

WIC STOCK PRICE SURVEY PHARMACY ONLY

Completion of this form is required for WIC pharmacy vendor authorization and when otherwise requested by the state WIC program. Failure to complete this form may result in the return of the vendor's application as incomplete, denial of the application, or vendor disqualification.

Please note that WIC authorized pharmacies are required to order infant formulas or liquid nutrition products at the request of WIC participants or the local WIC project. WIC authorized pharmacies agree to have an established procedure with a distributor or manufacturer that enables the pharmacy to supply infant formula or liquid nutrition products within a reasonable time when requested by a WIC participant or local WIC project.
