FORWARDHEALTH
PRIOR AUTHORIZATION DRUG ATTACHMENT FOR ANTIPSYCHOTIC DRUGS FOR CHILDREN 7 YEARS OF AGE AND YOUNGER COMPLETION INSTRUCTIONS

ForwardHealth requires certain information to authorize and pay for medical services provided to eligible members. Although these instructions refer to BadgerCare Plus, all information also applies to Medicaid.

Members of ForwardHealth are required to give providers full, correct, and truthful information for the submission of correct and complete claims for reimbursement. This information should include, but is not limited to, information concerning enrollment status, accurate name, address, and member identification number (Wis. Admin. Code § DHS 104.02[4]).

Failure to supply the information requested by the form may result in denial of PA or payment for the services.

The use of this form is mandatory when requesting PA for certain drugs. Refer to the applicable service-specific publications for service restrictions and additional documentation requirements. Provide enough information for ForwardHealth to make a determination about the request.
