adaptive skills that enhance social development and develop skills in performing activities of daily living and full community citizenship. Activities and environments are designed to foster the acquisition of skills, building positive social behavior and interpersonal competence, greater independence and personal choice.

Day habilitation services focus on enabling the member to attain or maintain his or her maximum potential and shall be coordinated with any needed therapies in the member’s person-centered services and support plan, such as physical, occupational, or speech therapy. For members with degenerative conditions, day habilitation activities may include training and supports to maintain skills and functioning and to prevent or slow regression, rather than acquiring new skills or improving existing skills. Day habilitation services may also be used to provide retirement activities. As some members get older, they may no longer desire to work and may need supports to assist them in meaningful retirement activities in their communities.

Day habilitation may be furnished in a variety of settings in the community except for the member’s residence. Day habilitation services are not limited to fixed-site facilities but may take place in stores, restaurants, libraries, parks, recreational facilities, community centers or any other place in the community.
Transportation may be provided between a member's place of residence and the site of day habilitation activities or between habilitation activities sites (in cases where the member receives habilitation services in more than one place) as a component of day habilitation activities. Meals provided as part of these services shall not constitute a “full nutritional regimen” (3 meals per day). Personal care/assistance may be a component of day habilitation services as necessary to meet the need of members, but may not comprise the entirety of the service. Members who receive day habilitation services may also receive educational, supported employment and prevocational services. Day habilitation may not provide for the payment of services that are vocational in nature (i.e., for the primary purpose of producing goods or performing services).

For day habilitation providers, the MCO shall assure that the provider has the ability and qualifications to provide this service, demonstrated in at least one of the following ways:

- Accreditation by a nationally recognized accreditation agency.
- Comparable standards for a qualified entity, including a minimum of two years of experience working with the target population in providing this service, daily living skills training, supportive home care, personal care, home health care, skilled nursing, supported employment or similar services.

11. **Home delivered meals** are meals provided to recipients who are unable to prepare or obtain nourishing meals without assistance, including those who may be unable to manage a special diet recommended by their physician. Home-delivered meal costs may include the costs associated with the purchase and planning of food, nutrition services, supplies, equipment, labor and transportation to deliver one or two meals a day.

Home delivered meals may not constitute a "full nutritional regimen" (3 meals per day).

This service does not include payment for meals at federally subsidized nutrition sites.

Hospitals and nursing homes must comply with Wis. Admin. Code DHS 124, DHS 132 and DHS 134; aging network agencies must comply with Wis. Stats. Chapter 46.82 (3); and restaurants must comply with Wis. Admin. Code DHS 196.

12. **Housing counseling** is a service which provides assistance to a member when acquiring housing in the community, where ownership or rental of housing is separate from service provision. The purpose of housing counseling is to promote consumer choice and control of housing and access to housing that is affordable and promotes community inclusion. Housing counseling includes exploring both home ownership and rental options, and both individual and shared housing.
situations, including situations where the individual lives with his or her family. Services include counseling and assistance in identifying housing options, identifying financial resources and determining affordability, identifying preferences of location and type of housing, identifying accessibility and modification needs, locating available housing, identifying and assisting in access to financing, explaining the rights and responsibilities of a tenant with disabilities, including how to ask for reasonable accommodations and modifications and how to file a complaint, and planning for ongoing management and maintenance.

Housing counseling is not a one-time service and may be accessed by a member at any time. A qualified provider must be an agency or unit of an agency that provides housing counseling to people who need assistance with housing as a regular part of its mission or activities. Counseling must be provided by staff with specialized training and experience in housing issues. This service is excluded if it is otherwise provided free to the general public. This service may not be provided by an agency that also provides residential support services or support/service coordination to the member. Providers must have expertise in housing issues relevant to the participant and may not be a provider of residential support services to the participant.

13. **Personal emergency response system (PERS)** provides a direct telephonic or other electronic communications link between someone living in the community and health professionals to secure immediate response and assistance in the event of a physical, emotional or environmental emergency. This service may include devices and services necessary for operation of PERS when otherwise not available. This service may also include installation, upkeep and maintenance of devices or systems as appropriate. Electronic devices must meet UL Standards. Telephonic devices must meet FCC regulations.

14. **Prevocational services** are designed to create a path to integrated community based employment for which an individual is compensated at or above the minimum wage, but not less than the customary wage and level of benefits paid by the employer for the same or similar work performed by individuals without disabilities. Prevocational services involve the provision of learning and work experiences where a member can develop general, non-job-task-specific strengths and skills that contribute to employability in paid employment in integrated, community settings. Services are expected to occur over a defined period of time as determined by the member and his/her care planning team in the ongoing member-centered planning process. Services are expected to specifically involve strategies that enhance a member's employability in integrated, community settings.

Prevocational services should enable each member to attain the highest possible wage and work which is in the most integrated setting and matched to the member’s interests, strengths, priorities, abilities, and capabilities. Services are intended to develop and teach general skills that lead to employment, including but not limited to: ability to communicate effectively with supervisors, co-
workers and customers; generally accepted community workplace conduct and
dress; ability to follow directions; ability to attend to tasks; workplace problem
solving skills and strategies; general workplace safety and mobility training.

Prevocational services may be delivered in a variety of locations in the
community and are not limited to fixed-site facilities. Some examples of
community sites may be the library, job center, banks or any business.

Prevocational services, regardless of how and where they are delivered, are
expected to help people make reasonable and continued progress toward
participation in at least part-time, integrated employment. Prevocational services
are not considered outcomes in and of themselves. Competitive employment and
supported employment are considered successful outcomes of prevocational
services.

Prevocational services may be provided to supplement, but may not duplicate
services provided as part of an approved Individualized Plan for Employment
(IPE) funded under the Rehabilitation Act of 1973, as amended, or under an
approved Individualized Education Plan (IEP) under the Individuals with
Disabilities Education Act (IDEA).

The contracted provider of pre-vocational services must complete a six month
progress report and service plan document for the IDT. The purpose is to ensure
and document that prevocational services are assisting the member in progressing
toward a goal of at least part-time, integrated employment. Timely completion of
this document is required for the IDT to consider reauthorization of prevocational
services.

Participation in prevocational services is not a pre-requisite for individual or small
group supported employment services. Members who receive prevocational
services may also receive educational, supported employment and/or day services.
A member’s care plan may include two or more types of non-residential services.
However, different types of non-residential services may not be billed for the
same period of time.

Members participating in prevocational services shall be compensated in
accordance with applicable Federal and State laws and regulations, if those laws
require compensation. The optimal outcome of the provision of prevocational
services is permanent integrated employment at or above the minimum wage in
the community.

Transportation may be provided between the member's place of residence and the
site of the prevocational services or between prevocational service sites (in cases
where the member receives prevocational services in more than one place) either
as a component part of prevocational services or under specialized (community)
transportation, but not both. All providers of transportation shall ensure that the
provider qualifications for specialized (community) transportation are met. If the
transportation is provided by the prevocational services provider, the cost of this
transportation is included in the rate paid to the provider.
Personal care provided to a member during the receipt of prevocational services may be included in the reimbursement paid to the prevocational services provider, or may be covered and reimbursed under another waiver service so long as there is no duplication of payment.

Prevocational services may be provided to supplement, but may not duplicate services provided under supported employment or vocational futures planning and support services provided under the waiver.

The MCO shall assure the provider has the ability and qualifications to provide this service, demonstrated in at least one of the following ways:

- Accreditation by a nationally recognized accreditation agency.
- Comparable experience for a qualified entity, including a minimum of two years of experience working with the target population providing employment-related services that have a goal of integrated employment in the community at minimum wage or above.

In addition, the provider must comply with all applicable occupational health and safety standards of the federal Occupational Safety and Health Administration (OSHA) and if personal care services are provided, shall also meet the Supportive Home Care and In-Home Respite Training and Documentation Standards.

15. **Relocation services** are services and essential items needed to establish a community living arrangement for persons who are relocating from an institution or who are moving from a family home to establish an independent living arrangement. This service includes person-specific services, supports or goods that will be put in place in preparation for the member’s relocation to a safe, accessible and affordable community living arrangement. Services or items covered by this service may not be purchased more than 180 days prior to the date the member relocates to the new community living arrangement. Relocation services may include the purchase of necessary furniture, telephone(s), cooking/serving utensils, basic cleaning equipment, household supplies, bathroom and bedroom furnishings and kitchen appliances not otherwise included in a rental arrangement if applicable. Relocation services may include the payment of a security deposit, utility connection costs and telephone installation charges. This service includes payment for moving the member’s personal belongings to the new community living arrangement and general cleaning and household organization services needed to prepare the selected community living arrangement for occupancy. Relocation services exclude home modifications necessary to address safety and accessibility in the member’s living arrangement, which may be provided as the waiver service home modifications. Excludes housekeeping services provided after occupancy which are considered the waiver service supportive home care. Excludes the purchase of food, the payment of rent, or the purchase of leisure or recreational devices or services (e.g., television or video equipment, cable or satellite service, etc.). Providers must be reputable contractors or companies.
16. Residential care

Residential care services may be authorized only:

- When members’ long-term care outcomes cannot be cost-effectively supported in the member’s home, or when members’ health and safety cannot be adequately safeguarded in the member’s home; or
- When residential care services are a cost-effective option for meeting that member’s long-term care needs.

Types of residential care:

a. **Adult family homes of 1-2 beds** are places in which the operator provides care, treatment, support, or services above the level of room and board to up to two adults. Services typically include supportive home care, personal care and supervision. Services may also include transportation and recreational/social activities, behavior and social supports, daily living skills training and transportation if provided by the operator or designee of the operator. It includes homes which are the primary domicile of the operator or homes which are controlled and operated by a third party that hires staff to provide support and services.

   Adult family home services also include coordination with other services received by the participant and providers, including health care services, vocational or day services. Services may also include the provision of other waiver services as specified in the individual contract between the MCO and residential provider. Waiver funds may not be used to pay for the cost of room and board.

b. **Adult family homes of 3-4 beds** are licensed under DHS 88 of the Wisconsin Administrative code and are places where 3-4 adults who are not related to the licensee reside, receive care, treatment or services above the level of room and board, and may include up to seven hours per week of nursing care per resident. Services typically include supportive home care, personal care and supervision. Other services provided may include behavior and social supports, daily living skills training and transportation performed by the operator or designee of the operator. This service type also includes homes of 3-4 beds, specified under s. 50.01 (1)(a) of the Wisconsin Statutes, which are licensed as a foster home under s. 48.62 of the Wisconsin Statutes and certified by a certifying agency as defined under DHS 82 of the Wisconsin Administrative Code. The latter are owner-occupied homes for persons with intellectual disabilities who are aging out of foster care. This category of homes permits such persons to remain in the same home, promoting continuity of care. Waiver funds may not be used to pay for the
cost of room and board. A licensed adult family home must comply with Wis. Admin. Code DHS 88.

c. **Community-based residential facility (CBRF)** is a place where 5 or more adults, and in cases of persons with an intellectual disability up to 8 adults, who are not related to the operator or administrator reside and receive care, treatment, support, supervision and training. Services may include supportive home care, personal care, supervision, behavior and social supports, daily living skills training, transportation and up to three hours per week of nursing care per resident. Waiver funds may not be used to pay for the cost of room and board. A licensed CBRF must comply with Wis. Admin. Code DHS 83.

d. **Residential care apartment complexes (RCAC)** are services provided in a homelike, community-based setting where 5 or more adults reside in their own living units that are separate and distinct from each other. Persons who reside in the facility also receive the following services: supportive services (e.g., laundry, house cleaning), personal assistance (e.g., personal care), nursing services (e.g., wound care, medication management), and assistance in the event of an emergency (e.g., PERS and response). Waiver funds may not be used to pay for the cost of room and board. A certified RCAC must comply with Wis. Admin. Code DHS 89.

17. **Respite care services** are services provided for a member on a short-term basis to ease the member’s family or other primary caregiver(s) from daily stress and care demands. Respite care may be provided in an institution such as a certified Medicaid setting (hospital, nursing home) or other licensed facility. Respite care may also be provided in a residential facility such as a certified or licensed adult family home, licensed community-based residential facility, certified residential care apartment complex, in the member’s own home or the home of a respite care provider.

For providers of this service: supportive home care agencies, individual respite providers and personal care agencies must comply with the Training and Documentation Standards for Supportive Home Care and In-Home Respite Care; 1-2 bed adult family homes must comply with WI Medicaid Waiver Standards for 1-2 bed adult family homes and Wis. Admin. Code DHS 82 for Barrett Homes; residential care apartment complexes must comply with Wis. Admin. Code DHS 89; and hospital, nursing homes, community-based residential facilities and 3-4 bed adult family homes must comply with DHS 124, DHS 132, DHS 134, DHS 83, and DHS 88 as applicable.

18. **Self-directed personal care services** are activities to assist a member with activities of daily living, instrumental activities of daily living and housekeeping services directly related to the care of the member to maintain the member in his or her place of residence and to assist the member to access the community. Services may include the following:
a. Assistance with activities of daily living (ADLs): bathing; getting in and out of bed; oral, hair and skin care excluding skilled wound care; help with toileting; simple transfers; assistance with mobility and ambulation; assistance with eating; and assistance with dressing and undressing.

b. Assistance with instrumental activities of daily living (IADLs): managing medications and treatments normally self-administered, care of eyeglasses and hearing aids, meal preparation and serving, bill paying and other aspects of money management, using the telephone or other forms of communication, arranging and using transportation, and physical assistance to function at a job site.

c. Housekeeping services related to the care of the person: cleaning in essential areas of the home used when assisting with ADLs and IADLs, laundry of the member’s clothes and bedding and changing of bedding, and shopping for the member’s food.

d. Accompanying and assisting the member to access the community for medical care, employment, recreation, shopping and other purposes, as long as the provision of assistance with ADLs and IADLs is required during such trips.

e. Medically-oriented tasks delegated by a registered nurse pursuant to an agreement between the member and the interdisciplinary care team staff. Services are provided by either an individual or agency selected by the member, pursuant to a physician’s order (a state law requirement) and following a member-centered plan developed jointly by the member and interdisciplinary care team (IDT) staff including a registered nurse. The plan shall specify delegated nursing tasks, if any. The member may use as a provider any individual who passes a background check including a legally responsible relative who qualifies under Article VIII.P.2., or an agency or individual that is not barred from participating in the Medicaid or Medicare program. The member-centered plan, including self-directed personal care and all other services received, is reviewed by the member and care team staff at least every six months or more often as needed. Visits by the consulting RN, who may be a member of the IDT or other nurse consultant, to the member’s residence will occur at least once a year unless the member and RN agree on a more frequent visits or the RN determines that delegated nursing tasks need to be reviewed more often. The member and care team staff will determine any training needed by selected providers and how it will be obtained. The member shall be the common law employer of individual providers; if the member selects an agency, the member shall be a managing, co-employer of the worker and the agency shall hire any worker referred by the member who passes the background check and is, or can become competent in required tasks. Services may be provided both in the member’s residence and outside the residence in other community settings.

Members must have budget authority over an allocation of waiver funding through the Self-Directed Services option to receive personal care through this service and must function themselves or through a representative as either the
common law employer of an individual worker or the managing, co-employer of an agency-provided worker. Members without budget authority who are authorized by the MCO to receive personal care services would receive them through the State Plan personal care benefit instead.

Pursuant to Olmstead Letter No.3, Attachment 3-c, in order to assure continuity of care, services may include personal assistance retainer payments for up to 15 consecutive days where there is a reasonable probability that in their absence the member would not be able to retain a preferred home care worker because the worker would seek other employment, or if the worker is employed by an agency, would be reassigned and may not return to serving the member. Retainer payments may be made under the following medically-related and non-medically related circumstances as applicable to the member:

f. Medically-Related
   iii. Hospitalization;
   iv. Nursing home or ICF-I/ID admission;
   v. Receipt of medical or rehabilitative care entailing at least an overnight absence; or
   vi. Participation in a therapeutic rehabilitative program as defined in DHS 101.03(175).
   vii. There is no yearly limit on the number of medically-related episodes for which retainer payments may be made.

Non-Medically Related
i. Planned vacation entailing at least an overnight absence and unaccompanied by the worker;
ii. Visit to relatives or friends unaccompanied by the worker and entailing at least an overnight absence;
iii. Obtaining education, employment, or job, habilitative or self-advocacy training unaccompanied by the worker and entailing at least an overnight absence; or
iv. Recreational activities unaccompanied by the worker entailing at least an overnight absence.

Retainer payments may be made for no more than four (4) non-medically related episodes in a calendar year.

MCOs shall determine the amount of the per diem retainer payment, which shall be sufficient to accomplish the purpose of providing a reasonable probability of retaining the worker for the member.

Members must have budget authority over an allocation of waiver funding through the Self-Directed Services option to receive personal care through this
service and must function themselves or through a representative as either the common law employer of an individual worker or the managing, co-employer of an agency-provided worker. Members without budget authority who are authorized by the MCO to receive personal care services would receive them through the State Plan personal care benefit instead.

Agency-employed, member-directed workers must comply with Wis. Admin. Code DHS 105.17. Member-employed individual workers must comply with Training and Documentation Standards for Supportive Home Care and In-Home Respite Care.

19. Skilled nursing services RN/LPN is the “professional nursing” as defined in Wisconsin’s Nurse Practice Act. Wis. Stats, Chapter 441. Nursing services are those medically necessary, skilled nursing services that may only be provided safely and effectively by an advanced practice nurse, a registered nurse or a licensed practical nurse working under the supervision of a registered nurse. The nursing services provided must be within the scope of the Wisconsin Nurse Practice Act, consistent with the Member Centered Plan, authorized by the MCO and are not otherwise available to the member under the Medicaid State Plan or for members enrolled in Medicare, services available through the federal Medicare program. However, the lack of coverage under the State Plan benefit or through Medicare does not preclude coverage of skilled nursing as a waiver service if services are within the scope of the Wisconsin Nurse Practice Act.

Under the Wisconsin Nurse Practice Act, professional nursing includes any of the following:

Professional skilled nursing means the observation or care of the ill, injured or infirm, or for the maintenance of health or prevention of illness that requires substantial nursing skill, knowledge or training, or application of nursing principles based on biological, physical and social sciences. Professional skilled nursing includes any of the following:

a. The observation and recording of symptoms and reactions;

b. The execution of procedures and techniques in the treatment of the sick under the general or special supervision or direction of a physician, podiatrist licensed under Wis. Stats. ch. 448, dentist licensed under Wis. Stats. ch. 447, or optometrist licensed under Wis. Stats. ch. 449, or under an order of a person who is licensed to practice medicine, podiatry, dentistry or optometry in another state if the person making the order prepared the order after examining the patient in that other state and directs that the order be carried out in this state;

c. The execution of general nursing procedures and techniques; or

d. The supervision of a patient and the supervision and direction of licensed practical nurses and less skilled assistants in accordance with Wis. Stats 441.

Nursing services may include periodic assessment of the member's medical condition when the condition requires a skilled nurse to identify and evaluate the
need for medical intervention or to monitor and/or modify the medical treatment services provided by non-professional care providers. Services may also include regular, ongoing monitoring of a member's fragile or complex medical condition, as well as the monitoring of a member with a history of non-adherence with medication or other medical treatment needs.

Delegation of nursing tasks to less skilled personnel shall be in accordance with Wis. Stats. ch. 441 and Wis. Admin. Code ch. N.6. and the Guidelines for Registered Nurse Delegation to Unlicensed Assistive Personnel (Wisconsin Nurses Association).

These services are provided when nursing services identified as needed in a plan of care and furnished under the approved State plan limits are exhausted or when the nursing services are not covered under the Medicaid State Plan. For members enrolled in Medicare, excludes services available through the Medicare program except for payment of Medicare cost share. RNs and LPNs must comply with Wis. Stats. Chapter 441.

20. Specialized medical equipment and supplies. Specialized medical equipment, items, devices and supplies are those items necessary to maintain the member’s health, manage a medical or physical condition, improve functioning or enhance independence. Items or devices provided must be of direct medical or remedial benefit to the member. Allowable items, devices or supplies may include: incontinence supplies; wound dressings; IV or life support equipment; orthotics; enteral nutrition products and associated supplies and equipment not covered under the Medicaid State Plan but needed for the member to obtain adequate nutrition; over the counter medications with a National Drug Code (NDC) if not covered under the State Plan drug benefit and when prescribed by any licensed and authorized prescriber; medically necessary prescribed skin conditioning lotions/lubricants; and prescribed Vitamin D, a prescribed multivitamin and prescribed calcium supplements. (The Department of Health Services may add other prescribed vitamins or nutritional supplements in the future based on clear and convincing evidence substantiating their safety and effectiveness in maintaining health or treating or managing a medical condition.) Additionally, allowable items may include books and other therapy aids that are designed to augment a professional therapy or treatment plan. Room air conditioners, humidifiers and water treatment systems may be allowable when needed to support a member’s health and safety outcomes.

Items or devices provided may be in excess of the quantity of medical equipment or supplies covered under the Medicaid State Plan when coverage of the additional items or devices has been denied.

Excludes items considered as and regulated by the federal Food and Drug Administration (FDA) as nutritional supplements unless specifically covered under this definition or under the Medicaid State Plan.
Authorized DME vendors and licensed pharmacies must comply with Wis. Admin Code DHS 105.40 or Wis. Stats. Chapter 450.

21. **Support broker** is an individual who assists a member in planning, securing and directing self-directed supports. The services of a support broker are paid for from the member’s self-directed supports budget authority. Support brokers are subject to criminal background checks and must be independent of any other waiver service provider. A support broker shall be knowledgeable of the local service delivery system and local community-integrated services and resources available to the member. A support broker shall also be knowledgeable of the typical kinds of needs of persons in the member’s target group. The member and interdisciplinary team staff are responsible to assure that a support broker selected by the member has the appropriate knowledge.

Excludes the cost of any direct services authorized and obtained by a consumer through an SDS plan, which is paid for and reported under the appropriate service definition. Excludes the cost of fiscal agent services, which is paid for and reported as financial management services.

A provider of this service must have knowledge of the unique needs/preferences of the participant and the service system.

22. **Supported employment – individual employment support services** are the ongoing supports provided to members who, because of their disabilities, need intensive ongoing support to obtain and maintain an individual job in competitive, customized or self-employment in an integrated work setting in the general workforce. A member receiving this service shall be compensated at or above the minimum wage, but not less than the customary wage and level of benefits paid by the employer for the same or similar work performed by individuals without disabilities. The outcome of this service is sustained paid employment at or above minimum wage in an integrated setting in the general workforce, in a job that meets personal and career goals.

Individual employment support services are individualized and may include any combination of the following activities: vocational/job-related discovery or assessment, person-centered employment planning, job placement, job development, meeting with prospective employers, job analysis, training and systematic instruction, job coaching, job supports, work incentive benefits analysis and counseling, training and work planning, transportation and career advancement services. Also included are other workplace support services not specifically related to job skill training that enable the member to be successful in integrating into the job setting.

Individual employment supports may include support to maintain self-employment, including home-based self-employment. Individual employment supports may also include services and supports that assist the member in achieving self-employment; however, Medicaid funds may not be used to defray the expenses associated with starting or operating a business. Assistance for self-
employment may include: (a) aid to the member in identifying potential business opportunities; (b) assistance in the development of a business plan, including identifying potential sources of business financing and other assistance in developing and launching a business; (c) identification of the supports that are necessary in order for the member to operate the business; and (d) ongoing assistance, counseling and guidance once the business has been launched.

Individual employment support does not include payment for supervision, training, support and adaptations typically available to other non-disabled workers filling similar positions in the business. Individual employment support services may be provided by a co-worker or other job site personnel provided that the services are not part of the normal duties of the co-worker, supervisor or other personnel and these individuals meet the qualifications established below for individual providers of this service. Employers may be reimbursed for supported employment services provided by co-workers.

Supported employment services do not include vocational services provided in facility-based work settings or other types of vocational services furnished in specialized facilities that are not part of general community work places. Supported employment services may not include volunteer work.

Members receiving individual employment supports may also receive educational, pre-vocational and/or day services. However, different types of non-residential services may not be billed for the same period of time.

Before authorizing supportive employment services, documentation shall be maintained that the service has already been utilized or is not available under a program funded under the section 110 of the Rehabilitation Act of 1973 or the Individuals with Disabilities Education Act (IDEA) (20 U.S.C.1401 et seq).

Coverage does not include incentive payments, subsidies or unrelated vocational training expenses such as the following:

a. Incentive payment made to an employer to encourage or subsidize the employer's participation in supported employment; or

b. Wages or other payments that are passed through to users of supported employment services.

Payment for individual employment support services may be based on different methods including, but not limited to, co-worker support models, payments for work milestones, such as length of time on the job, or number of hours the member works.

The cost of transportation for a member to get to and from a supported employment site may be included in the reimbursement paid to the supported employment provider, or may reimbursed under specialized (community) transportation, but not both. All providers of transportation shall ensure that the provider qualifications for specialized (community) transportation are met.
Personal care may be a component part of supported employment, but may not comprise the entire service. Personal care/assistance provided to a member during the receipt of supported employment services may be included in the reimbursement paid to the supported employment provider, or may be reimbursed under the waiver service supportive home care or self-directed personal care. All providers of personal care/assistance shall meet the supportive home care provider qualifications.

When personal care/assistance or transportation or both are a component of this service, payment may not be made for such assistance or transport under another waiver service for the same period of time.

For the individual on the job support person, the MCO shall assure that the provider has the ability and qualifications to provide this service, demonstrated in at least one of the following ways:

- Holding the Certified Employment Support Professional accreditation.
- Meeting the ASPE Quality Indicators for Supported Employment Personnel.
- Comparable experience for a qualified individual, including a minimum of two years of experience working with the target population providing supported employment. However, a member self-directing this service may employ qualified persons with less experience. In that event, the MCO and member shall ensure that the individual provider has the member–specific competencies to effectively provide the service.

In addition, the individual provider must comply with all applicable occupational health and safety standards of the federal Occupational Safety and Health Administration (OSHA) and if personal care services are provided, shall also meet the Supportive Home Care and In-Home Respite Training and Documentation Standards.

For the supported employment agency, the MCO shall assure that the provider has the ability and qualifications to provide this service, demonstrated in at least one of the following ways:

- Accreditation by a nationally recognized accreditation agency.
- Existence of a current contract with the Division of Vocational Rehabilitation (DVR) for provision of supported employment services.
- Submission of written documentation that evidences that the agency meets all DVR Technical Specifications related to supported employment.
- Comparable experience for a qualified entity, including a minimum two years of experience working with the target population providing integrated employment services in the community.

In addition, the provider must comply with all applicable occupational health and safety standards of the federal Occupational Safety and Health Administration
23. **Supported employment - small group employment support services** are services and training activities provided in a regular business, industry or community setting for groups of two (2) to eight (8) workers with disabilities. Examples include mobile crews and other business-based workgroups employing small groups of workers with disabilities in employment in the community. Small group employment support must be provided in a manner that promotes integration into the workplace and integration between members and people without disabilities in those workplaces. The outcome of this service is sustained paid employment and work experiences leading to further career development and individual integrated community-based employment for which a member is compensated at or above the minimum wage, but not less than the customary wage level of benefits paid by the employer for the same or similar work performed by individuals without disabilities.

Small group employment support services may include any combination of the following activities: vocational/job-related discovery or assessment, person-centered employment planning, job placement, job development, meeting with prospective employers, job analysis, training and systematic instruction, job coaching, work incentive benefits analysis and counseling, training and work planning, transportation and career advancement services. Also included are other workplace support services not specifically related to job skill training that enable the member to be successful in integrating into the job setting.

Small group employment support does not include payment for supervision, training, support and adaptations typically available to other non-disabled workers filling similar positions in the business. Small group employment support services may be provided by a co-worker or other job site personnel provided that the services that are furnished are not part of the normal duties of the co-worker or other personnel and these individuals meet the qualifications established below for individual providers of service. Employers may be reimbursed for supported employment services provided by co-workers.

Supported employment services do not include vocational services provided in facility based work settings or other types of vocational services furnished in specialized facilities that are not part of general community work places. Supported employment services may not include volunteer work.

Members receiving small group employment support may also receive educational, pre-vocational, and/or day services and career planning services. However, different types of non-residential services may not be billed for the same period of time.

Before authorizing supportive employment services, documentation shall be maintained that the service has already been utilized or is not available under a (OSHA) and if personal care services are provided, shall also meet the Supportive Home Care and In-Home Respite Training and Documentation Standards.
program funded under the section 110 of the Rehabilitation Act of 1973 or the Individuals with Disabilities Education Act (IDEA) (20 U.S.C.1401 et seq).

Coverage does not include incentive payments, subsidies or unrelated vocational training expenses such as the following:

a. Incentive payment made to an employer to encourage or subsidize the employer’s participation in supported employment; or

b. Wages or other payments that are passed through to users of supported employment services.

The cost of transportation for a member to get to and from a supported employment site may be included in the reimbursement paid to the supported employment provider, or may be covered and reimbursed under specialized (community) transportation, but not both. All providers of transportation shall ensure that the provider qualifications for specialized (community) transportation are met.

Personal care may be a component part of supported employment, but may not comprise the entire service. Personal care/assistance provided to a member during the receipt of supported employment services may be included in the reimbursement paid to the supported employment provider, or may be reimbursed under the waiver service supportive home care or self-directed personal care. All providers of personal care/assistance shall meet the supportive home care provider qualifications.

When personal care/assistance or transportation or both are a component of supported employment services, payment may not be made for such assistance or transport under another waiver service for the same period of time.

The MCO shall assure that supported employment agencies have the ability and qualifications to provide this service, demonstrated in at least one of the following ways:

- Accreditation by a nationally recognized accreditation agency.
- Existence of a current contract with the Division of Vocational Rehabilitation (DVR) for provision of supported employment services.
- Submission of written documentation that evidences that the agency meets all DVR Technical Specifications related to supported employment.
- Comparable experience for a qualified entity, including a minimum two years of experience working with the target population providing integrated employment services in the community.

In addition, the provider must comply with all applicable occupational health and safety standards of the federal Occupational Safety and Health Administration (OSHA) and if personal care services are provided, shall also meet the Supportive Home Care and In-Home Respite Training and Documentation Standards.
The MCO shall assure that the individual on the job support person has the ability and qualifications to provide this service, demonstrated in at least one of the following ways:

- Holding the Certified Employment Support Professional accreditation.
- Meeting the ASPE Quality Indicators for Supported Employment Personnel.
- Comparable experience for a qualified individual, including a minimum of two years of experience working with the target population providing supported employment. However, a member self-directing this service may employ qualified persons with less experience. In that event, the PHIP and member shall ensure that the individual provider has the member-specific competencies to effectively provide the service.

In addition, the individual provider must comply with all applicable occupational health and safety standards of the federal Occupational Safety and Health Administration (OSHA) and if personal care services are provided, shall also meet the Supportive Home Care and In-Home Respite Training and Documentation Standards.

24. **Supportive home care (SHC)** is the provision of services to directly assist people with daily living activities and personal needs and to assure adequate functioning and safety in their home and community. Services include:

a. Hands-on assistance with activities of daily living such as dressing/undressing, bathing, feeding, managing medications and treatments that are normally self-administered, toileting, assistance with ambulation (including the use of a walker, cane, etc.), carrying out professional therapeutic treatment plans, grooming such as care of hair, teeth or dentures. This may also include preparation and cleaning of areas used during provision of personal assistance such as the bathroom and kitchen.

b. Direct assistance with instrumental activities of daily living, as well as observation or cueing of the member to safely and appropriately complete activities of daily living and instrumental activities of daily living. Providing supervision necessary for member safety at home and in the community. This may include observation to assure appropriate self-administration of medications, assistance with bill paying and other aspects of money management, assistance with communication, arranging and using transportation and personal assistance at a job site and in non-employment related community activities.

c. Routine housekeeping and cleaning activities performed for a member consisting of tasks that take place on a daily, weekly or other regular basis. These may include: washing dishes, laundry, dusting, vacuuming, meal preparation, shopping and similar activities that do not involve hands-on care of the member.

d. Intermittent major household tasks that must be performed seasonally or in response to some natural or other periodic event for reasons of health and safety or the need to assure the member's continued community living. These may
include: outdoor activities such as yard work and snow removal; indoor activities such as window washing; cleaning of attics and basements; cleaning of carpets, rugs and drapery; refrigerator/freezer defrosting; the necessary cleaning of vehicles, wheelchairs and other adaptive equipment and home modifications such as ramps. This also may include assistance with packing/unpacking and household cleaning/organizing when a member moves.

An unrelated live-in caregiver may provide any or all of the types of supportive home care services. Services by a related live-in caregiver are subject to the requirements in Article VII.L.1. Payment of a live-in caregiver may be reduced by the value of room and board in accordance with any applicable wage and hour laws.

Excludes training provided to a member intended to improve the member's ability to independently perform routine daily living tasks, which may be provided as daily living skills training.

Pursuant to Olmstead Letter No.3, Attachment 3-c, in order to assure continuity of care, services may include personal assistance retainer payments for up to 15 consecutive days where there is a reasonable probability that in their absence the member would not be able to retain a preferred home care worker because the worker would seek other employment, or if the worker is employed by an agency, would be reassigned and may not return to serving the member. Retainer payments may be made under the following medically-related and non-medically related circumstances as applicable to the member:

a. Medically-Related
   i. Hospitalization;
   ii. Nursing home or ICF-I/ID admission;
   iii. Receipt of medical or rehabilitative care entailing at least an overnight absence; or
   iv. Participation in a therapeutic rehabilitative program as defined in DHS 101.03(175).

   There is no yearly limit on the number of medically-related episodes for which retainer payments may be made.

b. Non-Medically Related
   i. Planned vacation entailing at least an overnight absence and unaccompanied by the worker;
   ii. Visit to relatives or friends unaccompanied by the worker and entailing at least an overnight absence;
   iii. Obtaining education, employment, or job, habilitative or self-advocacy training unaccompanied by the worker and entailing at least an overnight absence; or
iv. Recreational activities unaccompanied by the worker entailing at least an overnight absence.

Retainer payments may be made for no more than four (4) non-medically related episodes in a calendar year.

MCOs shall determine the amount of the per diem retainer payment, which shall be sufficient to accomplish the purpose of providing a reasonable probability of retaining the worker for the member.

All workers must comply with the Training and Documentation Standards for Supportive Home Care and In-Home Respite Care.

25. **Training services for unpaid caregivers** is the provision of training services for individuals who provide uncompensated care, training, companionship, supervision, or other supports to members.

Training includes instruction about treatment regimens and other services included in the member’s care plan, use of equipment specified in the service plan and guidance, as necessary, to safely maintain the member in the community. Training must be aimed at assisting the unpaid caregiver in meeting the needs of the member. All training for individuals who provide unpaid support to the member must be included in the member’s care plan.

Training furnished to individuals who provide uncompensated care and support to the member must be directly related to their role in supporting the member in areas specified in the care plan.

This service includes, but is not limited to, on-line or in-person training, conferences, or resource materials on the specific disabilities, illnesses, conditions that affect the member for whom they care. The purpose of the training is for the caregiver to learn more about member’s condition, what to expect, and how to provide the best care for someone with that specific condition. For example, training could be provided on effectively caring for a member with dementia.

Training includes the costs of registration and training fees associated with formal instruction in areas relevant to the needs identified in the member’s care plan.

This service may not be provided in order to train paid caregivers. This service excludes payment for lodging and meal expenses incurred while attending a training event or conference. This service does not cover teaching self-advocacy which is covered under consumer education and training services.

This service must be provided by licensed, certified or accredited professionals who maintain current credentials in their field of practice. For example, training could be provided by registered nurses, licensed mental health professionals or licensed therapists.

26. **Transportation (specialized transportation) – community transportation** is the provision of transportation services or items that enable a member to gain access to waiver and other community services, activities and resources, as
specified in the member’s care plan. This service may consist of items such as tickets, fare cards, or other fare media or services where the common carrier, specialized medical vehicle or other provider directly conveys a member and her or his attendant, if any, to destinations. Whenever possible, family, neighbors, friends or community agencies who can provide this service without charge will be utilized.

Excludes transportation to receive non-emergency medical services which are covered under the Medicaid State Plan transportation benefit, or in the case of a self-directing member with budget authority to purchase such services, under the Other Transportation service. Excludes emergency (ambulance) medical transportation covered under the Medicaid State Plan service.

27. **Transportation (specialized transportation) - other transportation** consists of transportation to receive non-emergency, Medicaid–covered medical services. This service may include items such as tickets, fare cards, or other fare media, reimbursement of mileage expenses, or payment for services where the provider directly conveys the member and her or his attendant, if any, by common carrier or specialized medical vehicle (SMV) as appropriate to and from receiving Medicaid–covered medical services.

Members eligible for this service must have decision-making authority over a budget for the purchase of such services. Such members are not limited to providers in the MCO’s network (although the credentials of specialized medical vehicle providers must be verified by the MCO), do not require MCO prior authorization to purchase any transportation service from a qualified provider to any Medicaid coverable medical service if the member’s budget is sufficient to pay the cost, and advanced scheduling of routine trips is not required if the member can obtain transport. Legally responsible relatives may be paid for providing this service if they meet the conditions under Article VII.H.1.

Excludes ambulance transportation, which is available through the Medicaid State plan. Excludes non-emergency medical transportation when authorized by the MCO as a State Plan service for members without budget authority. Excludes non-medical transportation which is provided under the sub-service of Community Transportation; however the same ride may be used to provide transport to medical appointments and community activities as long as there is not duplication of payment.

Specialized transportation agencies must comply with Wis. Stats. Chapter 85.21 and Wis. Admin. Code DHS 61.45. Individual providers must have a valid driver’s license and liability insurance.

28. **Vocational futures planning and support (VFPS)** is a person-centered, team-based comprehensive employment planning and support service that provides assistance for members to obtain, maintain or advance in employment or self-
employment/microenterprise. The agency providing VFPS services will ensure that the following service strategies are available as needed to the member:

a. Development of an employment plan based on an individualized determination of strengths, needs and interests of the individual with a disability, the barriers to work, including an assistive technology pre-screen or in-depth assessment, and identification of the assets a member brings to employment;

b. Work Incentive Benefits analysis and support;

c. Resource team coordination;

d. Career exploration and employment goal validation;

e. Job seeking support; and

f. Job follow-up and long-term support.

VFPS must be provided by qualified professionals that include, for example, an employment specialist, a benefits specialist and an assistive technology consultant. When this service is provided, the member record must contain activity reports, completed by the appropriate VFPS Team member(s), within thirty (30) days of completing a particular service strategy. When ongoing support is provided, monthly ongoing support reports must be completed by the provider of the ongoing support.

VFPS excludes services that could be provided as prevocational or as supported employment. Such services may be used to supplement, but may not duplicate any VFPS services provided under the waiver. VFPS excludes services funded under section 110 of the Rehabilitation Act of 1973 or section 602(16) and (17) of the Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1401(16 and 17).

All providers shall have skills and knowledge typically acquired through completion of an advanced degree in human services, or an equivalent combination of education and experience, with ongoing training and technical assistance appropriate to their specific specialty.

B. Medicaid State Plan Services – Family Care Benefit Package

The following Medicaid State Plan long-term care services defined in Wis. Admin. Code § DHS 107 with specific service definitions as noted in the reference(s) following each service are included in the Family Care Benefit Package. MCOs will determine which services require prior authorization and use the member-centered planning process to define the service limitations, rather than using the requirements in Wis. Admin. Code § DHS 107. For informational purposes, information about specific services is found in the BadgerCare Plus and Medicaid handbooks at: https://www.forwardhealth.wi.gov/WIPortal/OnlineHandbooks/Display/tabid/152/Default.aspx.

1. **AODA day treatment** services as defined in Wis. Admin. Code § DHS 107.13 (all settings, except hospital-based or physician provided)
2. **AODA services** as defined in Wis. Admin. Code § DHS 107.13 (not inpatient nor physician provided)

3. **Case management** as defined in Wis. Admin. Code § DHS 107.32 (includes assessment and care planning)

4. **Community support program** as defined in Wis. Admin. Code § DHS 107.13 (6) (except physician provided)

5. **Durable medical equipment and medical supplies** as defined in Wis. Admin. Code § DHS 107.24 (except hearing aids, prosthetics and family planning supplies)

6. **Home health** as defined in Wis. Admin. Code § DHS 107.11. The MCO shall only contract for home health care services with a licensed, Medicare certified home health agency that provides the Department with a surety bond as specified in § 1861(o)(7) of the Social Security Act.

7. **Mental health day treatment** services as defined in Wis. Admin. Code § DHS 107.13 (in all settings)

8. **Mental health** services as defined in Wis. Admin. Code § DHS 107.13 (except not inpatient or physician provided or comprehensive community services)

9. **Medicare deductible and coinsurance amounts** for a dual eligible Family Care member, the MCO shall pay any deductible, coinsurance or copayment amount for a Medicare service that Medicaid would pay for fee-for-service recipients, if the service is also a Medicaid State Plan service in the Family Care benefit package

10. **Nursing home** services as defined in Wis. Admin. Code § DHS 107.09 including ICF-IID and IMD. Inpatient services are not covered for IMD residents between the ages of 21 years and 64 years of age, except that services may be provided to a 21 year old resident of an IMD if the person was a resident immediately prior to turning 21 and continues to be a resident after turning 21. This exception only applies until the person’s 22nd birthday.

    Nursing home services include coverage of 95% of the MCO’s nursing home daily rate for MCO members who are in hospice and reside in nursing homes, excluding those members who are receiving nursing home hospice respite services for less than 5 day stays in a nursing home.

    For members at the non-nursing home level of care nursing home services are coverable only if re-screening results in a change to a nursing home level of care or the member’s most recent Minimum Data Set (MDS) assessment in the nursing home indicates that the services are Medicaid reimbursable.

    Nursing home services may be authorized to provide skilled nursing or rehabilitation services aimed at helping the member regain the ability to live more independently in his or her own home. Long-term care services in a nursing home may be authorized only:
a. When members’ long-term care outcomes cannot be cost-effectively supported in the member’s home, or when members’ health and safety cannot be adequately safeguarded, in the member’s home; or

b. When nursing home services are a cost-effective option for meeting that member’s long-term care needs.

11. **Nursing** services as defined in Wis. Admin. Code § DHS 107.11, 107.113 and 107.12 (including respiratory care, intermittent and private duty nursing)

12. **Occupational therapy** as defined in Wis. Admin. Code § DHS 107.17 (in all settings except inpatient hospital)

13. **Personal care** services as defined in Wis. Admin. Code § DHS 107.112

14. **Physical therapy** as defined in Wis. Admin. Code § DHS 107.16 (in all settings except inpatient hospital)

15. **Speech/language pathology** as defined in Wis. Admin. Code § DHS 107.18 (in all settings except inpatient hospital)

16. **Transportation** services as defined in Wis. Admin. Code § DHS 107.23 (except ambulance)
ADDENDUM

V. Model Medicaid and Children’s Health Insurance Program (CHIP) Managed Care Addendum for Indian Health Care Providers (IHCPs)

A. Purpose of Addendum; Supersession.

The purpose of this Medicaid Managed Care Addendum for Indian Health Care Providers (IHCPs) is to apply special terms and conditions necessitated by federal law and regulations to the Family Care Agreement by and between the State of Wisconsin Department of Health Services, Division of Medicaid Services (herein “State”), <<Name of MCO>>. (herein "Managed Care Plan”) and <<Name of Tribal nation>> (herein "Indian Health Care Provider (IHCP)"). To the extent that any provision of the Family Care Agreement or any other addendum thereto is inconsistent with any provision of this Addendum, the provisions of this Addendum shall supersede all such other provisions.

B. Definitions.

For purposes of this Addendum, the following terms and definitions shall apply:

a. “Indian” means any individual defined at 25 USC 1603(13), 1603(28), or 1679(a), or who has been determined eligible as an Indian, under 42 CFR 136.12. This means the individual is a member of a federally recognized Indian tribe or resides in an urban center and meets one or more of the following criteria:
   i. Is a member of a tribe, band, or other organized group of Indians, including those tribes, bands, or groups terminated since 1940 and those recognized now or in the future by the State in which they reside, or who is a descendant, in the first or second degree, of any such member;
   ii. Is an Eskimo or Aleut or other Alaska Native;
   iii. Is considered by the Secretary of the Interior to be an Indian for any purpose;
   iv. Is determined to be an Indian under regulations issued by the Secretary.

The term “Indian” also includes an individual who is considered by the Secretary of the Interior to be an Indian for any purpose or is considered by the Secretary of Health and Human Services to be an Indian for purposes of eligibility for Indian health care services, including as a California Indian, Eskimo, Aleut, or other Alaska Native.

b. “Indian Health Care Provider (IHCP)” means a health care program operated by the Indian Health Service (IHS) or by an Indian Tribe, Tribal Organization, or Urban Indian Organization (otherwise known as an I/T/U) as those terms are defined in section 4 of the Indian Health Care Improvement Act (25 U.S.C. 1603).

c. “Indian Health Service or IHS” means the agency of that name within the U.S. Department of Health and Human Services established by the IHCIA Section 601, 25 U.S.C. § 1661.
d. “Indian tribe” has the meaning given in the IHCIA Section 4(14), 25 U.S.C. § 1603(14).

e. ”Managed Care Plan” includes a Managed Care Organization (MCO), Prepaid Ambulatory Health Plan (PAHP), Prepaid Inpatient Health Plan (PIHP), Primary Care Case Management (PCCM) or Primary Case Managed Care Entity (PCCM entity) as those terms are used and defined in 42 C.F.R. 438.2, and any subcontractor or instrumentality of such entities that is engaged in the operation of a Medicaid managed care contract.

f. (f) Tribal health program” has the meaning given in the IHCIA Section 4(25), 25 U.S.C. § 1603(25).

g. “Tribal organization” has the meaning given in the IHCIA Section 4(26), 25 U.S.C. § 1603(26).

h. “Urban Indian organization” has the meaning given in the IHCIA Section 4(29), 25 U.S.C. § 1603(29).

C. Description of IHCP.

The IHCP identified in Section 1 of this Addendum is (check the appropriate box):

/ / IHS.

/ / An Indian tribe that operates a health program under a contract or compact to carry out programs, services, functions, and activities (or portions thereof) of the IHS pursuant to the ISDEAA, 25 U.S.C. §450 et seq.

/ / A tribal organization that operates a health program under a contract or compact to carry out programs, services, functions, and activities (or portions thereof) of the IHS pursuant to the ISDEAA, 25 U.S.C.§ 450 et seq.

/ / A tribe or tribal organization that operates a health program with funding provided in whole or part pursuant to 25 U.S.C. § 47 (commonly known as the Buy Indian Act).

/ / An urban Indian organization that operates a health program with funds in whole or part provided by IHS under a grant or contract awarded pursuant to Title V of the IHCIA.

D. Cost-Sharing Exemption for Indians; No Reduction in Payments.

The Managed Care Plan shall not impose any enrollment fee, premium, or similar charge, and no deduction, copayment, cost sharing, or similar charge shall be imposed against an Indian who is furnished an item or service directly by the Indian Health Service, an Indian Tribe, Tribal Organization or Urban Indian Organization or through referral under contract health services.

Payments due to the Indian Health Service, an Indian Tribe, Tribal Organization, or Urban Indian Organization, or a health care IHCP through referral under contract health services for the furnishing of an item or service to an Indian who is eligible for assistance under the Medicaid program may not be reduced by the amount of any enrollment fee,
premium, or similar charge, and no deduction, copayment, cost sharing, or similar charge. Section 1916(j) of the Social Security Act, and 42 C.F.R. 447.53 and §457.535. This is not applicable to cost share post eligibility treatment of income.

E. **Agreement to Pay IHCP.**

The Managed Care Plan shall pay the IHCP for covered Medicaid managed care services in accordance with the requirements set out in section 1932(h) of the Social Security Act and 42 CFR 438.14 and 457.1209.

F. **Persons Eligible for Items and Services from IHCP.**

Nothing in this agreement shall be construed to in any way change, reduce, expand, or alter the eligibility requirements for services through the IHCP’s programs, as determined by federal law including the IHCIA, 25 U.S.C. § 1601, et seq. and/or 42 C.F.R. Part 136. No term or condition of the Family Care Agreement or any addendum thereto shall be construed to require the IHCP to serve individuals who are ineligible for services from the IHCP. The Managed Care Plan acknowledges that pursuant to 45 C.F.R. 80.3(d), an individual shall not be deemed subjected to discrimination by reason of his/her exclusion from benefits limited by federal law to individuals eligible for services from the IHCP. IHCP acknowledges that the nondiscrimination provisions of federal law may apply.

G. **Applicability of Federal Laws not Generally Applicable to other Providers.**

Certain federal laws and regulations apply to IHCPs, but not other providers. IHCPs cannot be required to violate those laws and regulations as a result of serving MCO enrollees. Applicable provisions may include, but are not limited to, those laws cited in Appendix A.

H. **Non-Taxable Entity.**

To the extent the IHCP is a non-taxable entity, the IHCP shall not be required by a Managed Care Plan to collect or remit any federal, state, or local tax.

I. **Licensure and Accreditation.**

Pursuant to 25 USC 1621t and 1647a, the State and the managed care organization shall not apply any requirement that any entity operated by the IHS, an Indian tribe, tribal organization or urban Indian organization be licensed or recognized under the State or local law where the entity is located to furnish health care services, if the entity meets all the applicable standards for such licensure or recognition. In addition, the State and the managed care organization shall not require the licensure of a health professional employed by such an entity under the State or local law where the entity is located, if the professional is licensed in another State.

J. **Dispute Resolution.**
In the event of any dispute arising under the Family Care Agreement or any addendum thereto, the parties agree to meet and confer in good faith to resolve any such disputes. Notwithstanding any provision in the Family Care Agreement, the IHCP shall not be required to submit any disputes between the parties to binding arbitration.

K. Governing Law.

The Family Care Agreement and all addenda thereto shall be governed and construed in accordance with federal and state law of the United States. In the event of a conflict between such agreement and all addenda thereto and federal law, federal law shall prevail.

Nothing in the Family Care Agreement or any addendum thereto shall subject an Indian tribe, tribal organization, or urban Indian organization to state law to any greater extent than state law is already applicable.

L. Medical Quality Assurance Requirements.

To the extent the Managed Care Plan imposes any medical quality assurance requirements on its network IHCPs, any such requirements applicable to the IHCP shall be subject to Section 805 of the IHCIA, 25 U.S.C. § 1675.

M. Hours and Days of Service.

The hours and days of service of the IHCP shall be established by the IHCP. The IHCP agrees that it will consider input from the Managed Care Plan as to its hours and days of service. At the request of the Managed Care Plan, such IHCP shall provide written notification of its hours and days of service.

N. Purchase/Referred Care Requirements.

The Provider may make referrals to in-network providers and such referrals shall be deemed to meet any coordination of care and referral obligations of the Managed Care Plan. The IHCP shall comply with coordination of care and referral obligations of the Managed Care Plan issuer except only in specific circumstances in which such obligations would conflict with requirements applicable to Purchased/Referred Care at 42 CFR Part 136. The IHCP will notify the Managed Care Plan issuer when such circumstances occur.

O. Sovereign Immunity.

Nothing in the Family Care Agreement or in any addendum thereto shall constitute a waiver of federal or tribal sovereign immunity.

P. Endorsement.

IHS or IHCP names and positions may not be used to suggest official endorsement or preferential treatment of the managed care plan.
APPENDIX A

(a) The IHS as an IHCP:
   (1) Anti-Deficiency Act, 31 U.S.C. § 1341;
   (2) ISDEAA, 25 U.S.C. § 450 et seq.;
   (4) Federal Medical Care Recovery Act, 42 U.S.C. §§ 2651-2653;

(b) An Indian tribe or a Tribal organization that is an IHCP:
   (1) ISDEAA, 25 U.S.C. § 450 et seq.;
   (4) Federal Medical Care Recovery Act, 42 U.S.C. §§ 2651-2653;
   (5) Privacy Act, 5 U.S.C. § 552a, 45 C.F.R. Part 5b;

(c) An urban Indian organization that is an IHCP:
   (2) Privacy Act, 5 U.S.C. § 552a, 45 C.F.R. Part 5b;
