

FORWARDHEALTH PRIOR AUTHORIZATION / DRUG ATTACHMENT (PA/DGA) COMPLETION INSTRUCTIONS

ForwardHealth requires certain information to enable the programs to authorize and pay for medical services provided to eligible members.

Members of ForwardHealth are required to give providers full, correct, and truthful information for the submission of correct and complete claims for reimbursement. This information should include, but is not limited to, information concerning enrollment status, accurate name, address, and member identification number (Wis. Admin. Code § DHS 104.02[4]).

Under Wis. Stats. § 49.45(4), personally identifiable information about program applicants and members is confidential and is used for purposes directly related to ForwardHealth administration such as determining eligibility of the applicant, processing prior authorization (PA) requests, or processing provider claims for reimbursement. Failure to supply the information requested by the form may result in denial of PA or payment for the services.

The use of this form is mandatory when requesting a PA for certain drugs. If necessary, attach additional pages if more space is needed. Refer to the applicable service-specific publications for service restrictions and additional documentation requirements. Provide enough information for ForwardHealth to make a determination about the request.

Prescribers are required to complete and sign the Prior Authorization/Drug Attachment (PA/DGA), F-11049. Pharmacy providers are required to use the PA/DGA form to request PA by submitting a PA request on the ForwardHealth Portal or on paper. Prescribers and pharmacy providers are required to retain a completed copy of the form.

Pharmacy providers may submit PA requests on a PA drug attachment form in one of the following ways:

- 1) For requests submitted on the ForwardHealth Portal, pharmacy providers may access www.forwardhealth.wi.gov/.
- 2) For PA requests submitted by fax, pharmacy providers should submit a Prior Authorization Request Form (PA/RF), F-11018, and the appropriate PA drug attachment form to ForwardHealth at 608-221-8616.
- 3) For PA requests submitted by mail, pharmacy providers should submit a PA/RF and the appropriate PA drug attachment to the following address:

ForwardHealth
Prior Authorization
Ste 88
313 Blettner Blvd
Madison WI 53784

Providers should make duplicate copies of all paper documents mailed to ForwardHealth. The provision of services that are greater than or significantly different from those authorized may result in nonpayment of the billing claim(s).
