By signing this agreement, I agree to:

1. Comply with the Wisconsin WIC Program's Real-Time Online Statewide Information Environment (ROSIE) policies and my organization's standard policies and procedures for confidentiality and release of client-identifying information. WIC-specific policies are located in the WIC Operations Manual and are hereby referenced as 5.3, 10.41, and 11.11. These policies must be reviewed before signing this document.
2. Use ROSIE to document accurate demographic and health information data for the purpose of maintaining WIC client records.
3. Use ROSIE to enter timely and accurate WIC and other public health data, and to access information and generate individual, family and aggregate outcome data only as necessary to properly provide individual, household, community and system WIC and public health activities and interventions.
4. Carefully and deliberately safeguard my ROSIE user ID and password in accordance with WIC Program policies, as well as generally accepted security practices and my organization's policies and procedures.
5. Allow State Administrators or Project Directors, in coordination with CIBER, to audit any and all ROSIE transactions to ensure compliance with all applicable security and confidentiality policies.
6. Disclose identifying client information to other persons/agencies only as allowed by policies 5.3 and 10.41 (e.g., written client consent, as delineated by State and local memoranda of understanding with other programs, child abuse reporting, investigations of WIC crimes).
7. Promptly report to State/Local ROSIE Administrator any threat to, or violation of, this policy or any WIC security and confidentiality policies.

By signing this agreement, **I agree to NOT:**

1. Furnish identifying information or documentation obtained from ROSIE to any unauthorized person within or outside of the organization. (See policies 5.3 and 10.41.)
2. Copy the ROSIE database or any associated software (including, but not limited to, individual queries and reporting databases) to personal devices (e.g., flash drive, CD, etc.), personal computers or otherwise unauthorized non-agency computers.
3. Knowingly falsify any document or data obtained through or input into ROSIE.

I have read, understand, and agree to abide by this ROSIE Security and Confidentiality Agreement and the above requirements. I understand that, if I violate these or any other confidentiality or security requirements, my access to ROSIE data can be terminated and I may be subject to penalties imposed by law.
