ForwardHealth requires certain information to enable the programs to authorize and pay for medical services provided to eligible members.

Under Wis. Failure to supply the information requested by the form may result in denial of PA or payment for the services.

The use of this form is mandatory when requesting PA for certain drugs. Refer to the applicable service-specific publications for service restrictions and additional documentation requirements. Provide enough information for ForwardHealth to make a determination about the request. Prescribers and pharmacy providers are required to retain a completed copy of the form.
