

## **REHABILITATION REVIEW APPLICATION**

### **INSTRUCTIONS**

Any person who is ineligible to be a caregiver as defined in Wis. Stat. § 50.065 (1) (ag) 1. a, b, or c (see Section C) for a reason specified in Wis. Stat. § 50.065 (4m) (a) or (b) (see Section B of this application) may request a rehabilitation review from the Department of Health Services (DHS) if the person has not requested one for a similar type of regulatory approval, job function or non-client resident status within the preceding year. Section D lists the entities for which DHS is authorized to conduct rehabilitation reviews.

A rehabilitation review application is considered complete when all requested information and documentation is received by the DHS Office of Legal Counsel. Your application may either be denied or returned to you for completion due to lack of a comprehensive response so be sure to carefully respond to all sections of this application. Attach supplementary pages if needed. You may be asked to provide additional information and documents. Provide updates as necessary.

Once the required information is complete, you will be invited to attend a DHS rehabilitation review panel meeting where your application materials will be discussed. Your attendance is not mandatory but is advisable so that the panel may ask additional questions. It also provides you the opportunity to expand upon your previously submitted information. A written approval, denial, deferral or a combination of any of these three will be issued.

An approval grants authorization to seek employment as a caregiver, to seek regulatory approval to own or operate a covered entity, to seek approval to contract with an entity, or to seek approval to reside as a non-client at a covered entity. An approval does not remove the governmental finding and/or criminal conviction that required rehabilitation review nor does it ensure that you will receive employment, regulatory approval, contracts, or permission to reside at an entity. Some approval decisions may be granted conditionally with limitations.

If the review panel does not find sufficient evidence of rehabilitation, the decision will provide the reasons for denial and inform you of any appeal rights available to you. If your application is denied, you may not apply for rehabilitation review again for the same or similar reason until after one year from the rehabilitation review panel's decision. A decision may be deferred for up to 6 months to gather additional information or for other reasons.

### **PERSONALLY IDENTIFIABLE INFORMATION**

Information you provide is used to obtain relevant data as required by the provisions set forth by Wis. Stat. § 50.065 and Wis. Admin. Code § DHS 12.12. That information is subject to Wisconsin's public records laws and may be used for secondary purposes pursuant to Wis. Stat. § 15.04(1)(m). It will not be used for any improper purposes under Wisconsin's employment laws. Providing your social security number is voluntary; however, it is requested so that it may be used as one of the unique identifiers to prevent incorrect matches with other individuals. Failure to provide your correct social security number may result in a delay in processing your application.

### **ADDITIONAL INFORMATION**

Federal laws 42 CFR § 483.13 and 42 USC § 1396r(e)(2)(A) permanently ban employment at a Federally Certified Nursing Facility (this includes most nursing homes) of an individual who has been found guilty by a court of law of abusing, neglecting, or mistreating residents or who has a finding entered into the State nurse aide registry concerning abuse, neglect or mistreatment of residents or misappropriation of their property if the victim was a resident of a federally certified nursing facility or skilled nursing facility and if the perpetrator was a nurse aide. Rehabilitation approval does not change this. Federal law 42 CFR § 483.420 permanently bans employment at a federally certified facility serving people with developmental disabilities of an individual who has a conviction or prior employment history of abuse, neglect or misappropriation. Rehabilitation approval does not change this.

The DHS Division of Quality Assurance Caregiver Program website at [www.dhs.wisconsin.gov/caregiver/index.htm](http://www.dhs.wisconsin.gov/caregiver/index.htm) contains additional information including the list of offenses affecting caregiver eligibility. Also refer to Wis. Admin. Code § DHS 12.12 for more specific information about the rehabilitation review process.
